

16 April 2018

Dear Applicant

Thank you for your interest in the teacher of Biology position. The post is suitable for either an experienced teacher looking for a new challenge or an individual relatively new to the profession looking for their first teaching post. The start date is 24 August 2018 (first teaching day will be 28 August 2018).

We are looking to appoint someone with enthusiasm, energy and drive who is keen to play a full and active role within our Science team.

There is an expectation that the successful applicant will be able to teach Biology at both Key Stages 4 and 5.

The Science Faculty has a successful track record and will provide an excellent opportunity to develop your teaching skills and engage in professional development.

Please complete an application form and send together with a CV accompanied by a letter (max 2 sides of A4) indicating how and why you feel suited to working at Ashby School and how you would contribute to the further development of Biology.

Applications must be received by 12 noon on Friday 27 April. We hope to hold interviews in the week beginning 30 April.

I look forward to hearing from you.

Yours sincerely

Eddie Green
Headteacher
