WORTH
SCHOOL

Welcome

At Worth, the ideals of the family run through everything we do: we celebrate achievement with joy; we value listening and tolerance; we see the importance of each and every person. Worth is a place where we seek to uncover and ignite children's passions and talents. The path a life takes often begins at school, and this is why we do not just provide education, we offer learning with heart and soul, and this gives Worth a difference of kind that sets us apart. I invite you to visit us and see how the warmth of the Worth community allows boys and girls to thrive within the classroom, on the sports field, in the creative arts, and within their friendships. You will meet pupils nurtured by both the richness of Benedictine tradition, and the best that modern education has to offer.

Stuart Mylthorpe

About the School

Worth is a leading independent school of around 600 pupils, aged between 11 and 18. The initial cohort of girls arrived in September 2008. Girls at 11+ and 13+ joined the school in September 2010. The school is very popular and is over subscribed. The majority of pupils are boarders but there is also a strong contingent of day pupils.

The school occupies a stunning rural location, with a campus of 500 acres, enjoying spectacular views across the Sussex Downs. The location lends the school an air of exceptional tranquillity and beauty. At the same time, however, the school is very convenient for London (32 miles away) and Brighton (22 miles to the south). The area has excellent transport links, with Gatwick Airport, Three Bridges Station and the M23 all within six miles.

Academic

Academically, Worth prides itself on getting the very best out of its pupils. The school offers a broad academic curriculum, with a wide choice of GCSE subjects and the chance to study A Levels or the International Baccalaureate Diploma Programme in the Sixth Form. In the summer examinations of 2017, 71% of A level grades were at A*-B, and over 50% of GCSE results were graded A*-A (25% were A*). International Baccalaureate students achieved an average point score of 36, well above the world average. The majority of our pupils go on to gain places at the best universities, including Oxford and Cambridge. At the same time, the school enjoys a strong reputation for the excellence of its Learning Support provision.

Co-Curricular

The School has a long tradition of commitment to the performing arts. We have exceptionally strong Music and Drama departments, and each year the school presents a full, varied and challenging programme of high quality performances. The Art department has recently benefited from a multi-million pound refurbishment. An extensive games programme is in place. A very wide range of other activities is offered within the extra-curricular programme including voluntary service and the Duke of Edinburgh award scheme. Over 50 clubs and societies are offered.

Pastoral Care

Outstanding pastoral care for every individual boy and girl is at the heart of Worth School. Our distinctive Benedictine tradition and concern for the well-being of each individual are lived out by the school community in its day-to-day existence.

A key characteristic is our aim of ensuring that all pupils learn to live in communion with one another and can find sanctuary within the School to develop as a person in their own right, fully conscious of their responsibilities to themselves, to others, and to God.

Every boy and girl, day or boarding, is a member of a House under the leadership of a Housemaster or Housemistress who, supported by their Deputy, has overall responsibility for the pupil's pastoral care and welfare. In addition, every pupil is assigned a Tutor with whom they meet regularly, formally and informally, individually and in groups, to review and support their progress, and to address issues raised through our extensive SMSC (Spiritual, Moral, Social and Cultural) programme. Every House also has a Chaplain, and a Matron who manage the domestic affairs of the house and also provide further invaluable pastoral support.

House and School Prefects are given duties and responsibilities and act as role models and guides for the younger pupils. The Medical Department provides 24/7 care and support and there is a professional counsellor, plus a network of independent listeners, whom the pupils may contact. All pupils have the opportunity to contribute their views on their pastoral life through a School Council, House Councils, Tutorial meetings, and confidential appraisals and surveys.

The House system provides the community and sanctuary where pupils can grow in confidence and fellowship with one another. There are five boarding houses at Worth, younger boarders share rooms so that they can learn to live alongside and support one another; most Sixth Formers have their own single study bedsits. Whilst the accommodation varies between the Houses, each Boarding House has common recreation areas, a library and a kitchen for the use of the pupils. All Houses have Wi-Fi and internet access. There are four day houses which provide study space and communal facilities for students from Year 9 upwards, and a junior house for all Year 7 and 8 day pupils.

Staff

Worth has a very friendly, collegial and sociable Common Room with colleagues from a variety of backgrounds, some joining the school straight from university, others after taking a PGCE, or after having taught at other establishments. Some have taught in a boarding school before, others have not. What staff members have in common is enthusiasm for teaching and learning, a willingness to be involved in the broader life of a thriving and busy school, plus a genuine commitment to the school's values and ethos.

The school offers its own generous salary scale and an enhanced benefits scheme including an employee assistance programme, meal provision and enhanced pension contribution. Located in 500 acres of beautiful land, the school offers a community setting for employees who live both off and on site. Employees have access to our facilities, including a golf course, gym suite and function rooms. Employees benefit from free parking, social events and discounted school fees.

Ethos and Values

“Worth School nurtures its pupils in a caring Catholic Benedictine community, inspiring academic excellence and integrity to fulfil their unique purpose in the world.”

