

# Teacher of Chemistry – full time

Required for September 2017, or January 2018

Denstone College continues to enjoy growth in pupil numbers, academic achievement and sporting success. We therefore require teaching professionals of the highest calibre who can meet the expectations and ambitions of our thriving school.

Chemistry is a popular and highly successful subject at Denstone with results well above the national average. It is anticipated that the successful candidate will teach a full timetable of 27 periods per week, with each lesson lasting 40 minutes. Teaching will range across all years 7 to 11, with the successful candidate likely to have a significant input into sixth form teaching in the department.

If you relish the opportunity of making a real impact within a highly ambitious and successful school, then we would like to hear from you.

For further information, please follow the link below to the Denstone College microsite at TES online, where you can download further information and an application form. If you have any queries, please contact [CMcNamara@denstonecollege.net](mailto:CMcNamara@denstonecollege.net) or call 01889 590484.

Closing date: Monday 14th August 2017 at noon.

Candidates who have not been contacted by e-mail within 1 week of the closing date can assume that their application has been unsuccessful.

Denstone College has a strong commitment to the safety and welfare of children. The successful applicant will be required to have a satisfactory enhanced DBS check in addition to other pre-employment checks.
