# Geography Teacher

## Required for September 2018

Main Scale - Outer London

(This vacancy would suit either an NQT or an experienced teacher – a post of responsibility may be available depending on knowledge and skills)

A vacancy has arisen for a teacher who is passionate about inspiring students in the subject of Geography. The successful applicant will join our team of specialists at a crucial stage of our journey to become “outstanding”. Geography is taught at all key stages.

We offer outstanding induction and support programmes with many opportunities for professional development which would suit those with a desire for career progression.

If you are interested in this exciting opportunity, for more information please contact Rachel Gulyas on 0208 468 1681 / email: [rgulyas@coopersschool.com](mailto:rgulyas@coopersschool.com)

**Closing Date: Monday 15 January 2018**

(Please note that we encourage early applications, and reserve the right to close this vacancy at any time should the right candidate be found.)

This post is considered to be a customer-facing position. As such, it falls within scope of the Code of Practice on English Language requirement for public sector workers. The School, therefore, has a statutory duty under Part 7 of the Immigration Act 2016 to ensure that post holders have a command of spoken English sufficient for the effective performance of the job requirements. The appropriate standards are set out in the person specification. These will be applied during the recruitment/selection and probationary stages.

## WELCOME

Coopers is a warm, welcoming and friendly School situated in 33 acres of parkland in Chislehurst in the borough of Bromley, about eight miles from central London. It is a place where all students are happy learners. My mission as Principal and CEO of the William Willett Learning Trust is to take Coopers from being a good to an outstanding school. We are very proud of our latest Ofsted Report which shows that we can achieve this.

When the School was last inspected in January 2014, the inspectors said that 'Coopers is a well led school within which a well-planned curriculum and good teaching lead to very high standards and very good examination results, in the top 20% of the country.' They described the school as "bubbling outstanding."

- "Students' progress overall was well above national figures."
- "The overall quality of teaching is good and, as a result, students learn well and make at least good progress."
- "Teachers receive high quality professional development from outstanding teachers in the school and external consultants."
- "Senior leaders have been successful in raising achievement and improving the quality of teaching over recent years."
- "The curriculum goes far beyond academic subjects with worthwhile vocational and practical courses."

The inspectors also commented that the very good behaviour of the students makes an important contribution to the welcoming, supportive and orderly learning environment created by the School as we strive for academic success.

We are very proud of our school, of the opportunities we provide, and of its role in the community. We strive to create an environment where each individual is valued, an environment that fosters tolerance and compassion, vibrant, caring relationships, lifelong learning skills and a strong sense of moral purpose. We operate through a core set of values:

- **Curious** - We have active minds, immersing ourselves in new ideas with a thirst for learning. We engage with issues and ideas that have local and global significance.
- **Creative** - We are enterprising and unafraid to challenge and be innovative. We are multi-faceted and independent, understanding that skills are transferable across all disciplines.
- **Resilient** – We understand that we need to be creative and determined in order to achieve our best. We are resilient and resourceful in the face of challenge and change.
- **Respectful** - We are confident and articulate in more than one language and demonstrate appropriacy and respect through our interactions. We act with integrity and honesty, have a strong sense of fairness and take responsibility for our actions. We have self-respect and take pride in our own work.
- **Empathetic** - We reflect on and evaluate our actions and the actions of those around us in order to have a better understanding of the world and our place within it. We are empathetic and compassionate and understand that our lives are interdependent with other people's lives.

Coopers School became a Grant Maintained School in the 90's, followed by a Foundation School and then became an Independent Academy in March 2011. It is a founder member of the William Willett Learning Trust and acts as a sponsor for Mead Road Infants School. We are also a founder member of the Bromley Schools Collegiate with an Ofsted outstanding judgement for ITT. The Trust is due to expand further for 1 September 2017 subject to consultation. We are really excited at the increased opportunities for collaboration and career opportunities for staff.

