Application Pack

May 2018

Welcome from the CEO

Dear Applicant,

Thank you for taking an interest in this post at Shelley College. I hope the materials enclosed in this pack give you a good sense of what makes the school a special place to work and provides the information you need about the post. Please do not hesitate to contact us if you need anything further (or would like to visit before writing your application).

Our belief in “Valuing People, Supporting Personal Best” means we are committed to investing in our staff, to help them be happy at work, to provide the support they need to achieve the highest standards they are capable of and to offer the training or guidance they need to undertake their jobs effectively. For example, everybody is encouraged to use a personal development plan, to set their own objectives and to take responsibility for their own improvement priorities. We define effective leadership as “helping others to achieve their best” and that is what your line manager will try to do for you.

We enjoy many advantages at Shelley College. As a National Support School and National Teaching School, we are at the centre of a network that aims to provide the very best professional and career development opportunities. We are also at the centre of an emerging academy chain of secondary and primary schools that share our values and want the very best for their students and staff. Whatever your role or whatever your career plans, we can help you achieve them. Added to that, we possibly have the best rural location of any secondary school in the country, close enough to the cities of Leeds, Manchester and Sheffield for many of our staff to travel from these areas. Our staff are friendly and supportive of each other and there is a strong sense of a committed team working together.

Our students, of course, are at the heart of what we do and it is essential, whatever position you are applying for, that you relate well to children and young people. The students at Shelley College are a pleasure to work with; they are keen to learn, talented and very well-behaved, far from the negative views that can often be expressed in the press about teenagers!

It is important to read the information provided carefully. We want you to be happy in the role you are applying for and committed to performing the job to the best of your ability.

I very much hope you are encouraged to apply for the position and look forward to meeting you soon.

Yours faithfully,

John McNally
Principal

Information about Shelley College

Shelley College is a 13-18 year mixed comprehensive academy having converted in 2011. Our fundamental beliefs about education are summarized in our mission statement of "Valuing People, Supporting Personal Best". The first part of this statement illustrates our desire to help young people be happy and confident at school and beyond. We think this in turn gives them the best chance of being successful in achieving their goals and ambitions. The second part of our mission statement recognises that we all have different strengths and can only try our best. This is not an easy option; asking young people to always try their best in everything they do is very ambitious and we do all we can to help everybody to reach their full potential.

Parents tell us that they value a school where their child feels happy, valued, known as an individual and supported to do their best. We try our utmost to deliver these aims. We have a commitment to achieving our guiding values, our five 'C's':

| | |
|---------------|---|
| Consideration | -We treat everybody as we would wish to be treated |
| Communication | -We listen, explain and check understanding |
| Collaboration | -We help people work together effectively |
| Celebration | -We build confidence by recognising contributions and efforts |
| Commitment | -We keep trying until we have given our absolute best. |

These values underpin our behaviour policy, which we call "Commitment to Learning", which places an emphasis on rewarding all our students for trying their best or exceeding expectations. We frequently celebrate students' successes and we set great store by trying to work together with parents, to achieve the best outcomes we can for their child.

This approach, together with a rich curriculum, has brought our students considerable success. They perform very strongly in public examinations, compete at a very high standard in a wide variety of

sports, perform at the highest levels of dance, Humanities and music, contribute to a wide variety of charitable causes and support numerous community causes. We do not subscribe to the negative manner in which many young people are often portrayed because we see evidence of a superb attitude, hard work and commitment on a daily basis. We are very proud of the young people who attend our college.

Our sixth form is increasingly becoming the first choice destination for students from a number of high schools as well as our own. We offer a distinctive choice; being a relatively small post-16 institution we can offer a level of personal attention that is difficult to match elsewhere. This personal touch extends to teaching, where our small class sizes allow teachers to offer individual guidance and to our pastoral support, which enables our staff to know each student well and help at whatever level is needed. Again, this standard is reflected in our rapidly improving results, with recent outcomes consistently placing us in the top 10% of all post-16 institutions nationally. Again, there are wealth of curriculum options available and a warm, friendly and happy atmosphere balanced with a determination to help everybody achieve their personal goals.

The same beliefs apply equally to our staff. We believe in investing in our staff, to help them become the best they can be. We want our employees feel valued, happy in their work and keen to achieve their personal best. Our staff are friendly, hard-working and a great team. If you are thinking of joining us, I hope this encourages you to find out more and apply.

Awards can only ever tell part of the story about a school but we are proud of number of whole-school achievements and our strong performance in statistical tables. We were delighted to be recognised as 'Outstanding' by OFSTED and the Department for Education has awarded us 'National Teaching School' and 'National Support School' status. We are equally proud of our other awards, such Investors in People Gold and our PE Quality Mark.
