Soar Valley College

A SPECIALIST MATHS AND COMPUTING COLLEGE

ASPIRE ENJOY ACHIEVE

PRIVATE & CONFIDENTIAL

For the attention of the addressee only

January 2018

Dear Applicant

TEACHER OF MATHEMATICS

Thank you for your interest in the above vacancy at Soar Valley College. Turnover of staff at Soar Valley is low and so this represents a rare and exciting opportunity for an enthusiastic and highly competent teacher to join our successful school and Maths Faculty. The post arises due to the ongoing expansion of this heavily over-subscribed school and we are currently looking to appoint an enthusiastic and effective teacher to join us from the beginning of the new academic year. Applications are welcomed from those new to teaching as well as those more experienced.

We have a unique ethos, are a very cohesive team, and are genuinely very inclusive. We value effort above all else with students; all can achieve, and they do! The staff work very effectively together and achieve excellent outcomes for our students, of which we are very proud. Even more pleasing though, are the superb relationships we have in the school, between all, which make it a great place to work!

Further information in respect of this vacancy can be found on our website, which will assist you in completing your application. Completed application forms and supporting letters should be returned to me via my PA, Mrs Smita Stone, on sstone@soarvalley.leicester.sch.uk by 9am Thursday 25th January 2018.

If you would like any further information regarding the post or wish to arrange a visit, please do not hesitate to contact my PA at the college. Once again thank you for showing an interest in the post and I look forward to receiving your application.

Yours faithfully

Julie Robinson
Principal
