Dear Applicant

EXECUTIVE HEAD TEACHER POST – SQUIRES LANE LEARNING FEDERATION APRIL 2018

Thank you for your interest in applying for the position of Executive Head Teacher of the Squires Lane Learning Federation.

The federation of Manorside and Tudor Primary Schools in Summer 2015 was the beginning of a project to combine the strengths of two unique schools in our community. Our current Executive Head Teacher is leaving post for a fresh challenge, but leaves the federation in the hands of well-established SLTs and a Governing Body committed to continuing the development of excellence and success in both schools which has been recognised by Ofsted.

We are looking for an inspirational head teacher who will bring enthusiasm and energy to the role. The successful candidate will have the strategic vision and drive to lead the Squires Lane Learning Federation to fresh goals and growth, ensuring that every child reaches their full potential.

Our talented staff at Manorside and Tudor are at the heart of the Federation's success and the successful candidate will be expected to commit to their continued professional development, sharing best practice and leading with the use of innovative evidence based methods to deliver a wide and varied curriculum.

Our schools provide the children with a safe and caring environment that enables them to find their talents academically, in music, drama and sport and to develop an understanding of their place and value in the wider community. The nurturing and inclusive ethos across both schools drives a sense of belonging that lasts far beyond the school gates.

School is about enrichment, fun and happiness and the children, staff, parents and carers are engaged and active in celebrating our rich and diverse community.

Please come and visit us – we think you will like what you see!

Yours faithfully

David Fox
Chair to the Governing Body