Our examination results at Key Stage 4 have shown many rises. We are most proud of our post 16 outcomes, the end of the seven year journey, which see ALPs 2 Grades for AS and BTEC and ALPs 3 for A2, significantly above national average. A range of post 16 courses are taught. We are a World IB School and we offer, A levels, AS courses, BTecs and the IBCP. We are the only school in Bromley to offer IBCP (Careers Programme) and currently only about twenty schools in the country can teach this. Of a role of 1600, 320 students are in the Sixth Form. We have an impressive number of young people leave us for top universities and apprenticeship programmes.

## **Our Students**

Our students feel happy and secure. We have a well-developed pastoral system and staff genuinely care about our students as individuals. We encourage students to assume and enjoy responsibility through our Student Leadership and Ambassador Teams. Our highly skilled staff work closely with students to monitor their progress to ensure they exceed their potential. There is an excellent student volunteer peer mentor scheme and students are encouraged to play an active part in the running of the school.

We understand that students need a range of skills and opportunities to fulfil their potential and therefore encourage students to undertake a full range of extra curriculum activities in addition to the educational requirements. We have an extensive enrichment programme, the full details of which can be found on the website.

## **Our Staff**

We recognise and value the skills, knowledge and expertise of all our staff and are committed to supporting their professional development. To this end, we have a vibrant and varied Continual Professional Development programme, which is personalised each year to support both our main school priorities and the individual needs of staff. This programme includes opportunities to share excellent practice between colleagues as well as drawing on external expertise. Cross collaboration between other local schools and schools in the Trust is also encouraged so that best practice is formulated. We encourage and support further learning and research.

Staff give freely of their time to the broad extra-curricular programme which includes sports, music, drama and a host of trips, exchanges, clubs and other activities. There is a blend of youth and experience among the staff and newcomers have always commented on the warm welcome they have received.

Coopers School is an Equal Opportunities employer.

# THE GEOGRAPHY DEPARTMENT

---

The Geography Department at Coopers School is a team of innovative practitioners committed to maximising student attainment through personalised learning. The Department consists of six specialist teachers led by a Director who are fully committed to ensuring that students are prepared not only for examinations but also preparing them to be life-long learners. Teachers are supported by a Geography graduate HLTA. Coopers is committed to teacher training and regularly offers ITT, PGCE, and SDS placements within the Geography Department. The team shares a suite of eight dedicated classrooms with the History Department – one of these classrooms is a state of the art computer room.

Geography is offered at KS3, GCSE at KS4, and A Level at KS5 and popularity at Key stage 4 and 5 has meant our year on year uptake at both Key Stages continues to increase as well as results. Teachers may be required to teach Citizenship in KS3 which is integrated into the SOL in Years 7 and 8.

As Ebacc subjects, students from the top four ability pathways are required to take at least one Humanities subject at KS4. However, both subjects are open to all students and are therefore, popular and successful. At A Level we are seeing more students opt to study Geography at University.

The Geography GCSE and A Level course currently follows AQA. Students undertake a range of topics at GCSE including Living World and Urban Challenges and Issues. At A Level we study Global Systems and Global Governance, Population and the Environment, Coastal Systems and Landscapes and the Challenge of Natural Hazards.

The Geography Department is committed to providing students with extracurricular activities including Gardening Club and the development of our onsite garden, and enters local competitions with the Chislehurst Society. We aim for all students to be offered the opportunity to participate in a trip within the Department to develop their understanding of topics and broaden their knowledge and understanding. Trips include areas around London, Herne Bay and the Lake District as well as a hugely successful trip to Iceland in October 2017.

## FACILITIES

Coopers' campus is set in 33 acres of parkland on the edge of Chislehurst.

The School offers exceptional educational facilities which are continually being extended and developed. We have recently been successful in securing over £8million to enhance our facilities in our peaceful setting. We have now built a £3million new Performing Arts Block which opened in September 2015.

We live in a time of such rapid technological and scientific change that new ways of teaching are needed to prepare children for the world we live in today.

