

Dear Colleague

**Re: Appointment of Principal – Netherhall Learning Campus.**

**A 3-19 through school with a Creative and Media Studio School**

Thank you for expressing an interest in this exciting post. Joan Young is approaching retirement, after twelve years of successful leadership.

Netherhall Learning Campus is made up of NLC Infant and Nursery School(C of E, VA), NLC Junior School, NLC High School and the Creative and Media Studio School. The campus is set in a deprived area of Huddersfield but has the highest possible aspirations for all its students. The Creative and Media Studio School serves all Kirklees.

The substantive leadership structure is supported by a Vice Principal, Heads of School and Assistant Heads. Our approach is reflected in the supportive teamwork which is evident across the campus. The strength of the leadership team is evident in Ofsted reports and the outstanding results achieved by all our students. “Success for ALL” is evident in every aspect of the campus.

The Governing Body wishes to appoint someone who will take the campus into its next stage of development and continue to support us in our dedication to unlock the potential for achievement in all our students.
