The story of Farringtons School began in 1908 when a group of Methodists decided to open a new girls' boarding school, effectively a 'sister school' to The Leys School in Cambridge. After looking at several sites, they settled on buying the land which Farringtons now occupies in Chislehurst, Kent. The land that the school sits on was occupied by a small mansion dating back to the 17th century. The mansion had been home to several families, including three generations of the Farrington family who lived there during the latter part of the 18th century into the early 19th century. It is from this connection that the school took its name Farringtons.

Farringtons School opened in 1911. By the early 1920s the accommodation at Farringtons was insufficient for its needs and further building work was required. In June 1925, the School was greatly honoured when Queen Mary visited to open these new buildings. She graciously gave permission for the new central area (linking the original School House to the new West House) to be named Queen's Court in her honour. In 1934, the beautiful Chapel was built and in 1936 Queen Mary made a further visit to Farringtons, this time a private one, to inspect the Chapel.

In 1994, Farringtons merged with Stratford House – a local girls' school that had opened in Bickley in 1912. Stratford House had a similar ethos to Farringtons and similar traditions. The newly merged School was sited at the Farringtons campus because more space was available for future development and a new Art & Technology Block was built and named Stratford House. In 2010, the school accepted boys into Year 7 for the first time; it is now fully co-educational, a process which has been incredibly successful and places are much in demand from both boys and girls alike.

The School continues to grow and flourish, and 2016 saw the opening of a new two-storey teaching block which provides enhanced teaching accommodation and facilities for both Science and Mathematics. The School community is proud of its beautiful 25-acre parkland setting, bordering a nature reserve on the outskirts of Chislehurst in Kent. The School's proximity to London creates a diverse environment allowing for a variety of views, opinions and styles. Farringtons is a wide ability school, and all of our students have the potential to learn and achieve high standards; both academically and non-academically. Our students are bright and enthusiastic about learning and being a part of the Farringtons community. We offer a range of courses including GCSE, A Level and BTEC allowing students to access the higher education courses, apprenticeships and careers of their choice. At Farringtons, we are successful at helping pupils to recognise their potential across the curriculum, and supporting them to achieve their very best.

The school motto, ***Posside Sapientiam***, (Growing in Wisdom) influences much of what we do. Underpinned by Christian values, Farringtons School aspires to be a place of trust and respect where teachers take an active interest in the intellectual, physical, moral and spiritual development of every student. We know co-education to be the right platform for developing the interpersonal skills necessary to succeed in the modern world. The importance we place on nurturing individuality and the manageable size of Farringtons ensures that pupils do not get lost, but rather thrive in their own way – they are encouraged to ‘Develop and Shine’. Our core mission is to inspire, assist and challenge young people to achieve their potential. This is our shared mission and every employee and parent play an important role in achieving this. In order to make our vision reality, we:

- Promote the holistic development of each individual and provide the best education for every child within a supportive Christian environment.
- Inspire each student to achieve success through excellent teaching, outstanding pastoral care and support and increase their desire for lifelong learning.
- Create a community that promotes Christian values, giving students of all faiths or none, the opportunity to worship in a Methodist tradition, enhancing their capacity to be considerate of others.
- Provide a safe and fit for purpose environment that encourages children to achieve their best.
- Create an environment that prepares students for their life after school, giving them real confidence and humanity and ensures that they always feel part of the Farringtons family.

Early Years: Pre-Reception & Reception Classes

The Foundation Stage is the first part of the National Curriculum, focusing on children aged between three and five. The philosophy underpinning the Foundation Stage curriculum is that learning should be structured with an emphasis on fun, relevant and motivating activities.

Farringtons' purpose-built Pre-Reception building is light, secure and spacious and opens directly onto its own outside play area. Here, the children have access to many outdoor activities, including sit and ride vehicles, sand and water play and other equipment to develop their gross and fine motor skills. The children learn through exciting hands-on activities both inside and out and are supported by our highly-qualified staff. The emphasis is on learning through play, and therefore much of the curriculum is delivered through practical activities. The children enjoy painting and creative artwork, music and dance, as well as going on exploratory walks. The love of books and language is also an important aspect of their learning, as is an understanding of number.

