Dear Candidate,

I am delighted that you are considering developing your career at Deptford Green School. This is a vibrant 11 – 16 community comprehensive school dedicated to delivering an outstanding education to local children.

Deptford Green has all the characteristics of an inner city comprehensive school; it is a very mixed community with young people from a very wide variety of ethnic, cultural and social backgrounds, but what distinguishes it as special is the strong sense of a cohesive community that exists within the school; positive relationships are a part of our daily lives.

As headteacher of this school I am committed to the professional development and wellbeing of everyone who works here. Our enthusiastic and hardworking staff are firmly collaborative in the way they work.

The science team have worked successfully over recent years to improve outcomes for students and are well set to be a part of the school's ambition to be judged as outstanding

I look forward to receiving your application. If you would like to speak to me or visit the school before submitting an application, please contact Gemma Courtney via email (recruitment@deptfordgreen.lewisham.sch.uk) to arrange an appointment.

Yours sincerely,

Mark Phillips

Headteacher
