Teacher of Science**

Oaklands Catholic School and  
Sixth Form College

Information for Applicants

## Information for Teacher of Science

Dear Colleague

**Teacher of Science (any specialism considered)  
From January or Easter 2018**

**(the ability to deliver KS5 would be an advantage)  
Salary: depending on experience  
TLR/ Recruitment and Retention available for suitable candidate**

Thank you for your interest in the advertised post for a Teacher of Science at Oaklands School. Please find enclosed your Application Form and Information Pack issued by the Governors regarding the post. The Governors are ideally looking for a Scientist with a Biology specialism, but also one who is able to deliver up to KS5.

In this pack I have tried to ensure that you know something about Oaklands and our Science Department, whilst at the same time making clear that the governors are looking for an **outstanding Science teacher** who can demonstrate **exceptional classroom practice**. The fact that you have shown an interest and downloaded or requested a copy of this pack suggests you are already a teacher who can effectively demonstrate, in the classroom, practice that **reflects contemporary and traditional thinking** in the teaching and learning of Science.

Towards the end of this the pack, you will find the application information necessary to complete the Application form. If you are a Catholic you will understand the distinctiveness of Catholic schools such as Oaklands and this will be attractive to you. **You do not have to be a Catholic to work at Oaklands;** the Governors welcome applications from candidates of differing faith backgrounds or none who can be supportive of the school ethos.

Science is one of the lead subjects in the school. All students either take double or triple science at GCSE. At A level the department offers Biology, Physics and Chemistry. Students from Oaklands regularly go on to study science at degree level. The science department is situated in its own block. The facilities were updated in 2013.

Staff are committed to being at the leading edge of teaching and learning providing a first class experience for Oaklands students. For staff, a friendly and supportive environment helps ensure that classroom activities are of the highest quality Teaching is informed by a strong culture founded on the knowledge of the student.

**In addition to leading the delivery of Science, the successful candidate must have relevant and up-to-date knowledge in relation to working with and protecting children and young people. All staff at Oaklands are expected to display a commitment to the protection and safeguarding of children and young people.**

The school reserves the right to appoint the suitable candidate at any point in the process.

## Information for Teacher of Science

I hope this information is useful. However, if there is any further way in which I can be of assistance, please do not hesitate to contact me at the school.

May I remind you of the following dates:

Closing Date for Applications	<b>Monday 30 October 2017, 12.00 noon</b>
Proposed Interview Date Week Commencing	<b>Monday 6 November 2017</b>

We look forward to receiving your application for this important appointment.

Yours sincerely

Mr Matthew Quinn  
**Headteacher**

## Our Journey

Oaklands is a Catholic Academy taking in boys and girls from 11-18, which has been established by the Diocese of Portsmouth for the education of Catholic children who live within the designated parish catchment area allocated to the school. In addition, Oaklands also takes in a number of children from other Christian denominations whose parents have specifically requested a catholic education at the School, provided that they satisfy the criteria laid down in the Governors' Admissions Policy.

Oaklands has over 1,400 students on roll, including a Sixth Form College of 250 students. It is a well-established comprehensive school, which is well supported by parents and highly respected in the community. Oaklands offers a full range of GCSE, AS and A2 Level courses. Students at all levels are provided with challenge and support as appropriate. The school's success is rooted in a strong academic tradition.

The school is part of a soft federation; working closely with other local schools this provides an opportunity to share expertise and resources. In 2012 we became a strategic partner in the Solent SCITT increasing our capacity for the training and development of new teachers. This year we have also become a strategic partner in a Catholic teaching school.

The school will provide you with significant opportunities to help you develop your career so that you can eventually move on and up from the role of subject teacher.

We are on an exciting and imaginative journey; creativity is the heart of the school's approach, resulting in innovative approaches to:

- teaching and learning – encouraging questioning, reflection and challenge
- literacy and numeracy – using all subjects to develop these core skills
- curriculum design – establishing a common approach to assessment
- use of data – supporting individual progress and personalising learning
- growing school of leaders – developing leadership at all levels
- School improvement – empowering staff to take responsibility for areas of change

The school stands within attractive and extensive grounds including woodlands and playing fields. Well-equipped specialist facilities are provided for all areas of the curriculum. In recent years the school has undergone a major expansion to provide an extra suite of RE classrooms, an additional Drama area, Health Suite, Sixth Form College block, Music Block and specialist accommodation designed to accommodate History, Geography and Learning Support. Most recently the Science and Mathematics areas have undergone major refurbishment.

The Chapel is a focal point the school's spiritual life. Oaklands is also fortunate enough to have a part-time Chaplain.

## **Information for Teacher of Science**

**The aims of the school emphasise the importance of each student as an individual and the need to focus on and promote the spiritual, moral, intellectual, physical, social, personal and cultural development of each person entrusted to our care.** To this end, the community endeavour to create a Christ centred learning community whose primary aim is to ignite a passion for faith and learning. At Oaklands we recognise that students have special and different gifts, we aim to develop them in a climate where they can be shared and personal achievement can be maximised, where difference is not just tolerated but celebrated. Students need to work within an environment where they can develop their unique God given gifts and feel lovable, loved, capable and valued members of the community. This occurs within a warm and caring safe and open environment in which all children can grow in confidence and trust, and achieve their true all round potential.

