Dear Prospective Applicant

**Teacher of Mathematics
MPS (Fringe)
FULL TIME / PART TIME
PERMANENT
SEPTEMBER 2018 (JULY START AVAILABLE FOR NQT)**

We are seeking to appoint a dynamic and innovative practitioner to the post of teacher of Mathematics. We are looking for a talented educator with a big heart who shares our commitment to excellence and achieving the very best for all our pupils. This is an exciting opportunity for a new or experienced teacher to become part of the Garth Hill team. We would also welcome applications from suitable applicants who are looking for a part time position.

The Mathematics Department at Garth Hill College is part of our School of Mathematics and Information Studies. The department follows a Maths Mastery curriculum at key stage three, has a track record of success at key stage four and is a popular subject at post-16.

We offer a positive, friendly and supportive atmosphere, a team ethos, a strong staff association, modern facilities and a rich programme of professional development together with opportunities for career development. Whilst there has been a lot of improvement in recent years, there can be no room for complacency. We are on a journey to excellence. I am fortunate to be part of an extremely dedicated team of staff. We are passionate about our pupils' learning, and the Garth Hill community. We seek the very best for our pupils' education and their achievement and we are committed to providing excellent service and care to all of our pupils and their families.

We work in a great learning environment (our school building opened in September 2010) with superb facilities. A new Sixth Form Centre opened in 2015, and we also recently opened a new specialist SEN unit provision at Rise@GHC.

Finally, we believe that anyone can achieve, and beyond expectation, with relentless dedication, commitment and purposeful hard work. If you possess the qualities listed, have the necessary skills and experience and share our ambition for the future of Garth Hill College and our young people then we welcome your application.
