

Chapel End Infant School

&

Early Years Centre

Caring, sharing and trying our best

Candidate Information

Chapel End Infant School & Early Years Centre

The children, staff, parents and governors of Chapel End Infant School and Early Years Centre are looking for an enthusiastic and committed teacher to join our school. This is an opportunity to work in a successful and exciting three form entry infant school and early years centre of which the whole community is very proud. The position is suitable for a newly qualified or established teacher.

About us...

Chapel End Infant School and Early Years Centre is situated in the London Borough of Waltham Forest and we share a site with the neighbouring Junior School. We pride ourselves on being an inclusive school, which sits at the heart of the community we serve. We have a great deal to offer, not least our rich and creative curriculum which is enhanced and extended by our out of school hours provision and family learning opportunities. Chapel End is always a busy and stimulating place to be.

Our children come from a variety of backgrounds and some of them face challenges in their lives. Despite this, they thrive and have fun at Chapel End. We are determined that all learners are included and together we achieve great things. Very close relationships develop between staff, pupils and their families resulting in children who make fantastic progress and achieve well.

The professional development of our team is high on our agenda and staff enjoy productive partnerships with parents, governors, other schools, and the local community. We have a supportive staff team who work together very well.

Our recent Ofsted report (June 2017- Good) states:

The leadership team has maintained the good quality of education in the school since the previous inspection. You have stabilised leadership and have established a strong learning atmosphere that provides pupils with an oasis of calm. As a result, pupils are positive about learning and enjoy helping each other in class.

There is a clear sense of teamwork among all members of staff. Together, you are focused on continuing to improve the learning of every pupil and have clear plans to make the school even better. Members of staff say that they feel well supported by leaders and they are proud to work at this school. Effective use is made of the attractive and well-resourced classrooms, both indoors and outside, to make learning interesting.
