

The P.E. Department

LEH prides itself on being the ideal school for highly academic girls who love sport and want to take it seriously. The PE Department consists of nine full time staff (one of whom is a member of Senior Management), who all specialise in one sport, while sharing the teaching of all aspects of the Physical Education curriculum.

This curriculum consists of netball and lacrosse as our core team games, with rounders and tennis in the summer term. All students participate in gymnastics, dance, swimming, athletics, trampolining, fitness and badminton, and there is a varied options programme at Key Stage 4 involving many Sports Hall and Swimming Pool based activities, as well as off-site activities. Rowing is also very popular and successful, and is available from Year 8 as an additional sport. This is delivered by a team of specialist full and part-time coaches.

Team fixtures, practices, and sporting clubs take place at lunchtimes, after school and at weekends, and an allowance for these extra commitments is made within the timetable. The school competes at the highest levels across almost all of these sports and we are ambitious to be even more successful. The school sits in 24 acres of open space in Hampton, West London, which gives ample space for fields. We have six all-weather, floodlit netball courts, four lacrosse pitches, a 25 metre swimming pool, a sports hall and activity studio. A building project which is nearing completion, has seen our swimming pool upgraded, and additional spaces and features added to the Sports Hall. Nearby on the River Thames is a boathouse which we share with Hampton School - the boys' school next door. It is fair to suggest that our sports facilities are second to none in London, which puts us at a distinct advantage over our neighbours and sporting rivals! It is also fair to say that we know we can achieve even more success, given this standard of support.

We are very proud of our frequent success at County, Regional and National level. Netball teams consistently qualify for Middlesex Finals in all age groups and we have been Middlesex champions on numerous occasions. We have been successful at Regional Rounds of the Netball Nationals and have had teams qualify for National Finals. Our lacrosse teams are frequently County Champions, and at Nationals, the school usually ranks within the top four lacrosse schools in the country: we have been U19 finalists and semi-finalists in the past four years. The gymnastics squad regularly competes and medals at Regional competitions and annually successfully represents at numerous National finals. Our rowers frequently represent GB and have had numerous successes in the National Schools Competition.
