## **General Information for Applicants**

### **The College**

Cambourne Village College opened as a new 11-16 Academy and Free School of the Cam Academy Trust (formerly the Comberton Academy Trust) in September 2013. The College opened with a small cohort of Year 7 pupils and has grown by one new intake each year until reaching capacity in September 2017, with year groups 7 – 11. Our very first cohort will therefore sit the College's first set of public examinations in the summer of 2018. CamVC was initially built for a five-form intake of 750 students, but has expanded rapidly to accommodate seven forms of pupils, with a current roll of approximately 950. A further building project to increase the size of our premises was completed in the autumn of 2017. The College has rapidly gained the support of the local community and co-operates strongly with its catchment primary schools, all situated in Cambourne.

Cambourne is a new settlement west of Cambridge. It is already a significant community and it continues to grow as further new housing is completed. Four, 420-place primary schools have been established. Cambourne West, a new, substantial development of approximately 2400 homes, is due to be built on land adjacent to the College, necessitating a new secondary school which will be run as a second campus of Cambourne Village College at some point after 2020.

### **The CAM Academy Trust**

All staff at Cambourne Village College, along with those at Comberton Village College, Melbourn Village College and St Peters, Huntingdon, are employees of the Cam Academy Trust, whose Chief Executive is Stephen Munday. The Trust has recently become significantly cross-phase with the membership of five primary schools under negotiation. The schools share a number of high-level executive Trust staff, for example in Finance, IT and HR, and are working towards ever-closer educational cooperation. Cambourne Village College has worked in particularly close partnership with Comberton Village College from the outset. Most members of Cambourne staff were initially based at Comberton and many worked across the two sites for the first two years of opening, allowing subject specialists to deliver the vast majority of teaching.

### **Designations**

Following its first, very successful, Ofsted inspection, the College gained **Leading Edge** status and successfully bid to become a **Teaching School**, a designation it holds jointly with Comberton Village College, within the Cambridge Area Teaching Schools Alliance. We are actively developing our work with trainee teachers, and employ a number of Specialist Leaders of Education, to increase our capacity to take on school-to-school support work. The College encourages research, with a number of staff participating at a range of levels. We are seeking continually to develop our CPL offer for our staff, with many teachers participating in Trust based programmes.

### **Standards**

Extremely high standards of achievement and pastoral care have been quickly established, as recognised by the 'Outstanding' grade in all four Ofsted inspection categories, awarded to the College in May 2015 – a rare achievement for a new secondary school in its fifth term of opening. The report noted:

'The progress of students is rapid and sustained, regardless of their prior attainment. Most students are already working at levels that would be typical for their age, and a significant proportion are on track to exceed these standards.'

'Teaching is outstanding, and consistently effective. Teachers see no barriers to rapid progress for any student and positive relationships encourage students to realise these high aspirations.'

'Students' behaviour in lessons is exemplary. They are enthusiastic about their learning and work confidently without interruption.'

An annual Cross-Trust Review process confirms these high standards are being maintained.

### **Broad Education**

The school's formal day runs from 8.35am to 3.00pm with 6 timetabled lessons of 50 minutes each day, run over a two-week cycle. Details of the curriculum taught in each subject can be found on our website under the Parent, Carer and Student Information tab. Pupils see their tutors daily and have a weekly assembly. However, we believe that true education is broad and should give opportunities to develop individual interests. Given this, many teachers also offer activities within a very full and wide-ranging extra-curricular programme that runs each day from 3.00 p.m. There are many school trips and visits, both national and international, supported by a central Trips Administrator. The outlook and ethos of Cambourne Village College are fully in line with the tradition of Village Colleges established as the vision of Henry Morris in the first part of the twentieth century for community-based schooling. Cambourne Village College has, from the outset, sought to be at the heart of its community and to serve the needs of the whole village, not just our 11-16 year olds during the designated school day. The College is open on almost every evening and weekend for adult education classes and community use of our excellent facilities.

### **Pastoral Organisation**

Pastoral care in the College is overseen by the Deputy and Assistant Principals responsible for the supervision of the year teams. Each Year Team consists of a Head of Year, Assistant Head of Year, administrative support, and a team of tutors. Most teaching staff will have responsibility for a tutor group and most teachers carry out 4 duties around school over the two-week cycle.

### **The Premises**

We are fortunate to work in a newly-built school, furnished, decorated and equipped to a high standard, with excellent facilities for teaching and learning, including excellent sports and performance facilities. High speed broadband, good access to computers and sets of class iPads enhance learning. Since its outset, the College has employed a full-time, qualified librarian. The library is a vibrant learning space and is highly valued by pupils and staff.

### **The Staff**

Our staff are highly skilled, highly committed, innovative, mutually supportive and sociable. Joining Cambourne Village College represents a remarkable and exciting professional opportunity. It offers the chance to help to establish a new and rapidly growing school whilst working within a wider high-

quality Academy Trust which gives excellent possibilities for professional and career development. Staff morale is extremely high, evidenced in our Investors in People report: 'People describe high levels of camaraderie and teamwork, also the opportunity to influence change. There is shared motivation to achieve and people are loyal and enthusiastic about the Academy. There is a culture of praise and recognition, which people buy in to'. In our most recent staff survey, (November 2017) 97% of all staff agreed or strongly agreed with the statement: 'I am proud to work at Cambourne Village College.'

### **The Vacancy:**

**Due to the college's continued growth, we are seeking to appoint an ambitious, innovative Second in Department and Teacher of PE from September 2018.**

The PE Department is well established with high standards of teaching and learning in Key Stage three and four. We are fortunate enough to teach in excellent facilities, including a high-specification sports hall and gym, a full sized artificial pitch, netball courts and on site fields.

This is an exciting time to join the team as we look to maintain our high standards of teaching and learning to ensure all pupils can enjoy PE and are physically active, having access to a varied and

engaging curriculum. We are also looking to extend our already-busy extra-curricular programme. The department currently offers a wide number of sports and activities including rugby (girls and boys), hockey, netball, football (boys and girls), badminton, dodgeball, table tennis, trampolining, rowing, tennis, athletics and dance, to name a few. Pupils have opportunities to compete in these activities as well as to attend trips, further to extend their knowledge and understanding of competition and performance. We have run both a local London Sports Tour as well as a Greece Sports Tour for both netball and football and are keen to develop this further. In addition we run an annual Snowsports Trip to the Aosta Valley, Italy.

The department is well resourced, allowing us to carry out a range of practical activities. We have excellent ICT facilities, with all classrooms having whiteboards, projectors and the use of class iPads and Apple TV, giving pupils a great opportunity to develop skills in feedback and analysis. Additionally pupils are encouraged to maximise their ability and develop skills in leadership, coaching and officiating. Our Leadership Academy for Year 9 and above, runs in partnership with the South Cambs School Sports Partnership to offer pupils the opportunities to be involved in leading younger years, as well as volunteering at sports festivals, competitions and transition events. Through this, pupils are also offered coaching and officiating courses.

A highly motivated and ambitious individual is sought to join our ambitious PE department. We would expect, from the successful candidate, a very high commitment to extra-curricular activities and a willingness to undertake minibs driving training, if a licence is not already held. Candidates with experience in BTEC Sport are encouraged to apply.
