

Sir John Nelthorpe School  
Grammar School Road  
Brigg  
North Lincolnshire  
DN20 8AA

Head teacher: Mr R Biglands

Age Range: 11-19  
NOR: 677

Thank you for expressing an interest in this post. We are seeking to appoint a dynamic, enthusiastic and well-qualified teacher who will help to lead a successful and supportive Science faculty and teach Chemistry across all Key Stages from September 2018. Experience of teaching 'A' Level Chemistry, whilst desirable, is not essential, but it is expected that the successful candidate has the desire and ability to do so.

### **Our School**

Judged by Ofsted as Good, Sir John Nelthorpe School is a fully inclusive mixed 11-19 voluntary controlled comprehensive school in the heart of North Lincolnshire.

In our 2017 examination results, 71.4% of students gained 5 A\*-C grades (legacy grading) including English & Maths, with 48% of students achieving a grade 9 - 5 (new grading) in both English and Maths. This compares very favourably against the Local Authority and National averages of 39%. 29% of students gained the English Baccalaureate grade 9-5. This Ebacc result ranks the School in the top 10% of the highest performing schools in England, including selective Grammar schools. Our 6<sup>th</sup> form students achieved excellent A-Level grades. Our pass rate of 100% bucked the National trend showing the fantastic response of our students to the new, more demanding A-Levels. This pass-rate is league-topping for this region. The national average is (97.9%). The percentage of our students achieving the top A\*-C grades was 80.6%, again beating the national average of 77.4% We are immensely proud of our year on year achievements and would love to hear from you if you feel you can help us on our journey to become outstanding.

### **We are looking for someone who:**

- consistently models excellent practice and has students' achievement and progress at the forefront of their teaching and leadership focus
- has a proven record as an excellent teacher across all key stages
- wants an exciting opportunity to work in a vibrant organisation that makes a difference to our young peoples' lives
- can make a significant positive contribution to the whole school by helping to lead and develop this strong and successful faculty

### **In return you will receive:**

- the opportunity to teach well-behaved and motivated students
- a professionally stimulating and supportive working environment
- outstanding professional development with progression opportunities

The post is suitable for experienced and recently qualified teachers with excellent induction programmes available at all levels.

**Application Process:**

Applicants are requested to complete the standard North Lincolnshire Council application form and also include no more than 2 sides of A4 explaining the experience and personal qualities, which make them suitable for the post. Please note we do not accept CV's.

This vacancy provides an excellent opportunity for a forward-thinking teacher of Chemistry with drive and commitment who is willing to play a key role in building on the success and development of all subject areas within the faculty to become the very best they can be. The person appointed will bring enthusiasm and fresh thinking to a successful team. I look forward to receiving your application.

Yours sincerely

A handwritten signature in blue ink, appearing to read 'R Biglands', is positioned above the printed name.

Mr R Biglands  
Head Teacher
