Improving Education

01. About Academy Transformation Trust

We're on a mission

Our mission is to provide the very best education for all pupils and the highest level of support for our staff to ensure every pupil leaves our academies with everything they need to reach their full potential.

These are the things we hold dear

Transparency

As a charity founded on strong ethical practices, Academy Transformation Trust takes pride in being open, honest and crystal clear in everything we do.

Innovation

We are constantly striving to do all we can to make education the best it possibly can be. We are brave in our actions and do everything we can to have a positive impact on whole child development.

Collaboration

We believe the future of education relies upon effective collaboration between academies, and better collaboration between academies and their local communities.

Ambition

We are determined to improve education nationwide by encouraging collaboration and

We believe every child matters and deserves a first class education.

Our team knows first-hand how to make education better for schools, pupils and their teachers.

For us, the future of UK education relies upon schools working closely together to share best practices, giving every child the best chance in life. We set up ATT to make this vision a reality.

As a not for profit trust, we work with our growing family of primary and secondary academies, and further education providers in the Midlands,

02. The Nicholas Hamond Academy Information

The Nicholas Hamond Academy is part of the Academy Transformation Trust family of academies.

As a team, we are dedicated to delivering a high quality education that enables students to make rapid progress and achieve transformational academic targets.

We have high expectations of our pupils and every student matters to us. We work closely with our local community, including parents and carers, who actively support the work we are doing to achieve and maintain the highest possible standards. Our academy is a place to be proud of.

At TNHA we aspire to provide every member of our community with the opportunity to be the 'best that they can be', by offering experiences that encourage the development of high attaining, self-confident, resilient, tolerant and happy young people.

Our ethos is founded on the development of positive relationships with students and parents, outstanding teaching, a personalised curriculum and enthusiasm for learning.

We are 'one team' - students, staff, governors and parents - committed to working together to achieve our aim.

03. Job Description

Teacher of Science, Secondary Academy

Job Title – Science Teacher

Grade - MPS/UPS

The post holder will be expected to undertake duties in line with and meet Teachers' Standards

Key responsibilities are:

- Prepare and deliver appropriate lessons to students of different ages and abilities catering for a wide range of needs
- Establish a safe, purposeful, and stimulating environment for students and have high expectations of behaviour ensuring the health and safety of all pupils and staff
- Manage student behaviour in the classroom and on academy premises and apply appropriate and effective sanctions
- Register the attendance of and supervise pupils, before, during or after school sessions as appropriate
- Assess and mark work, giving appropriate feedback
- Engage with academy leaders to ensure the effective development of the curriculum
- Maintain records of pupils' progress and development and input data using academy systems and processes
- Use relevant data to monitor progress, set targets, and plan subsequent lessons
- Research new topic areas, maintaining up-to-date subject knowledge, and devise and write new curriculum materials as necessary
- Select and use a range of different learning resources and equipment
- To prepare and share responsibilities for Schemes of Work within the Faculty
- Prepare pupils for qualifications and external examinations
- Communicate effectively with parents/carers with regard to pupil's achievements and well-being using academy systems and processes
- Participate in faculty meetings, parents' evening, and whole academy training events
- Undergo regular observations and participate in relevant training as part of continuing professional development (CPD)
- Having professional regard for the ethos, policies and practices of the academy and maintain high standards in your own attendance and punctuality
- To undertake any other duties as defined by Teachers' Standards or determined by the Principal as being within scope of the post
