October 2017

Dear Sir or Madam

Re: Head of Design and Technology

Thank you for your interest in the post of Head of Design and Technology Faculty. At this exciting time for the school, we are looking for an exceptional and highly inspirational professional with vision, passion and enthusiasm to join our thriving school community, to have a significant impact on raising standards to secure school improvement.

Westleigh High School is a family-size comprehensive, with around 860 students and a year-on-year increasing roll which will see the school grow to 1050 by 2020 due to the demand for first choice preference places at the school.

The culture and ethos of the school is underpinned by our motto, 'Aspiring & Achieving Together' – we have an explicit focus on consistently high quality teaching and learning and a relentless drive to securing school improvement. We pride ourselves on the personalised care and support that we provide for our students, the challenge and academic rigour with which we instil high aspirations and the excellent relationships which pervade and lie at the heart of our school community;

"The new leadership team's plans to improve the school are clearly thought out, sharp and robust. Leaders demonstrate clear capacity to take the school forward."

"There are strong relationships between pupils and staff. Most pupils want to do well for themselves and their teachers. A renewed approach to teaching, learning and assessment provides a strong foundation for pupils to 'Aspire and Achieve Together.'

"The Headteacher is relentless in his drive to ensure that only the best standards of behaviour are acceptable in the school." **Ofsted – December 2016**

For additional information about the school, please visit our website or alternatively, if you wish to see the school in action, please contact my PA, Mrs P Lennon at the school to arrange a visit.

If you feel you have the necessary skills to join us at this exciting time, I look forward to receiving your application by 12 noon on Wednesday 18 October 2017

Yours sincerely

C Bramwell
