

# October 2018

**‘Autumn carries more gold in its pocket than all the other seasons’ – Jim Bishop**

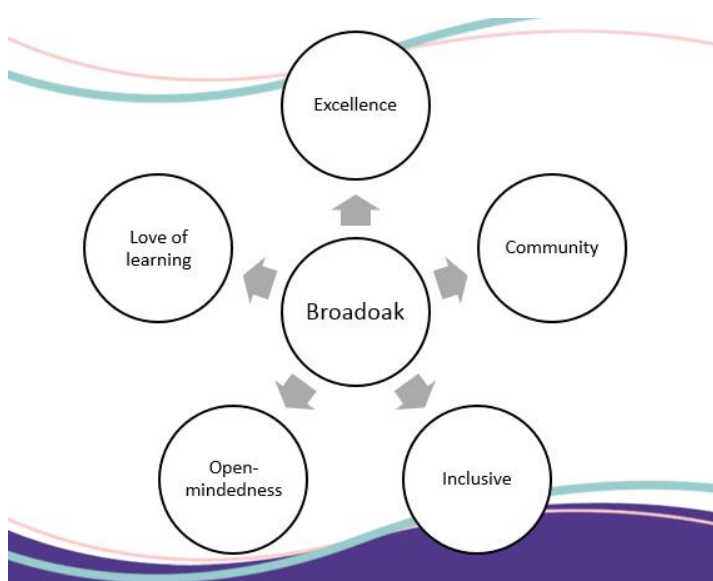

The Autumn term is the bedrock of the year ahead – routines established, expectations clarified and hard work undertaken. It has been a pleasure talking with students, especially our Year 7s, about how they have settled in and what they are enjoying so far this year.

We were also very proud to show so many potential new families around on our Open Mornings – in fact, it was our students who took charge of the tours so my congratulations to all of them, as we had a lot of positive feedback about what great ambassadors they are for Broadoak. We also had the privilege of welcoming educational ministers from Sri Lanka to the school and our Hospitality students undertook their first commission in preparing and serving a traditional afternoon tea – it was delicious and we were very proud of how professional and courteous our young people were.

One of the highlights of the calendar at the start of the academic year is the election of the Lead Prefects and this year the standard was incredibly high with speeches that were endearing, emotional, persuasive and exciting – all of those who stood for election were worthy indeed. In a wonderful display of student democracy and leadership, the outcome saw David, Natasha, Lottie and Lewis elected and what a team they make!

At the beginning of term we shared with the students the values Broadoak stood for and I think it is worth sharing them here as they underpin the decisions we make as a school and will be referred to often in the coming months and years.

These are values we will seek to apply across all members of the Broadoak community including the staff team here. For example, our professional development this term has focussed on what excellence is in terms of high academic standards and how we can

support young people to achieve them, it has focused on ensuring consistency with the use of Ready to Learn and it has also focused on developing the leadership skills of the team so that young people benefit from excellence in all areas of the school, driven by all of those responsible for it.

**Autumn  
Term 2018**

A guide to the extra-curricular opportunities  
 available for students at Broadoak Mathematics  
 and Computing College

The extra-curricular offer is wonderful again this year with a range of sporting opportunities on offer, (and some wins for our teams already!) as well as some new opportunities in the form of Rotary Club Public Speaking competitions and Latin club. There is even a keen Warhammer club and a prefect led Creative Club amongst many others. I would encourage you to get your son or daughter involved. Memories and friendships are made in these clubs and they give a rich, rounded school experience. In keeping with this, we are incredibly excited about seeing 'Back to the 80s' after half term – the students and staff team have been working hard rehearsing to make it a show to remember. There is even a rumour some of the teachers will turn up in 80s fancy dress so get your tickets soon!

We also took part in our first 'Show Racism The Red Card' day as we take a firm stance against any hate crime and wanted to loudly and proudly declare that Broadoak is for everyone in our community. It was really heartening to see so many students with their red cards and messages of anti-racism – it gives much hope for the future.

Our annual One World Week starts on November 5<sup>th</sup> with the theme of 'Remembering the Contributions of All' and will see a range of activities celebrating community, diversity and inclusion but with a special act of remembrance to mark the 100<sup>th</sup> anniversary of the end of the First World War.