The school also recognises its responsibility to foster a Christian atmosphere, to equip the young students in its care to face the adult world with confidence and to play a responsible part in a society which is rapidly changing and holds a variety of different standards. This confidence is shaped through a deep understanding of the relationship between faith and culture. Students are encouraged to further their faith journey. To this end Religious Education, Form and Year Assemblies, Year Masses and Liturgical services, Full School Masses, Residential Experiences, and Community Service are all important aspects in the life of the school.

At Oaklands extra-curricular activities are an essential part of a young person's development and all students are encouraged to profit from the wide range of activities on offer. Whatever their talents and abilities there are opportunities to succeed.

The successful pastoral system at Oaklands is built on the strong partnership between the school, home and parish enabling each student to flourish. We believe that parents have a key role to play in the education of their child. The Year Head and Form Tutors, through the pastoral curriculum at Oaklands, emphasise with students the importance of self-discipline and responsibility and also the importance of care, concern and respect for each other at all times. Close parental links with the tutor and Head of Year are an essential ingredient of our success as a school.

**October 2017**

## **What we think you might want to know about working in our Science department**

### **10 reasons why we think you might want this role at Oaklands**

1. Your teaching has already had a positive impact on students at KS3 and KS4 as an NQT or an experienced teacher
2. You believe in working with a comprehensive mix of children to give them the best possible chance of success in life and are excited by the chance to work with an experienced team
3. You are attracted to working in a school that can provide opportunities up to KS5.
4. You value young people and see them as unique, precious and unrepeatable.
5. You can see the value of a close professional dialogue with colleagues can challenge and support you
6. You like the idea of talking with colleagues about teaching and learning.
7. You are motivated by the thought of being a member of a team that delivers some of the best results in Hampshire.
8. You know that you are good at building lasting professional relationships with students and understand that this is part of the foundation for successful learning.
9. You are excited by the chance to work collaboratively with other colleagues in other departments.
10. You want to use this position as a stepping stone to career advancement.

### **4 reasons why you might not want to come and work for us (please look at the very last section)**

1. The match of your skills and experiences to our needs is not a good fit
2. You are anxious about coming into a Catholic school (don't be)
3. You have not taught Sixth form before.
4. You feel you might not be ready to work in a high performing department

## **Application Information**

### **TERMS AND CONDITIONS**

All teaching staff are bound by the terms and conditions of the school teachers pay and conditions document issued by the DfE and reviewed annually. The Governors, as employer issue you with a Catholic Educational Service (CES) contract this is downloadable from the CES and school websites.

Position Offered: Science Teacher

Scale: Main Scale dependent on experience TLR/ R&R on offer

Commitment: Permanent, Full Time

Commencement: January or Easter 2018

### **APPLICATION PROCESS**

You are asked to complete and include the following:

1. Application Form
2. Curriculum Vitae
3. Application statement (page 10 of the form) stating why you want to work at Oaklands.

**Application received without a CES Application Form will not be considered for the post.**

**Completed applications should be returned to: Mrs S Mann, PA to the Headteacher, either by post or via email [s.mann@oaklandscatholicschool.org](mailto:s.mann@oaklandscatholicschool.org)**

### **PROCEDURE FOR OBTAINING REFERENCES**

**The candidate application form asks for three references. Normally one of these referees should be your current or most recent employer. Please see the details in the application form. We reserve the right to take up references with your previous employer.**

In addition to asking your referee questions related to your suitability for the position we will make enquires in to the following

1. Disciplinary procedures in relation to allegations of inappropriate conduct with children, including any in which the penalty is 'time expired' (that is where a warning could no longer be taken into account in any new disciplinary hearing for example)
2. Whether the applicant has been the subject of any safeguarding concerns
3. The outcome of any enquiry or disciplinary procedure

## **Information for Teacher of Science**

If the candidate is not currently working with children but has done so in the past, his or her previous employer with children will be asked about those issues.

In accordance with safeguarding guidance the school will not consider 'Open references' from a candidate.

### **INTERVIEW PROCEDURE**

If a candidate is selected for interview the procedure will test how the candidate fulfils the requirement of the post. The selection process will include a consideration of the suitability to work with children and young people.

The activities at interview will include:

- Teaching a lesson on a given subject
- Panel interview with staff

The school may also use a student interview panel; this will be observed by a senior member of staff.

During the interview day candidates will have a tour of the school, an opportunity to meet key personnel and an opportunity to talk to students, these events are organised so that candidates can form a judgment of the school, they will not be part of the interview assessment.

### **SCHOOL INFORMATION**

Specific school related information is available on our website.

Whole school reasonability TLR 3	N/A	
Head of Year	N/A	
Year Heads Assistant	N/A	

### 5.02 Specific TLR responsibilities

**Date: September 2017**

**Signed:**

## **Final Footnote.....**

### **What about those reasons why this role might not be for you!**

- **The match of your skills and experiences to our needs is not a good fit**

Come and visit us, read the pack, phone Matthew Quinn and find out if the match is better than you think

- **You are anxious about coming into a Catholic school**

Again, come and visit us, experience our community and talk to staff about their experience. The majority of staff at Oaklands are not Catholic

- **You have not taught Sixth Form before**

If you are not ready for this then we still want to hear from you. Most of our best staff had no Sixth Form experience before coming to Oaklands; with training and development, over time they gained the experience

- **You feel you might not be ready to work in a high performing department**

If you are still reading, then you probably are.
