Equal Opportunities

Surbiton High School is a member of the United Church Schools Trust, Charity Number 1016538 and is an equal opportunity employer. We expect all employees to act in a manner which is consistent with the Trust's principal objective: to provide education based on Christian principles. While we recognise that employees may come from other faith groups (as indeed do many of our pupils), we expect everyone in our community to conduct themselves appropriately in the light of this objective. As a School we, in turn, respect the different faiths of our colleagues and pupils, and welcome them and their contribution.

In Surbiton High School, male colleagues and those from ethnic minorities are under-represented among our staff; we would therefore wish to encourage them to apply. However, the aim of the selection process is to appoint the best possible candidate, and gender and ethnicity are not criteria for selection.

Eligibility for Employment

Surbiton High School is committed to safeguarding and promoting the welfare of children and young people and expects all who work at the School to share this commitment. Successful applicants will be subject to an Enhanced Disclosure from the Disclosure and Barring Service (DBS). Any offer of employment is thus conditional on clearance from the above, on the receipt of: two satisfactory references, a satisfactory medical questionnaire, proof of qualifications, overseas checks where applicable, and on proof of right to reside and work in the UK.

Choice of Referees

We wish to have someone who can write knowledgeably about your abilities to perform professionally in a position similar to this one. We also need to have the most recent possible references. Your referees should therefore normally include your current – or most recent – employer. If you are unable to supply referees who fit into the above categories, please explain this in your application. We shall carry out such further reference checks as are necessary to ensure the safety and welfare of children. Please provide professional, rather than home addresses for your referees, and supply email addresses in all cases.

United Learning

United Learning is a unique group of independent and state schools working together to achieve the best in everyone. Our vision is to provide excellent education so that all young people are able to make a success of their lives and, if we are to realise this vision, we need to make sure we attract, develop and reward the key ingredient – you.