This November I will personally be reflecting on one of my own ancestors, Sergeant Florence McGillicuddy, from Ireland but who emigrated to Australia, who delighted the Army recruiting officers by being 6 foot 4 inches and they said of him 'he'll need two horses to carry him – one for each leg.' He was awarded the Military Medal for personal bravery, determination and an unwavering spirit during one of battles in Ypres in the autumn of 1917. This will be one of many stories we share over the coming month to highlight the contributions of people from all countries and backgrounds in the First World War.

*I wish you all a restful half term and I look forward to welcoming students back on November 5<sup>th</sup> to an exciting, busy and full Christmas term.*

**Ms K McGillicuddy**  
**Headteacher**

## CELEBRATION ASSEMBLIES

This week we have been celebrating some of the fantastic achievements of Broadoak students this term.

### Year 11 Celebrations

11K have achieved a massive 761 achievement points whilst 11S have an average attendance of 96.49%. Charlie of 11K was selected by Ms McGillicuddy from our list of students who have 100% attendance.

### Year 10 Celebrations

10W have received the most achievement points, a massive 834! 10D have an average attendance of 96.7%. Olivia & Erin won the 100% Attendance prizes whilst Kinga & George won prizes for the most improved attendance.

### Year 9 Celebrations

Well done 9S with 97% attendance and 9B with a whopping 1356 achievement points. Shout out to our 'Good Eggs' chosen by tutors for going above and beyond - Hannah, Megan, Pru, Alan, Jamie, Mae, Elise and Rachel.

Miss Derewicz would also like to give a big Well Done to Larry in 9K and Louise in 9D for writing excellent medal essays on To Kill a Mockingbird.

## Year 8 Celebrations

Congratulations to 8D for being the tutor group with the highest number of achievement points in Y8 so far, and also to 8W who have the highest attendance for Term 1.

Certificates were handed out for those students who have achieved over 100 achievement points - *Well done!*

## Year 7 Celebrations

Congratulations to 7B who had the most achievement points in Year 7 for Term 1 and 7S who had the highest attendance.

Also well done to all the bronze certificate winners; students who have earned over 100 achievement points!

We had some brilliant calendars designed for the MFL Homework competition with the winners and runners up as:

French Calendar – 1<sup>st</sup> Dawid (7D)      2<sup>nd</sup> Evie (7W)      3<sup>rd</sup> Harrison (7W)

Spanish Calendar – 1<sup>st</sup> Adriana (7K)      2<sup>nd</sup> Amy (7S)      3<sup>rd</sup> Ethan (7B)

# CONNECTING CLASSROOMS

## Sri Lanka Education Ministers visit Broadoak

Broadoak Mathematics and Computing College was pleased to welcome two very special visitors on Tuesday 25th September – Sepala and Mahinda are government ministers from the Kegalle region of Sri Lanka, their visit to Broadoak is part of the Connecting Classrooms programme and to see how a British Secondary school works and in particular how we use Information Technology to support learning.

Connecting Classrooms is part of the Global Learning programme run by the British Council in partnership with the Department for International Development. Its aim is to support schools internationally to work together and learn about the big issues that shape our world.

Locking Primary school has been involved with this project for a number of years, paired with a school in Sri Lanka. Members of staff from both schools have visited each other and collaborate on embedding global themes into each school's curriculum. Teachers and Teaching Assistants are provided with training to support the programme and there is close collaboration between the schools helping young people play a part in achieving sustainable development.

The Ministers were given a tour of the college where they had the opportunity to see some learning in practice by visiting Maths and Science lessons. Following the tour they were treated to afternoon tea with our student leadership team. Tea was prepared and served by year 10 Hospitality students who baked a selection of cakes and scones.

*"It was an absolute delight to extend a warm welcome to our Sri Lankan guests and fascinating to discuss the differences in education, and indeed society, between England and Sri Lanka. Our Hospitality students proudly served wonderful refreshments while our Head Prefects were interested in the fact they do not have tuition fees at university! We look forward to forging links with a secondary school in Sri Lanka and developing our young people's sense of the world and all it has to offer."*

## INTRODUCING OUR NEW YEAR 11 PREFECT TEAM

We are delighted to introduce our new Student Leadership Team for 2018-19 made up of 22 Year 11 Prefects and our 4 Lead Prefects.

