## ENGLISH FACULTY

The Quest Academy – Coloma Trust has a English faculty consisting of eight full-time specialist members of staff. All teachers are expected to teach across the age and ability range.

The English area has six dedicated classrooms; each room is fully interactive and very well resourced.

### **English KS3**

Students follow a condensed Key Stage 3 course over two years and each student will follow a differentiated scheme of work in line with the National Curriculum. Reading, writing and spoken language are the core skills developed in English classes throughout the first two years of study.

ICT is already used within the faculty and access to a variety of electronic resources is available.

### **English KS4**

Students follow AQA board courses for English Language and English Literature.

### **English KS5**

The Academy offers A Level in English Literature.

Sixth Form Advanced Level English Literature (OCR) develops skills of analytical close-reading of texts; a developed awareness of differing critical opinions and representations across periods and genres; and a considered appreciation of the impact of context.
