Improving Education **Together.**

01. About Academy Transformation Trust

We're on a mission

Our mission is to provide the very best education for all pupils and the highest level of support for our staff to ensure every pupil leaves our academies with everything they need to reach their full potential.

These are the things we hold dear

Transparency

As a charity founded on strong ethical practices, Academy Transformation Trust takes pride in being open, honest and crystal clear in everything we do.

Innovation

We are constantly striving to do all we can to make education the best it possibly can be. We are brave in our actions and do everything we can to have a positive impact on whole child development.

Collaboration

We believe the future of education relies upon effective collaboration between academies, and better collaboration between academies and their local communities.

Ambition

We are determined to improve education nationwide by encouraging collaboration and giving academies everything they need to realise their full potential.

We believe every child matters and deserves a first class education.

Our team knows first-hand how to make education better for schools, pupils and their teachers.

For us, the future of UK education relies upon schools working closely together to share best practices, giving every child the best chance in life. We set up ATT to make this vision a reality.

As a not for profit trust, we work with our growing family of primary and secondary academies, and further education providers in the Midlands, East of England and South East.

02. Pool Hayes Academy Information

Pool Hayes Academy is part of the Academy Transformation Trust family of academies.

At Pool Hayes we believe in working together to achieve our best in a supportive and safe environment.

Pool Hayes
Academy

Based in Willenhall, in the West Midlands, Pool Hayes Academy is a fantastic academy for 11-18 year old pupils and retains strong links within the local community making itself a genuine hub for the locale.

The academy draws its pupils largely from Willenhall but we have experienced substantial growth over the last two years the range of intake has grown significantly and is currently over-subscribed.

Academy Ethos

Our academy ethos is displayed all around the school and is known as the RAPS. It stands for Responsibility – Aspiration – Perseverance – Success and these are the qualities that we seek to instil in your child throughout their time at our school and when they go out into the wider world.

The Pool Hayes Key to Learning

The Pool Hayes Key to Learning provides a consistent framework and common language to support students in securing effective learning and teachers in delivering effective teaching.

Ofsted

The academy is making positive strides forward and prior to becoming an academy, recently secured its first ever 'good' grades for Leadership & Management, Personal Development, Behaviour & Welfare and 16 to 19 Study programmes. Nonetheless, having begun its recent journey from a low base, the current excellent momentum needs to be continued as the academy moves onwards towards outstanding.