The transition into Reception is seamless, as the classrooms are adjacent to the Pre-Reception building and staff and children come together for regular playtime and other activities. The children will attend school for a full five days and as such, they join in with many of the daily school routines, including assemblies, and Chapel. Although learning is still planned through play and practical activities, there is greater emphasis on literacy and mathematical development. The children are also encouraged to become more independent, and to develop caring attitudes towards their peers.

At Farringtons, we appreciate the importance of childhood and how the learning and development in the early stages of a child's education are critical for establishing positive attitudes and a joy for learning, which will continue throughout their school life.

The Junior School at Farringtons educates boys and girls aged 5 to 11 years old, and as we are a 'through school', learning continues into the Senior School up to the age of 18. We pride ourselves on having an integrated community of pupils, parents and teachers who help to create a close, secure and happy learning environment. Our teaching, which draws from and goes beyond the requirement of the National Curriculum, is a successful mix of both traditional and progressive approaches to education.

As pupils move through the years at the Junior School, they benefit from an increased emphasis on specialist teaching delivered by practitioners who share their enthusiasm and depth of knowledge for their subject. Children are also given opportunities to build their confidence and self-esteem by participating in a stimulating range of creative, musical and sporting activities. We encourage all pupils to discuss and discover in order to develop enquiring minds, self-assurance and positive work habits, ready for the next stage as they progress to the Senior School or other schools for secondary education.

Farringtons has a long commitment to excellence and opportunity in education. The curriculum in the Senior School reflects this, providing a wide range of modern and traditional subjects from which to make final examination choices.

Small class sizes, dedicated staff and supportive teaching ensure that we are able to nurture individual needs. Pupils in the Senior School range in age from 11 – 19 years old. During the first three years, the emphasis is placed on sound preparation in basic academic skills and, during Year 9, thorough advice on appropriate GCSE options.

In Years 7 – 9, the curriculum comprises of English, Mathematics, Science, Religious Studies, Physical Education and one compulsory Modern Foreign Language; currently Spanish. In addition, pupils choose a second Modern Foreign Language, either French or German. They will also study the subjects that they may choose to continue to GCSE; these include, Art, Ceramics, Drama, Food & Nutrition, History, Geography, Graphic Design, Information Technology, Music, Resistant Materials and Textiles.

From Year 9, pupils are supported in making their GCSE option choices as part of our careers programme. Careful planning ensures that each pupil follows a balanced timetable of lessons, giving the right foundation for his or her future A Level, Higher Education or career choices. New subjects are introduced into the curriculum at various stages. In addition to GCSE, we offer BTEC Sports and Business Studies courses.

Throughout the School, pupils from overseas receive additional English tuition, leading to internationally recognised qualifications.

Form Tutors and visiting speakers provide a structured Personal, Social and Health Education course. PSHE introduces and discusses key moral, ethical and social issues at appropriate times in the pupils' lives. It aims to foster a greater understanding of today's society and to assist them in taking responsibilities for their own and their fellows' well-being.

Our Sixth Form programme ensures that students acquire the academic qualifications and develop the personal qualities they need to meet the challenges of Higher Education and the world of work.

Small class sizes enable our experienced teachers to nurture the talent of every Sixth Form student as an individual. This, in turn, ensures that our students have the best possible guidance during the university application process.

Farringtons offers a wide choice of AS and A2 levels, some BTEC and EPQ, timetabled so that university or career choices are not restricted to inflexible subject options. Increasingly, universities want to know about students' interests and activities as well as their academic achievements. Outstanding higher education support is given to every student.

We encourage our Sixth Formers to broaden their horizons and develop leadership skills through the Duke of Edinburgh Award Scheme, Business Enterprise Programme, public speaking, excel programme, the School House system and many other opportunities. Sixth Formers have their own study areas and common rooms where they can engage in private study, relax, socialise and make drinks and snacks.

