# WELCOME TO THE SHARED LEARNING TRUST

Cathy Barr

Firstly, let me start by thanking you for taking the time to read our information pack and allowing us the opportunity to tell you more about The Shared Learning Trust.

I first began working for The Shared Learning Trust, as Principal of The Stockwood Park Academy or South Academy as previously known in 2009. Since then, the trust has grown from strength to strength employing some 500 fantastic staff members who serve over 3,500 children within our communities. It is my privilege to be CEO of our family of schools and work with each Principal or Head of School to ensure the best possible education in their own Academy.

Our ethos is simple, to build a collaborative partnership of academies and schools that will provide exceptional educational provision, both in and outside the classroom for all our children. Our academies ensure students are supported, monitored and encouraged to pursue their aspirations through a wide range of enrichment activities and initiatives. The experience will be challenging, rewarding and memorable. Students enjoy their time at our academies and also give back to the wider local community. They are role models and young leaders, who contribute to the collegiate ethos with maturity.

*- 'We recruit people for attitude and train for skills'*

We aim to recruit outstanding people who have the right attitude. If you have a love for teaching and are passionate about seeing children succeed, we would love to hear from you!

Recruiting the right teachers and staff help us to achieve the goals we set for our children. We are always keen to hear from educators who are passionate about working for the schools and communities we serve. We would rather make no appointment than appoint someone who does not share the same positive ethos that runs through our Academies. For this reason, we try to articulate clearly our vision, values and expectations when putting together information for applicants.

**We aim to recruit staff who:**

- are excited by their role and by the prospect of working with young people, even those who are less well motivated;
- love the processes of learning and teaching and are keen to continually develop their own skills;
- recognise that teaching can be a demanding job but react positively to those demands rather than complaining;
- will subscribe to the ethos of the Trust and 'go the extra mile' in terms of time and commitment to get the very best from our young people;
- see break duty as an opportunity to talk to children;
- are quick to praise and slow to criticise; and are not afraid to admit to seeing themselves as potential leaders of the future.

I am conscious that this may be your first contact with our Academy Trust and first impressions are very important. I hope what you read; coupled with anything else you discover about us, inspires you to apply for this post.

With best wishes,

Cathy

# OFSTED AT CHALK HILLS ACADEMY

## **Leadership and Management:**

- Together with (the) leadership team, governors and the trust (the Principal has) established high expectations for behaviour, teaching and achievement. Leaders have made sure that strategies are in place which have led to improvements in the quality of teaching, learning, assessment and the curriculum. The consequence of this improvement is that pupils of all ages are making much better progress than last year.

## **Behaviour of Students:**

- Leaders have high expectations for pupils' behaviour. Leaders work well with staff to ensure that the school is typically a calm, orderly and purposeful environment. Usually, pupils behave well around the school and in lessons. Leaders' work to support pupils with challenging behaviour has reaped some notable rewards.

## **Achievement of Students:**

- ...pupils of all ages are making much better progress than last year. For example, disadvantaged pupils have made more rapid progress so that the gap between their outcomes and those of others is negligible. The most able pupils are also making faster progress because of the quality of questioning and the activities they are presented with that stretch them to think more deeply.

## **Safety of Students:**

- Regular training helps ensure that staff are clear about their safeguarding duties. Leaders responsible for safeguarding make sure that suitable support is in place for pupils who might be vulnerable or at risk of harm. This includes working effectively with external agencies when needed. Secure procedures are in place for ensuring that pupils who attend alternative provision are kept safe.

## **Welfare of Students:**

- Leaders are working effectively to reduce the proportion of disadvantaged pupils and pupils who have special educational needs and/or disabilities who have poor attendance. Leaders keep a close eye on the attendance of these pupils and act quickly, when needed, to ensure that suitable support is in place. Consequently, fewer of these pupils now have a poor attendance record. Leaders recognise the importance of continuing this work to secure further improvements.

## TEACHER TESTIMONIAL

*"Having worked in London schools for over 12 years and overseas for a couple of years, I hadn't really considered a move to Luton. There is something about the diversity of London schools, both culturally and socially that I love and I genuinely didn't think that this would be replicated unless I working in another big city. The opportunity to work at Chalk Hills Academy came up and after looking at the website and Ofsted report, I decided to apply and have been here since January 2017. Chalk Hills Academy and The Shared Learning Trust (this is my first time working in a small academy trust) has certainly exceeded my expectations. Everything that I loved about working in London - diversity, atmosphere, forward thinking and generally wanting the best for all students is at Chalk Hills. In addition, working in a school that is part of a small multi-academy trust means that there are regular opportunities for collaborative working and partnerships. As well as the working environment, salary is always a consideration and I have been pleasantly surprised to find that there isn't a great deal of difference between The Shared Learning Trust and an Inner London salary. I would unreservedly recommend Chalk Hills Academy, The Shared Learning Trust and Luton; have a look I am sure you will too will be pleasantly surprised!"*
