January 2018

Dear Applicant,

Thank you for expressing an interest in the post of Teacher of Mathematics at The Gryphon School. Accompanying this letter is information about the School and the Department which we hope will provide you with everything you need to know to apply for the post. The School website gives further details about us.

This is a permanent, full-time post, commencing on 1 September 2018. Our new recruit will join a team of professional, experienced and able specialists, dedicated to continuing to provide the high level of teaching to which our students have become accustomed.

The Mathematics Department is one of the largest and strongest in the School. It achieves outstanding results at GCSE. We are seeking to appoint an ambitious, creative and inspiring teacher or NQT with energy, enthusiasm and a love of Maths.

The successful candidate will:

- have a passion for Mathematics
- have excellent communication skills have the ability to embrace and contribute to the vision of the Department and school
- be able to build relationships quickly
- show respect to others and be able to embrace the ethos and values of the School
- be positive, optimistic, caring, kind and approachable
- be willing to be immersed in the life of a busy and successful school
- have the ability to support, challenge and inspire our students, encouraging them to achieve the best they can through the promotion of outstanding teaching and learning

The Gryphon is a wonderful place to work and has a special atmosphere and feel. It became an academy in August 2012 to sustain the quality of our outstanding provision and is a founder member of the Sherborne Area Schools' Trust (SAST) a multi-academy trust established in June 2017. Since September 2017 we have been designated as a teaching school and are very excited about the opportunities that this new status will bring. In a recent national publication, The Real Schools Guide, The Gryphon was rated as one of only two schools in Dorset as 5 star; based on attainment, teaching, attendance and outcomes. The Good Schools Guide concludes that we are a 'Super much sought-after school at the very centre of its community taking on the Sherborne independents. Truly a model of comprehensive education at its best – a place for all comers, which children and parents set their heart on, so it bulges at the seams'.

We are an outward looking school with excellent community links as well as strong relationships with other good and outstanding schools across the South West and nationally.

We are a comprehensive school serving a diverse community. Our high quality support staff make a real difference to our students. Teaching is often outstanding, and consistently at least good across all subjects and key stages. Teachers are provided with the resources to make lessons stimulating and practical and have excellent subject knowledge. They make sure students are very clear about what is demanded of them and how to improve. The School's very positive entry in the Good School Guide describes pastoral care and discipline as 'exceptional'. Students are reflective, behave with great courtesy, and are heavily involved in working with staff to improve the school and the welfare of others.

Our 2017 GCSE results were, once again, excellent against a national backdrop of tougher exams and significantly lower pass rates in many subjects. The proportion of students gaining 5 or more A*-C grades including English and Maths was 72%. At A level, there was a pass rate of 99%, with 78% of students achieving A*-C grades and 25% gaining an A* or A grade. Both academic and vocational result were equally impressive and students taking the EPQ (Extended Project Qualification) achieved fantastic results of 70% at A*-A grade.

In November 2016 our inspection as a Church School (SIAMS) judged us to be Outstanding. Our most recent Ofsted visit, in November 2017, was very positive and confirmed our status as a “good school” and we enclose a copy of their letter to me outlining our many strengths. Our focus for this year, which reflects our Church School status, is that we should be a “10:10” school; where students and staff experience life in all of its fullness. So for us education is more than just exam results – we place great value on the personal development of each student. We aim for them to leave school as well-rounded young people with a strong sense of what is socially, morally and culturally acceptable, and to feel that they have a contribution to make to the wider community. Digital learning is important at The Gryphon School including the use of mobile technology; we want our young people to use technology responsibly and to enhance their learning.

In summary, we are a true team with a great sense of pride in what we collectively achieve and we embrace the challenge for achievement to be even higher. Our special culture and ethos focuses on enabling students to be the best that they can, both personally and academically, supported by the tremendous work and care of all our staff. We continue to strive to be outstanding in all aspects of school life.

We are looking for someone with high expectations, a love of their subject, the ability to inspire and also laugh whilst enjoying the challenges of this role. You need to be a team player with the inner determination to develop continually, picking up the best ideas from around the world in education. In return, you will join a Department that is full of activity, rewarding and friendly. We have a great record for supporting and developing all of our staff through our own training and links with NCSL providers.

You are very welcome to visit us in advance of an application or to contact us to find out more.