Head Boy David is a leading student both within PE and the Performing Arts whilst Natasha a Music and Drama student and academic all-rounder was selected to lead as Head Girl. Our Deputy Head Boy and Girl are Lewis, GCSE Music student and Lottie, dancer extraordinaire.

Prefects have taken an active role around the school supporting year 7 and 8 students at lunchtimes, arranging a reading support for younger students and developing presentations to share with year 7 tutor groups within tutor time. They have also attended a training day, which covered child protection, how to be an effective role model, supporting year 7 students with transition to secondary school, prefect duties, team-building exercises and allocation of roles within the prefect team. Students divided themselves into committees to lead the year group through preparation of the year book, organisation of leavers hoodies, raising money for charity and for the end of year prom celebrations. The prefect team were given a charter and a supporting booklet to allow them to document their development of leadership skills throughout the year in order to support them with preparation for college and work interviews.

All prefects were invited to apply for the Lead Prefect roles and those who applied delivered fantastic presentations to an audience of student tutor group representatives, staff and governors. These were then voted for and announced on our prefect training day in September. We are confident that these students will perform excellently in these roles, and in fact have already presented to prospective parents at our recent open evening.

***We wish them all the best in these leadership roles!***

## BROADOAK STUDENTS STEP UP TO THE REFORMED GCSES

Staff, students and governors at Broadoak Mathematics and Computing College are delighted with their 2018 GCSE results. In a year which has seen another major overhaul in GCSEs, the students, well supported by their families and carers, have worked hard to achieve great results that will set them up for their next steps in life.

The college is very pleased that the pass rate in both Maths and English has risen at 64% and 72% respectively. The college is equally delighted with the stunning results in Biology, Chemistry and Physics as well as in French and Textiles.

With the advent of the new 9-1 system, a number of students have achieved the highest award of a grade 9 with several achieving the majority of their GCSEs at this level – a phenomenal achievement which is not to be underestimated. Particular mention goes to Sam with a full suite of GCSEs at grades 8 and 9, Tim with five GCSEs at grade 9 and three grade 8s as well as Robin with four grade 9s! Maddie was thrilled with her three grade 9s especially in performing arts – she is a star of the future! Charlotte and Sean celebrated with an overwhelming number of grade 8s and 9s as well.

Ms McGillicuddy, Headteacher, on Results Day said *"Today is such a wonderful day for the students of Broadoak College and their families. There is much for us all to be proud of. All the hard work in class and revision at home has paid off and we have a lot to celebrate. There are so many joyous individual success stories and as a school we are seeing significant indicators of improvement. This is a great opportunity to thank all the parents, carers and supporters of the school but it is also a good time to*

*acknowledge the staff and governors too – we are all in this together to make sure the young people of Weston get the best. I am delighted for all our students and I do mean all – we are a truly comprehensive school and are proud of every single student. The smiles, hugs, congratulations and advice are all testament to the strong, inclusive and proud community Broadoak is. Good luck to our fantastic alumni – their colleges are very lucky indeed!"*

## SHOW RACISM THE RED CARD

Staff and students at Broadoak Mathematics and Computing College got involved with Wear Red Day a national event organised by Show Racism the Red Card. Staff scoured their wardrobes to wear red for the day to show support for this important anti-racism message. Students designed their own red cards and carried them in their blazer pockets to show their support.

Ms Gundry, Deputy Headteacher said *“Inclusion and community are core values for Broadoak and we are delighted to show support for Wear Red Day.”*

Black History Month lessons and assemblies have also supported the delivery of this crucial message that all at Broadoak stand up to racism and other forms of prejudicial behaviour.

## INTO UNIVERSITY OPPORTUNITY FOR YEAR 7s

60 year 7 students were randomly selected to take part in a series of workshops led by 'IntoUniversity'. IntoUniversity works in partnership with local schools and colleges, aiming to inspire and support young people to realise their full potential. The selected students participated in the Choosing Success workshops. During these interactive workshops, they spent time thinking about their own futures and set personal development targets that they can use in school.

If you were interested in finding out more about 'IntoUniversity', you can contact them on 01934 314238 or visit their base on Sandringham Road, BS23 3QN.

## REMEMBRANCE SUNDAY 2018

Remembrance Sunday this year has a particular significance as we mark 100 years since the end of World War 1. Many of us in the Weston community will be taking time to remember family members who sacrificed so much.

