

Our Vision and Values

We believe that, as children, young people and adults, we are constantly learning. Our aim is to include, engage and challenge individuals within a stimulating learning environment to prepare them as responsible global citizens.

As a community we have identified a set of core values that, as a Church of England Academy, guide and influence everything we do. These are:

faith, respect, equality, aspiration, creativity and service.

Through these we develop an appreciation of what it means to be human: to understand ourselves and to make sense of the world around us and of how we relate to one another.

Join us on the journey. Achieve today; amaze tomorrow.

Our School Prayer

Loving God

This is our school.

Let peace live here.

Let the rooms be full of happiness.

Let love live here:

love of one another, love of mankind,

love of life itself and love of God.

Let us remember that,

as many hands build a house,

so many hearts make a school.

Amen
