ABOUT US

A learning community developing international citizens

Dartford Grammar School is a selective secondary academy for boys, which admits girls to its sixth form. There are six forms of entry to Year 7, and all of the students joining the school are from the top 25% of the ability range. The students come from Dartford, neighbouring towns and villages, and nearby London boroughs. The current roll is 1,485, including 625 in the sixth form.

Curriculum

The school provides students with a seven year innovative education programme, based on the philosophy of the International Baccalaureate Organisation. Dartford Grammar School has become the first British state school authorised to offer the IB Middle Years Programme to pupils in Years 7 to 9. Its sixth form programme is also exceptionally wide with courses leading to the International Baccalaureate Diploma. The IB courses are crucial to our ethos encouraging our students to be independent, creative and highly successful lifelong learners.

Students at Dartford Grammar School enjoy very high academic success. In 2017, and for the second consecutive year, more than 70% of GCSE grades were the equivalent of A*/A. Our Sixth Formers gained an average UCAS points score of 215 (new tariff). Almost all of Year 13 students proceed to university with more than 70% successful at Russell Group universities.

Ofsted Inspections

The school has been identified four times by Her Majesty's Chief Inspector of Schools (most recently in May 2011) as one of England's most successful schools and colleges, showing a sustained period of outstanding achievement.

Specialist Status

In September 1995, the school became one of the first two language colleges in the country. The school is committed to internationalism. While maintaining its high levels of strength in all curricular areas, the school is established as a centre of excellence for the learning of languages, offering tuition in ten. Following the 2008 Ofsted inspection the school was awarded Science as this third specialism and most recently achieved an additional Specialism Quality Mark in Sport.

The school is a leading Confucius Classroom, a leading Japan Foundation and Goethe Institute school and has been re-accredited with the International Schools Award at the highest level. Dartford Grammar School is an IB World School and the Sunday Times IB School of the Year 2017.

The school has recently been awarded 'Teaching School' status and works as a lead school across a local alliance of primary and secondary schools, providing additional professional development opportunities.

What the School Offers Teachers

The school provides its staff with the experience of teaching able and well-motivated students in an environment with high expectations of behaviour and well-developed systems of teacher-support.