Very best wishes,

N J Edwards

Nicki Edwards
Headteacher

THE APPLICATION PROCESS

We look forward to receiving your application by 9.00 am on **Monday 22 January 2018**. It is hoped that the interviews will take place on **Friday 26 January 2018**. You are asked to provide the following:

- A completed Gryphon application form
- A letter of application of no more than 2 sides of A4 detailing your experience and expertise

Completed applications should be returned either by post, marked 'Confidential' to Caroline Rabbetts, Leadership Support Manager, The Gryphon School, Bristol Road, Sherborne, Dorset DT9 4EQ or by email to her at:

Gryphon.HR@gryphon.dorset.sch.uk

Should you wish to arrange a visit to view the School, please do not hesitate to contact Caroline who will also be happy to arrange this.

The Gryphon School, part of the Sherborne Area Schools Trust, has an absolute commitment to safeguarding and promoting the welfare of children. The School follows the national and Dorset policies and procedures for child protection and security and the interview will include questions about safeguarding children. Current and/or previous employers will be contacted through references as part of the verification process pre-appointment checks if the applicant is short listed. The successful applicant will be required to undertake an enhanced disclosure check with the Disclosure and Barring Service.

The Gryphon School, part of the Sherborne Area Schools Trust, is committed to equal opportunities and positively encourages applications from all sections of the community.

The Gryphon School

January 2018

TEACHER OF MATHEMATICS

The person appointed to this position will be an excellent teacher, able to enthuse and motivate students and demonstrate a real passion for Mathematics.

Your Role

We are offering the successful candidate the opportunity...

- to teach across the full age and ability range in an 11-18 School
- to teach to A level if the applicant wishes
- to help prepare students for Oxbridge if the applicant wishes
- to build upon, strengthen and develop innovative strategies for teaching and learning in Mathematics
- for continued professional development in a supportive and experienced environment
- to be part of a strong pastoral programme at the heart of The Gryphon School ethos.

Standards

- Standards at every Key Stage are very good.
- KS4 – GCSE results are outstanding with approximately 80% gaining A*-C in each of the past four years.
- A-Level – Approximately 80% of students achieved A*-C at A2.
- Further Maths – The proportion of students gaining A*-C was 86%.
- In recent years several Further Mathematicians have gone on to read Mathematics or mathematically related subjects at Oxbridge colleges.

Team Resources

- A suite of 10 bright and modern rooms surrounding its own dedicated foyer.
- Each room is equipped with Promethean Whiteboard and Projector and supported by Geometers Sketchpad, Autograph, Easiteach, Method Maths and Mathswatch.
- A Departmental workspace to share ideas and resources.

The Curriculum

- Students in Years 7 and 8 are broadly set into four levels in line with the focus on mastery of each topic.
- Each band follows our adaptation of the Gloucestershire, Kangaroo Maths Scheme of Work.
- The Scheme of Work has been re-written by the Department with the aim of being a 5-year scheme of work.
- We currently follow the new AQA GCSE aiming towards linear entry at the end of Year 11.

Sixth Form

- Mathematics is a successful and popular subject in the Sixth Form.
- The Department will offer the 2-year new Edexcel A-Level qualification and the 2 year new Edexcel Further Mathematics qualification (with a choice of applications modules in Statistics, Mechanics and Decision Mathematics).
- We are offering, for the first time, the one year MEI Level 3 qualification in Quantitative Reasoning.
- Current Year 12 has around 100 students taking AS Maths and AS Further Maths

The Mathematics Team

- Comprises 12 full-time, Maths specialist teachers who are hard-working and close knit.
- Is led by the Head of Department – James Philips and a wider Maths Leadership Group.
- Includes a Mathematics-specialist Teaching Assistant.
- Enjoys excellent relationships with staff and students
- Has strong links with Initial Teacher Training Universities
- Is supporting colleagues through the School Direct Programme.

The Gryphon School is committed to safeguarding and promoting the welfare of children and young people and values the diversity of our workforce and welcomes applications from all sections of the community. Successful candidates will be subject to an enhanced Criminal Records Bureau check.

The Gryphon School is committed to equal opportunities and positively encourages applications from all sections of the community.

The Gryphon School operates a no-smoking policy, and smoking, therefore, is not allowed on any part of the school site.

If you would like to discuss the post further or would like to arrange a visit, please do not hesitate to contact James Phillips, Head of Mathematics on 01935 813122 or

james.phillips@gryphon.dorset.sch.uk

The Gryphon School Person Specification

Teacher of Mathematics
