Learning together Achieving together

Teacher of Mathematics

Inner London pay range
Required for September 2017

A fantastic opportunity for a dynamic colleague to take up this position at our vibrant and successful school.

We need you to be:

• Committed to inspiring and motivating our students through the highest expectations
• A team player with excellent subject knowledge and ability to teach to A Level
• A strong communicator wanting the best for each student
• A cracking teacher, enthusiastic and optimistic in your approach

Mathematics is an extremely successful faculty, with students achieving significantly above national expectations over consecutive years. Our students perform brilliantly in competitions such as the UK maths challenge and Olympiads, and consequently both mathematics and further mathematics are very popular at A Level. The school has invested heavily in mathematics with the faculty having moved into a suite of new classrooms last year.

In return as a people-centred organisation we offer an outstanding employee support package alongside proven support with professional development. Within Camden, we offer opportunities to lead across the borough on strategy and best practice networks As a long standing Investor in People, Hampstead School has an amazing record of development leading to leading to rapid career progression at all levels.

"Staff really like working at the school. They feel valued and very well supported. Leaders have ensured that they have very good opportunities for training and development. Many staff have moved on to promoted posts internally and elsewhere. This is an exciting, dynamic place to work, and its vitality greatly benefits the pupils". (Ofsted).

"*Fizzes with activity*" (Good Schools Guide)

"*An exceptional climate for learning*" (Challenge Partners)