The Royal British Legion, local churches and communities will be opening their doors to invite people to join the commemorations. There will be a Remembrance Service in Grove Park on Sunday 11<sup>th</sup> November with the parade leaving the High Street around 10.15am.

Broad Oak students are proud to be joining in parades and services through the local Scouts, Guides, Army and Navy Cadets and Broad Oak will be represented at St. Nicholas' Church in Uphill with the laying of a wreath.

Students are encouraged to reflect on the contributions made during both world wars as well as the impact they have had on our lives today. We have a Remembrance display in the LRC with lots of interesting non-fiction and fiction books if your child would like to find out more.

***Mrs. Downes would like to hear from students taking part in Remembrance services so that we can share our experiences with the community.***

### Poppy Appeal 2018

We encourage students to wear a Remembrance Poppy during the week after Half Term to show their support.

Students can purchase a poppy, along with other Remembrance items, from Reception for a donation.

*"They shall grow not old, as we that are left grow old:  
Age shall not weary them, nor the years condemn.  
At the going down of the sun and in the morning  
We will remember them."*

*For the Fallen - Laurence Binyon*

## WELCOMING YEAR 6 PROSPECTIVE STUDENTS TO BROADOAK

Broad oak Mathematics and Computing College opened its doors for its annual Open Evening on Thursday 27<sup>th</sup> September to showcase all the best Broad oak has to offer.

Every faculty pulled out all the stops to make the evening as informative and enjoyable as possible. In Mathematics there were exciting puzzles and games, English had a time machine theme visiting literature through the ages, a poetry pedestal, story writing and some Dickens bah-humbugs!

Visitors got to taste samples of delicious food prepared by Food Technology students, play African drums, try to solve a 'Whodunit' in our drama studio and dress up for the fun photo booth in foreign languages. Science faculty is always popular with lots of different experiments to capture the imagination of our young guests, with fire bubbles, rockets and heart dissection. The talents of the students were on display with student pianists playing the grand piano throughout the evening.

Our Head Prefects, Natasha, David, Lottie and Lewis led the proceedings in the hall with a wonderful speech full of their personal reflections of the opportunities they have enjoyed at Broad oak and our Head Teacher Ms McGillycuddy delivered a speech highlighting the values on which Broad oak is based.

Visiting year 6 children and their families were greatly impressed by the professionalism presented and the outstanding quality of the teaching and learning on display.

*"We have set the school on an unashamedly ambitious pathway towards excellence and we were delighted that our students and our staff team demonstrated this tonight. We exist for the families of this community and, whilst Weston has great schools to choose from, we hope you will join us here and be part of our journey."*

## LITERACY EVENTS

### Broad Oak Book Giveaway

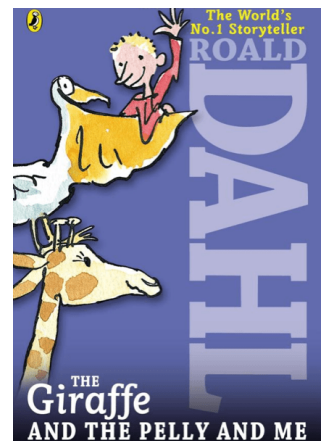

The Broad Oak Book Giveaway returns for a second year. At the end of November all students will have the wonderful opportunity to win a book. Throughout the week over one hundred books will be hidden around the school. They are wrapped in brown paper with the words 'Open me, keep me, read me' on them creating a real buzz around the college about reading.

### Roald Dahl Day

On the 13<sup>th</sup> September, Year 7 participated in celebrating Roald Dahl Day by completing a read-on of The Giraffe and the Pelly and Me. The whole year group enjoyed reading the entire novel in one day.

*"All you do is look  
At a page in this book  
Because that's where we'll always be,  
No book ever ends  
When it's full of your friends  
The Giraffe and the Pelly and me."*

### National Poetry Day

National Poetry Day was celebrated in style this year. The whole school participated in a poetry marathon throughout the day celebrating poems about this year's theme, Change. The students contributed an array of ideas in the Centre of Excellence on what change means to them.

## LRC NEWS

### Welcome to new Year 7s

All year 7 students have now completed their LRC inductions and have each been shown how they can get the most out of the fantastic college library which holds a massive collection of over 13,000 books!

