

## Teaching Posts for September 2018 – MPS

January 2018

Dear Colleague,

Thank you for your interest in one of our teaching posts for September 2018.

Our growing successful school is located to the south-west edge of Milton Keynes with the majority of children coming from the surrounding areas of Tattenhoe and Kingsmead. We have excellent facilities and resources and our school is a wonderful environment for teaching and learning. We also have up to date technology to help deliver an exciting curriculum and enhance teaching and learning. In addition, we have a wonderful staff team who are looking forward to welcoming new colleagues to our supportive, happy community. In January 2015 we were delighted to have had the quality of our school recognised by Ofsted as 'outstanding'; our commitment to continued improvement and our ambition to achieve the very best for every child is very much part of the ethos of our school.

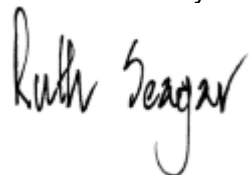

We are looking for high quality, bubbly and energetic teachers to join our expanding, happy school. Successful candidates will need to have excellent communication and interpersonal skills, high expectations and a real commitment to achieving the very highest of standards – in short, candidates will need to share our ambition and commitment to achieve the very best. Flexibility and the ability to work well with the rest of the staff team are equally important qualities. Applications from newly qualified teachers are welcome.

The closing date for applications is 10:00 am on Friday 26<sup>th</sup> January and interviews will take place the following week. Please note that all short-listed candidates will also be observed teaching as part of the interview process. If you have any questions at all please do not hesitate to contact me for an informal discussion and visits to our school are welcome and encouraged!

Again, thank you very much for your interest in our school and I look forward to hearing from you.

Yours sincerely

A handwritten signature in black ink that reads 'Ruth Seagar'.