To support this, our technological facilities include:

- Twenty networked computer suites across the school
- Six networked Apple Mac computer classrooms
- Over four hundred wireless laptops available across the site
- Industry standard machinery including a laser cutter and CAD/CAM equipment
- State of the art digital cameras and iPads for sports students to self-assess their performance

**“Coopers School is committed to safeguarding and promoting the welfare of children and young people and expects all staff and volunteers to share this commitment”**

# Explanatory Notes

Applications will only be accepted from candidates completing the Trust's Application Form which can be found on the website (under vacancies). Please complete ALL sections of the Application Form which are relevant to you as clearly and fully as possible. CVs will not be accepted in place of a completed Application Form. Instructions and advice on "How to apply" can be found on the website: [www.coopersschool.com](http://www.coopersschool.com)

## Safeguarding Children & Young People

We are committed to safeguarding and promoting the welfare of children and young people. We expect all staff to share this commitment and to undergo appropriate checks, including enhanced CRB checks and DBS checks.

- Candidates should be aware that all posts in the Trust involve some degree of responsibility for safeguarding children and young people, although the extent of that responsibility will vary depending on the nature of the post. Please see the job description enclosed in this Application Pack for further details.
- Accordingly, this post is exempt from the Rehabilitation of Offenders Act 1974 and, therefore, all convictions, cautions and bind-overs, including those regarded as "spent" must be declared.
- If you are currently working with children, on either a paid or voluntary basis, your current employer will be asked about disciplinary offences, including those related to children or young people (whether disciplinary sanction is current or time-expired), and whether you have been the subject of any child protection allegations or concerns and, if so, the outcome of any investigation or disciplinary proceedings. If you are not currently working with children, but have done in the past, that previous employer will be asked about these issues.
- Where neither your current or previous employment has involved working with children, your current employer will be asked about your suitability to work with children, although it may where appropriate be answered not applicable if your duties have not brought you into contact with children or young people.

## Interview Process

After the closing date, short listing will be conducted by a Panel, who will match your skills/experience against the criteria in the Person Specification. You will be selected for interview entirely on the contents of your application form, so please read the Job Description and Person Specification carefully before you complete your form.

All candidates invited to interview must bring the following documents if external applicants:

- Documentary evidence of right to work in the UK
- Documentary evidence of identity that will satisfy CRB requirements such as a current driving license including a photograph and/or a passport and/or a full birth certificate
- Documentary proof of current name and address (i.e. utility bill, financial statement etc.)
- Where appropriate any documentation evidencing change of name
- Documents confirming any educational or professional qualifications that are necessary or relevant for the post

Please note that originals of the above are necessary. Photocopies or certified copies are not sufficient.

We will seek references on shortlisted candidates for Trust based positions and may approach previous employers for information to verify particular experience or qualifications before interview. Any relevant issues arising from references will be taken up at interview.

In addition to candidates' ability to perform the duties of the post, the interview will also explore issues relating to safeguarding and promoting the welfare of children, including:

- Motivation to work with children and young people
- Ability to form and maintain appropriate relationships and personal boundaries with children and young people and staff
- Emotional resilience in working with challenging behaviours
- Attitudes to use of authority and maintaining discipline

### **Conditional Offer: Pre-Employment Checks**

Any offer to a successful candidate will be conditional upon:

- Verification of right to work in the UK
- Receipt of at least two satisfactory references (if these have not already been received)
- Verification of identity checks and qualifications
- Barred List
- Satisfactory CRB/DBS Disclosure
- Verification of professional status such as QTS Status, NPQH (where required)
- Satisfactory completion of a Health Assessment
- Satisfactory completion of the probationary period (where relevant)
- Where the successful candidate has worked or been resident overseas in the previous five years, such checks and confirmations as may be required in accordance with statutory guidance

### **For teaching posts:**

- Verification of successful completion of statutory induction period (applies to those who obtained QTS after 7 May 1999)
- Verification of medical fitness in accordance with DfE Circular 4/99 Physical and Mental Fitness to Teach of Teachers and Entrants to Initial Teacher Training

You should be aware that provision of false information is an offence and could result in your application being rejected or summary dismissal if you have been selected, as well as possible referral to the police and/or DBS and/or other relevant investigating bodies.