Students are able to easily navigate the different genres to help pick a reading book which they will love. Reading for pleasure is a key focus of our work in the LRC. Each student has been issued with a Reading Passport which they will complete each time they finish a book. Please encourage your child to read as often as possible. We recommend that all students should read for at least 20 minutes every day. The best time to do this is just before bed as it will also help with relaxation, helping your child settle down for a good night's sleep.

### Year 7 Reading Challenge

In term 2 we will be running an inter-tutor group reading challenge. The aim is to encourage students to read more and build strong reading habits which will help them develop the skills to benefit their ongoing learning. The tutor group at which has ready the biggest pile of books by the end of term 2 will be crowned Year 7 Reading Champions and will receive a trophy and some chocolates to share.

### Scholastic Book Club

We would like to thank all parents who purchased books from this term's Scholastic Book Club. Our Scholastic book Clubs are a great way to promote reading, there are often books at discounted prices and all books are delivery to college free of charge and to top it all for every £1 in sales the college gets 25p to spend on books for our library. This terms Scholastic Book Club raised over £75 for new books for our library.

### Student Librarians

This year we have a record number of students volunteering to join our Student Librarian team and forms have now been sent home to all students who wish to participate. We look forward to welcoming our new recruits to our team!

## AFTER SCHOOL ACTIVITIES

### Homework Club

Homework Club runs every day 3-4pm for all students. Homework Club is a great way for students to get all their homework completed whilst the Student Support team on hand to help. Student Support work closely with students throughout the day and support in many different classes making them ideal helpers at homework club because they are often in the lessons when the homework is set and know the work very well.

Homework is posted on the Show My Home system and both members of our LRC staff are trained to support students to use Show My Homework and help students with any logging-in problems.

Homework is a very important part of your child's education, it helps embed classroom learning, extend knowledge, develop research skills and builds good habits for preparing for exams, please encourage your child to complete their homework on time; by attending Homework Club your child will be able to do this and still have lots of free time to relax and enjoy their own time away from college.

### Broadoak Extra

## BROADOAK

**Drama** Athletics Duke of Edinburgh  
**Choir** Orchestra Colouring Club  
Lego Club **Football** Dance Club  
**Netball** Cheer-Leading Club  
**Sewing Bee** Rugby **Hockey**  
Band **Futsal** African Drum Circle  
Sign Language **Film** Club Breakers  
**EXTRA** Junior Choir  
Coding Club

A guide to the extra-curricular opportunities available for students at Broadoak Mathematics and Computing College

There are lots of Extra-Curricular activities offered at Broadoak at lunchtimes and after school each day.

Perhaps the students would like to try out Science Club, audition for the next school production, make new friends at a book club or enjoy a new sport...

*"When I was a teenager, I began to settle into school because I'd discovered the extracurricular activities that interested me: music and theatre."* – Morgan Freeman, Actor

Students can pick up a copy of the Broadoak Extra leaflet from the Main Office to find out about all of the opportunities offered at Broadoak.

## BROADOAK SPORTS UPDATE OCTOBER 2018

### North Somerset Rugby Festival

Broadoak Year 8 Rugby team recently competed in the first of their North Somerset Rugby Festivals. They showed that the team has made real progress over the last year and put in some fine performances against some other very strong teams.

They began with a convincing win against Sidcot and a close run victory against Hans Price. Against two very strong teams in Priory and Worle, the boys competed well and played some encouraging rugby eventually succumbing to defeat. Top try scorers went to Haydn, Mitch and Rohan with two apiece. We showed that we are a very competitive team and can give anyone a game on our day and we are looking forward to the next festival.

### Year 8 Rugby V Hans Price

On Tuesday 23rd October the Year 8 team played Hans Price Academy. The first half was a very even affair with some extremely competitive rugby played. The defensive display which included some excellent tackling and defending of our 22 allowed the team to go in at half time with a narrow lead. In the second half the boys used the ball well and showed real strength to extend their lead running out comfortable 30 - 5 winners. Top try scorer went to Haydn who ran in 4 tries.

### Gymnastic Gold Medals for Archie

Congratulations to Archie and his partner who won two acrobatic gymnastic gold medals within two weeks; the first on 30<sup>th</sup> September in Honiton and then again at Yate International Leisure Centre on Saturday 13<sup>th</sup> October.