The Rule of St Benedict was written some 1,500 years ago for religious communities in an age very different from what we know today. Yet the wisdom of The Rule remains a clear and practical guide for modern day life and the complexities of 21st century living. Within our Benedictine ethos we discover how to structure community living which enables the individual to find personal strength, success and contentment whilst also establishing a genuinely supportive environment.

At Worth we recognise that everyone in our community is on a personal spiritual journey. Our experiences and relationships can be transformed on a daily basis by the power of God's infinite love and by our response to that love. Our Benedictine tradition encourages young people to go on a journey of self-awareness and understanding. It inspires them to consider by thought, action and prayer, to know themselves and their potential, whilst learning how to live with virtue and integrity. Their journey is not a solitary path but one shared and supported by the entire community.

Pupils and staff are able to derive inspiration from our Ten Values for a Benedictine way of life:

- Community – we grow as individuals through a life of inter-dependence
- Worship – God is placed at the centre of our lives through communal worship
- Humility – we are honest about our strengths and weaknesses
- Listening and consultation – we listen for God's voice in our own hearts and in our encounters with other people
- Stewardship – we honour the goodness of God's creation by our care for the environment
- Hospitality – we welcome the newcomer 'with the warmth of love'
- Service – in serving others we meet Christ and grow in love of each other
- Fidelity in relationships – God is faithful to us and we find our true selves in stable and committed relationships
- Balance and moderation – the daily routine of the school takes into account our different strengths and weaknesses
- Silence – silence is required for prayer and reflection.

The monastic community and our lay staff reflect these values in their daily lives and are able to represent the benefits of personal discipline, prayer, worship and reflection in all that we strive to achieve.

Teacher of History

Worth is a highly successful co-educational, Catholic, Benedictine, 11-18 HMC boarding and day school of circa 600 pupils. It offers a broad curriculum, including the International Baccalaureate and A levels in the Sixth Form.

From September 2018 we are seeking to appoint a well-qualified and enthusiastic teacher who is able to teach History, up to and including Sixth Form, in a dynamic and thriving department. The successful applicant will demonstrate a passion for their subject and be committed to developing active learning strategies to challenge and inspire our students. A working knowledge of ICT is essential, as is a willingness to contribute to other school activities in our thriving boarding environment.

The School offers its own generous salary scale and an enhanced benefits scheme including an employee assistant programme, meal provision and enhanced pension contribution. Employees have access to our facilities and benefit from free parking, social events and discounted school fees.

Applicants are required to submit a covering letter and complete an application form which is available, along with job details, on our website <http://www.worthschool.org.uk/vacancies.php>. Alternatively you can request an application form and job details from the HR Department:

We are committed to the safeguarding of children. References will be taken prior to interview and DBS checks will be conducted on the successful applicant.

Closing date for applications: 19th January 2018, midday*

*We reserve the right to invite candidates for interview prior to the closing date and to close vacancies early if we have sufficient suitable applications. Therefore, we encourage interested applicants to submit an application as soon as possible.

History at Worth

Our aim is to make History the most dynamic and exciting subject possible. The History department is staffed by dedicated, supportive and enthusiastic professionals, each with their own expertise and specialist areas.

We deliver varied and active lessons with student run projects, role plays and creative tasks. This helps bring History alive for our students. At the same time emphasis is placed on traditional skills such as reading, writing and independent research. This is borne out in our consistently excellent exam results.

In the classroom, students have the opportunity to study both British and world history. Beyond this, History students at Worth enjoy a robust wider curricular programme. We run an extensive range of lectures for Sixth Form students, with speakers from top universities. Meanwhile, our younger historians have the chance to take place in the Junior History Society where they can learn more about the areas which interest them the most.

We also run annual trips for each Year Group, from local sites such as Hampton Court Palace, to the Battlefields of Belgium and France, Berlin and Auschwitz. The outcome is students who are passionate about History are engaged in the world they live in.

Years 7 to 9

In Years 7 to 9 the department covers British History from 1066 up to the 20th century. There is a focus on developing an awareness and solid understanding of the past, learning to use historical sources and becoming aware of different ways of interpreting the roles of individuals and events in shaping history.

Years 10 & 11

History is a very popular subject in Years 10 and 11. The CIE IGCSE Modern World course is based entirely upon the events of the 20th century and has a global focus. Students are tested on their ability to write factually supported arguments and on their critical handling of source material.

Sixth Form

The department offers IB courses at Higher and Standard Level, both of which cover a wide period of Modern History, with an emphasis on international relations. Students follow a carefully structured programme including the study of Russian History from Alex II to Stalin, the move to war in the 1920s in both East Asia and Europe, the Sino-Japanese conflict, the Spanish Civil War and the rise of European dictatorships in the interwar years.

For A Level students, we follow the specifications of the OCR examination board. In Year 12, students take two modules covering British history in the era of Elizabeth I, and a course on Democracy and Dictatorship in Italy in the years 1896 to 1943. In Year 13, candidates take two further modules. One is on American Civil Rights 1865-1992. This module focuses on the role of the government and ordinary people in advancing the civil rights of African Americans, Native Americans, women and workers. Students also complete a comprehensive coursework module based on their study of Italian History.
