Welcome from the Head Teacher

January 2018

Dear Applicant,

Thank you for your interest in the position of class teacher at Wexham Court Primary School. As you will have gathered from the advert, Wexham Court is a forward thinking and innovative school, trying to embrace 21st century learning styles. As a school community, we are very open minded and ready to embrace new and exciting challenges together.

The children in Wexham are delightful and we feel privileged to be a part of their learning journey and immensely enjoy their company. The staff and pupils have a mutual respect for each other and work well as a team. Wexham is in a very strong position, with good results over the last four years. We are proud of our achievements and believe we do a good job here. The school is looking for someone who can inspire and support our pupils as we prepare them for the ever-changing landscape ahead of them.

The school vision is to 'prepare every child to be a successful individual in an ever evolving world' and it permeates throughout everything we do. We believe the children must master the following four areas to be able to achieve this vision:

Resilience

Communication

Creativity

Curiosity

Our curriculum is designed to enhance these and to reflect our international community. We run a very talk based and active curriculum. The plans for Maths Mastery and Talk for Writing are already done for you in great detail enabling you to spend your time preparing great lessons for our children to enjoy. For example planting turnips for the year one Enormous Turnip unit or camping outside as Romans.

In addition to this we have an enquiry led project based curriculum, which incorporate Science, Humanities, Art and DT and a Wellbeing curriculum consisting of PSHE, PE, RE, gardening and horticulture. A member of our highly skilled curriculum team will spend a day or two out of school each term helping your team plan for the following term. Remember the sky is the limit; this is about creative and engaging ideas.

We are happy to take on board your ideas and passions; the only thing we will not compromise on is our commitment to the wellbeing and education of our delightful children. They need us to be the best we can be so that they can be the best they can be. Behaviour is excellent at Wexham. The pupils love to learn and you will love their company. I promise.

Being a teacher is hard but very rewarding. We want to support you in being the best you can be and in achieving your goal. Professional development is highly valued, therefore we are keen to recruit a practitioner who has ambitions to develop further; be it through our bespoke NQT programme (see attached), middle leadership development or leadership aspirations. The suitable candidates would receive our support in developing further in their teaching and leadership roles. This may be through incremental coaching, mentoring, and good internal/external training. We will support you in becoming an expert. Teamwork takes high priority with colleagues supporting each other, through informal chats, after school drinks or more organised meetings.

This school is truly unique and a wonderful place to work. I would strongly recommend a visit so that you too can meet our lovely pupils and staff, discuss our priorities and vision as well as see the school in action.

I look forward to hearing from you soon.

Kind Regards

Miss Navroop Mehat

Headteacher

WEXHAM COURT PRIMARY SCHOOL

History of the School

Wexham Court Primary School has served as a place of education for the children of families that have come to settle in Slough since the 1950s. Pupils, parents and the community, value the school as a centre that promotes cross-cultural learning, develops life skills and promotes an energetic and creative approach to learning.

The school is situated in extensive grounds on the site of a farm estate that dates back to the 13th Century. The school's name is based on the manor house, home farm and church that were all part of a moated complex, known as Wexham Court Estate. The Parish Church of St Mary's Wexham, built in the 12th century, remains largely unchanged on land near the School.

Today, Wexham Court Primary School still retains its grass areas for sports and play, a wooded nature trail that grows on the site of the medieval moat, oak trees that were planted in the 18th Century and a refurbished barn from the early 19th century. These historic features provide a valuable natural learning environment for the pupils and make it a school that is unique in the area.

The site has a poly tunnel and various raised beds, in which all pupils grow their own produce. This is later served in the canteen or entered into the 'Stoke Poges Horticultural Show', which we have won six years running.

Wexham has many awards; such as the Sustrans cycling cog, investors in people gold, RWI phonics badge of excellence, Bristol standards, healthy schools and many more. We believe competition is healthy and use our house system to organise events throughout the year.

The school badge reflects its history, with images of an acorn, wheat-sheaf and moat.

Letter from staff:

Dear Applicant,

We are delighted that you have shown an interest in Wexham Court. We wanted to let you know some of the key things about working at Wexham. First of all, what you see is what you get. The leadership team are approachable and go out of their way to help. The children are truly amazing! The behaviour is very good here and pupils are always willing to learn. The school has lots of resources such as IPADS, smart boards, art supplies and have just purchased a school radio.

The parents are supportive. They often thank us for our hard work and even bring food in during parent's evenings. They understand we work hard and allow us the space to do our job.

Teaching can be very stressful but you are given time out of class to do additional things. An example of this is that all staff have a day out of school to write reports and time to do assessments. If you are struggling, there is always somebody to help or chat to. We believe that our teaching is good and we often share our really good teaching, which can be very motivating as we have learnt so much from each other. The school has an outstanding bespoke NQT programme and student support package which has been replicated by the Local Authority. All NQTs are out of class together each week with their Learning Mentor.

The school pay for all hot drinks and provide lots of treats such as an Easter breakfast, and FUN DAY Friday treats and events. The school has health care benefits such as counselling and physiotherapy. If you are keen, you can even join the staff netball team.

The most important thing to know is that we are a really strong team and need staff who are energetic, ambitious and forward thinking. Come in and have a chat with any one of us and we will be more than happy to answer your questions.

Finally, come and see the school first hand – it is like no other.
