Interim Head teacher: Mr P J Agnew BA (Hons), NPQH

HEAD OF SCIENCE
FULL TIME (MPS / UPS) + TLR1a (£10,064)
Required for September 2018

The Governors are seeking to appoint a well-qualified and enthusiastic teacher of Science to lead a department that is highly innovative and makes a significant contribution to whole school performance.

The successful applicant will be expected to teach across the 11-16 age range and to a wide spectrum of ability. There are 6 full time scientists in the faculty and a suite of modern laboratories. We are looking for someone with proven leadership experience, with a well-developed philosophy of how to build a team dedicated to the highest standards of teaching.

This is a highly exciting time to be joining the school, since we are about to start a new chapter in our history, under the leadership of Andrew Brant, our new headteacher. If you have the vision to drive up standards, a zest for working with a fantastic team to transform the lives of our wonderful students, then this is the post for you. Your scientific specialism is immaterial; rather, what we are looking for is someone with the talent to make the complex simple and inject a sense of fun and wonder into every lesson, while at the same time inspiring your team.

Candidates are welcome to visit us before submitting an application. Please contact Mrs Julie Maclean, Headteacher's PA on 01978 340840 to arrange a visit.