Everyone who visits Farringtons comments on the warmth of the welcome that they receive and especially the friendly, family atmosphere of our boarding houses. Boarding provides a safe, stable environment for pupils but it also offers them a huge range of new opportunities and experiences. Our caring house staff help new boarders settle in quickly and become part of the School's extended family.

Boarding is offered on a full, weekly or occasional basis, reflecting the needs of the modern family. Our comfortable, well-equipped boarding accommodation consists of homely, spacious bed/study rooms, with network and Internet access, all set amongst our beautiful grounds.

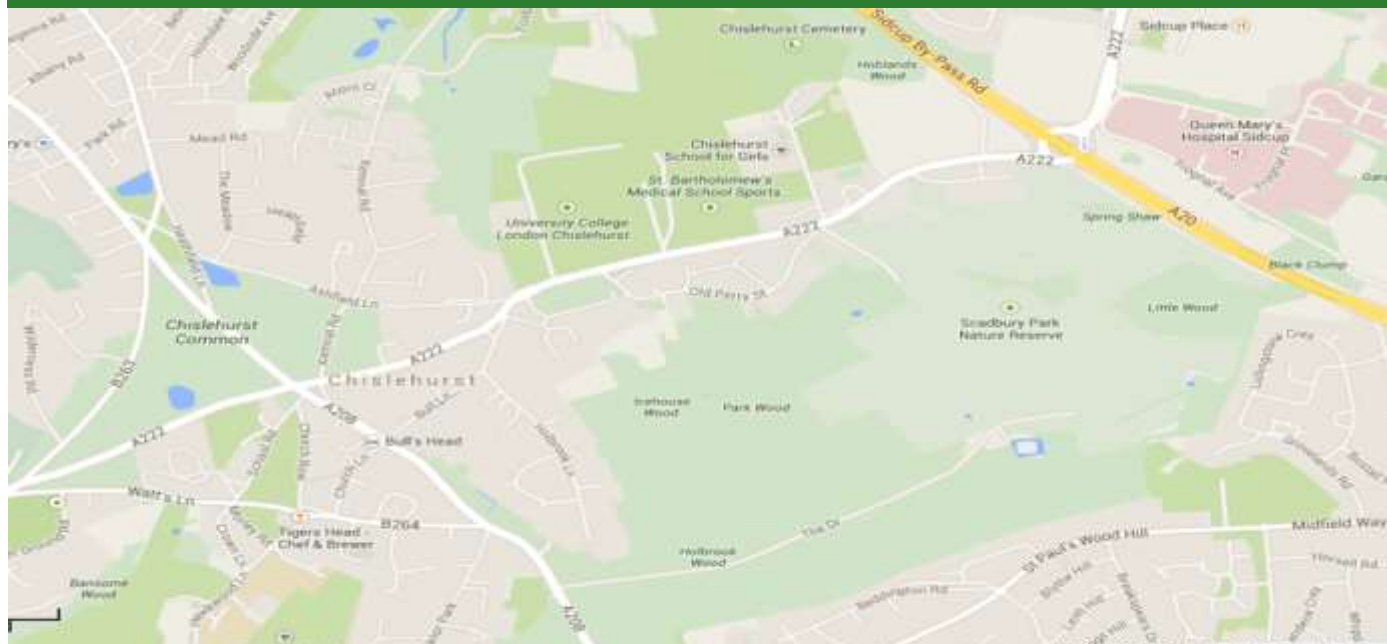

Where possible, members of the Upper Sixth each have their own room. All boarders are encouraged to personalise their rooms to make them feel more like a 'home from home'.

Weekends provide boarders with a valuable change of pace and there are plenty of activities on offer. A lively programme of cultural and leisure trips ensure that there is never a dull moment. The school's proximity to the M25, M2, and M20 motorway networks and to central London make it highly convenient for boarders coming from almost anywhere in the UK or abroad.
