# BACKGROUND INFORMATION

Blenheim is a dynamic, exciting and supportive environment in which to work. The school opened in September 1997 with one year group and has grown to its current size of approximately 1310 students on roll including 200 in the Sixth Form. Blenheim is a mixed comprehensive and our reputation in the community is excellent and as a result the school is very popular. The intake comprises of students from all areas surrounding the school and ability levels are varied. Candidates should be entirely committed to the comprehensive ideal of education.

Following a disappointing Ofsted in January 2017 the school is under new leadership as of April 2017 and with a virtually new wider leadership team we are putting in place a comprehensive programme of measures to improve the consistency of teaching practices across the school, the quality of assessments and the impact of feedback, so that all students make good or better progress. The ethos of Blenheim High School now revolves around a growth mindset where all members of the school community are actively encouraged to develop the characteristics of constant improvement, being open to new ideas, hard work and resilience.

We converted to Academy status in March 2012 and we have developed many community and primary school links. We are fortunate to have outstanding facilities and we are a well-resourced school. All classrooms are equipped with interactive whiteboards and we work hard to provide a stimulating environment in which students can learn. We have an iPad for Learning Scheme under which all students have access to an iPad, the overwhelming majority having their own personal device. All teaching staff, therefore, need to be willing to engage with new technologies. Visitors to the school constantly remark on the calm, purposeful learning ethos that they observe. We are fortunate for the school to be situated in its own grounds and have grass football and rugby pitches along with gardens around the school. We also have an all-weather pitch.

We typically achieve strong examination results which are well above the national average in many cases. In 2017, our A\*-C pass rate was over 59% in 8 different GCSE subject areas. In Art, Drama, History, Leisure and Tourism, Technology (Food, Graphics, Resistant Materials and Textiles) over half of all the grades were A\* -B. In our Technical awards we had a 100% pass rate (Pass to Distinction\*) in Health and Fitness, Food and Cooking, Construction and ICT. Results in core subjects have remained well above the national average for Blenheim students in 2017 with 69% gaining the new 9-4 GCSE grade in Mathematics and 71% in English, with 26% of the grades being the highest new GCSE grade of 7-9 in English and 16% in Maths. In Science, Biology, Chemistry and Physics, 85% of students secured a C grade and above, with over one third of the results being A\*/A. Outcomes in the Sixth Form were also strong with the progress students made being equivalent to the top 15% nationally (Alps 2017). The majority of students secured first choice University places including Durham, UCL, Loughborough, Exeter, and Warwick. 50% of grades achieved at A2 were A\*-B in 2017, with 81% at A\*-C (School record).