Teams from all over the South West of England as well as England and West Yorkshire were all competing so Archie did extremely well. He is truly amazing and his routine needs to be seen to be believed! Well done Archie!

### Netball and Hockey

Netball and hockey season began in the second week back after the holidays. Ms Ashby and Mrs George have been very impressed with both the commitment and the engagement by all of the girls who have been attending practice on a weekly basis, an average of 65 girls! Special thanks also go to Lottie who has been helping to coach Year 7 netball on a Tuesday.

Our fixtures started last week against Sidcot and we were thrilled with the following results;

#### Netball:

7A team - drew 2-2  
7B team - won 2-1  
8's - won 12-6  
9's - lost 4-1

#### Hockey:

Year 10/11 - drew 2-2

All of the girls who travelled to Sidcot were excellent ambassadors for the school and we look forward to a similar result against Hans Price and then Nailsea after half term!

## PERFORMING ARTS

### Coming Soon on the Broadoak Stage!

#### Back to the 80's – 21<sup>st</sup> & 22<sup>nd</sup> November 2018

Students have been working extremely hard in preparations for our next whole school musical - Back to the 80's.

Fancy a journey back in time to when rock stars had big hair, fluorescent leg warmers were the in thing and rock stars rocked?

Back to the 80's is being performed on the 21<sup>st</sup> and 22<sup>nd</sup> November, tickets are available now from Reception and via parentpay.

Adults are £5 and concessions £3.

The Broadoak Theatre Company  
Presents.....

#### Christmas Carol Concert

Join us for our Broadoak Christmas Carol concert on Monday 17<sup>th</sup> December 2018.

The Christmas Carol Concert is a wonderful way to end the term and a brilliant opportunity for students to perform in the community.

Donations to Weston-super-Mare Foodbank are gratefully received at the event.

#### Music Lessons at Broadoak

The music department offers a range of orchestral and contemporary instrumental and vocal tuition sourced through local music services. Lesson prices start from as little as £6.50 per 30 minute lesson and there is a selection of string, woodwind, brass orchestral instruments available to borrow free of charge.

If you are interested in instrumental/vocal tuition please email Mrs Aves [nja@broadoakcollege.org.uk](mailto:nja@broadoakcollege.org.uk) for more information.

