Si vous appréciez travailler avec de fantastiques étudiants et voulez être à la pointe de l'enseignement des langues, cet emploi est pour vous!

Harrogate Grammar School is an outstanding Teaching School with an extensive variety of opportunities for staff development through the Red Kite Learning Trust.

Our staff team are completely dedicated to inspiring our students to gain a love of language learning, giving them the necessary tools to be able to use the language effectively, as well as achieving the best possible outcomes. We are innovative and dynamic; it is an exciting time to join our passionate languages team, as we seek to get even better and become a real beacon of excellence in languages education.

Harrogate Grammar School is an ambitious, high achieving, 11-18 mixed comprehensive Academy with the full ability range of students. Enthusiasm for language learning is at a high, with over 70 students currently studying a language at A-Level. In 2017 66% of A-Level languages results were graded A*-B and there were likewise excellent results from our 192 students who took GCSEs in languages, with 82% A*-C. Now in our second year of teaching to new GCSE and A-Level specifications, we believe the courses allow students to gain a deeper, more thorough understanding of the key skills necessary for effective communication in a foreign language and uptake of languages is as healthy as ever.

We are very proud of our reputation for academic excellence but also for the superb pastoral care our students receive and the support we provide for the less academically able. We now want your help to enable us to go beyond 'outstanding' and help us to live up to our motto of 'excellence for all.'

Located in the beautiful North Yorkshire spa town, regularly voted the happiest place to live and work in Britain! A great place to work and learn, the post would be ideal for you if you are forward looking, energetic and looking to develop your teaching experience.

We are confident our school provides an exceptional teaching environment and we'd encourage you to come and see for yourself what is on offer.
