Dear Candidate

Thank you very much for expressing an interest in the position of Key Stage 3 Lead: English Faculty at Hatch End High School.

We are looking for a creative practitioner to be part of a very strong team which has in recent years gained some outstanding examination results at GCSE and A Level. The school has delivered both A Level English Literature and A Level English Language/Literature and both are popular and successful subjects post 16 although we would like numbers to be even higher. Media Studies is also very popular at GCSE and A Level.

This post will enable excellent career progression to Head of Department and beyond. Whilst this post is for the management of Key Stage 3 in the first instance, the school seeks to develop expertise and would look at rotation of responsibility in the future.

Hatch End High School is a warm, vibrant and stimulating place to work. We are a lead school in teacher training and regularly welcome many trainees from the highly acclaimed TeachFirst Programme and other training institutions. Continuing professional development is at the core of everything we do and you would be joining an organisation which believes that our teachers form the engine room of any school's success. All teachers are encouraged to pursue a wide range of professional development and we play a key role in a highly successful Teaching School Alliance. You would receive outstanding support from a dynamic Senior Leadership Team and be offered numerous opportunities to grow in the school's success.

Our website has comprehensive information on the many fantastic opportunities at the school I and would urge you to read this before applying. If you would like to discuss the role informally before submitting an application, please do not hesitate to contact hr@hatchend.harrow.sch.uk.

I very much look forward to reading your application.

Very best wishes.