# ATTENDANCE

## Student Drop-Offs and Parking

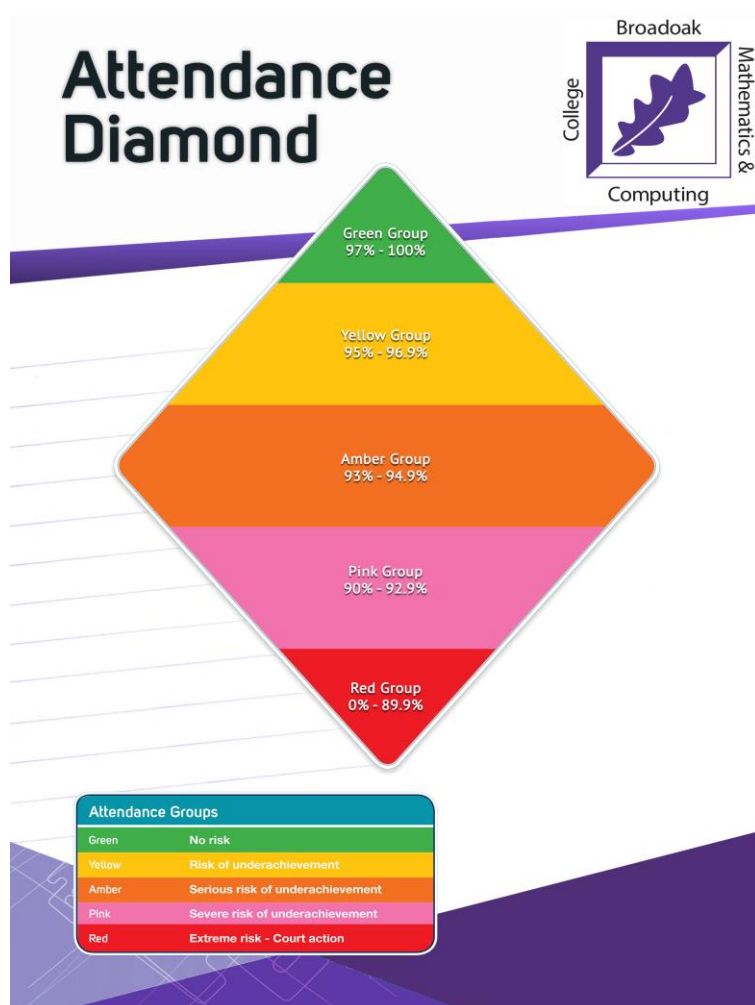

We have had some concerns raised by local residents and parents here about road safety issues in relation to our students being dropped off and collected from the school. Can we please ask parents and carers to not park on the yellow zig-zags outside the school or block residents' driveways in any way, and to be considerate of other road users at the start and end of the school day.

We very much appreciate your cooperation with this matter, and in ensuring the safety of our school members and local community.

## Attendance Matters

We wish to work in partnership with parents and carers and so are seeking your full support in ensuring that your child attends every day and on time. We are always pleased to work together with parents/carers in resolving any difficulties but we are also committed to improving attendance levels.

The target attendance figure for all pupils is a **minimum of 97%** attendance. Based on current attendance figures your child will be placed in one of the following groups below. Your child will be informed of their Attendance Group.

Did you know that **90%** attendance = **½ day missed** every week!! That is a lot of learning missed!

It is never too late – **Attend EVERY DAY and be in TEAM GREEN**

Every week your child's Tutor will tell your child their attendance colour. Each week your child will be able to look at the display and see if their attendance has improved, **A GREEN** arrow will tell him/ her that they are improving.

Good and improving attendance will be acknowledged and rewarded, and this could be in the form of a postcard home, a telephone call, a certificate, a badge or entry into a prize draw.

Regular attendance is a legal requirement, but it is also vital for students to maximise their learning and achieve full potential here at Broadoak. There are a number of important steps that you can take to ensure your child maintains a high level of attendance:

- Ensure your child attends every day, on time, equipped and ready to learn. Lesson time begins at 8.45am.
- Ensure the school has up to date contact details. We will contact you by text, email, via schoolcomms or by telephone if your child is absent and you have not contacted us by 9.30am. This ensures that truancy is quickly identified.
- If your child is ill, contact us via the absence line or Schoolcomms. Please make sure you advise us every day your child is absent.
- If no contact is received regarding the absence, it will be recorded as unauthorised. Ultimately we are responsible for deciding if the absence is acceptable or not. Only genuine absence will be authorised. You may be asked to provide medical evidence if your child has a poor attendance record.
- Ensure that all medical/dental appointments are made outside of academy time.
- Avoid trivial absence such as, 'buying new shoes'. This would not be accepted as a reasonable absence.
- Holidays should not be taken in term time. Holidays will not be authorised and may incur a fine.
- Contact your child's Tutor or Year Leader if you are experiencing difficulty in getting your child into College.

We expect students to attend **everyday on time**. The **minimum** percentage we expect is **97% attendance** – this means missing no more than **5 DAYS IN THE YEAR**

Thank you for working with us in order to achieve the highest possible level of attendance and punctuality for your child.

## School Matters!

## DATES FOR THE DIARY

### 2018/19 Parents' Evenings

Wednesday 7th November 2018	Y9 Parents' Evening
Wednesday 9th January 2019	Y11 Parents' Evening

# The 'Broadoak Association' Needs You!

Would you like to be more involved with your child's school by helping out at events? You'll see people you know from the community and meet new parents, get to speak with staff and work alongside some of the students.

The **Broadoak Association** provides support to the school by:

- ☐ Being a link between students, staff, parents and the community
- ☐ Providing refreshments at parents' evenings and other events
- ☐ Fundraising

We have dates of events when we will be providing refreshments, and would welcome help. It really is an enjoyable couple of hours!!

If you can help please ring/text parent Sally-Ann Spurling on 07568370014 or leave a message with Jackie Vernon at reception or complete slip below and give to reception or the refreshment stall at the parent evening.

Thank you!

I / we are interested in the Broadoak Association by:

*(Tick any you are interested in)*

- ☐ Keeping me/us informed
- ☐ Helping serve refreshments
- ☐ Organising fundraising
- ☐ Being part of the group

Any ideas?.....

Name .....

What year/s is your child in?.....
