Dear Applicant,

Thank you for your interest in the post of Headteacher at Bishop Wilson Church of England Primary School.

Our motto is "Be the best you can be – together everyone achieves more" and this lies at the core of all we do. Working together, as a strong school community, we are committed to providing a challenging yet nurturing environment with high expectations, where all children can learn and success and achievement are celebrated.

We are very proud to be a highly inclusive school, where our Christian values are reflected in all aspects of daily life. A number of our pupils and their families face significant barriers in their everyday lives and we work with them to strive to overcome those challenges so all of our children can lead successful and happy lives.

Under the current Headteacher and Senior Leadership Team, the school has developed the strong foundations to move the school forward and we are therefore looking to appoint a new Headteacher that has the skills and experience to inspire and motivate all to progress on our continuing school improvement journey.

This is an exciting opportunity for a committed and energetic individual to take the next step in their career.

We have provided the latest Ofsted and SIAMS inspection reports for your information and the school website provides further information about our school. You are encouraged to visit the school to see for yourself the positive, welcoming environment and excellent facilities; to arrange a visit please contact the school office.
