**KNIGHTS
ACADEMY**

LEAD PRACTITIONER ENGLISH

Knights Academy is looking for an outstanding classroom practitioner who can inspire pupils and staff in achieving the ambitious goals the department, and academy, has for itself. You will not only be successful in modelling best practice within the teaching of English, but will also have experience of developing and leading others in aspects of their own classroom practice in order to secure positive pupil outcomes.

For the right candidate, there will also be an opportunity to contribute to the wider development of the teaching of English across the Federation through the strategic and collaborative work that is currently led by the Federation's Curriculum Directors for English.

Whichever stage of development you are at in your career, we have an outstanding professional development programme available alongside opportunities for internal promotion throughout the Federation.

Haberdashers' Aske's Knights Academy is a vibrant school community with a relentless focus on high expectations and aspirations. We are a 3-18 school in one of England's leading hard Federations, with a commitment to recruit talented individuals who share our vision to be the provider of exceptional education for all our children. If you are passionate about providing young people with a safe, supportive environment in which to ensure their success, we want to hear from you
