New Hall School

New Hall School is a leading HMC and IAPS boarding and day school for boys and girls aged 3-18. Founded in 1642, New Hall School is one of the oldest Catholic schools and the largest Catholic boarding and day school in the UK. New Hall is a strong and thriving community, set in a stunning location on the edge of the city of Chelmsford, just 20 minutes by train from London Stratford and 30 minutes from London Liverpool Street. There are also plans for Network Rail to open a new station at the foot of New Hall's Avenue; this is due to be completed by 2020.

At New Hall we operate the highly successful 'diamond model' structure, i.e. co-education in the Preparatory Division (ages 3-11), single-sex education in the Boys' Division and Girls' Division (11-16) and co-education in the Sixth Form (16-18). In this way, New Hall provides the best of both worlds: the benefits of a co-educational environment together with the advantages of girls and boys being taught separately from age 11-16. The provision of single-sex education during formative years enables students to grow in confidence, whilst enjoying an education that is specifically tailored and that recognises the different ways in which boys and girls learn.

New Hall School was awarded Independent School of the Year for 2016 in the Times Education Supplement school awards, and Financial Initiative of the Year (2016) for our Green Travel and Transport Strategy. New Hall was assessed as outstanding in its 2013 Diocesan and 2014 (Boarding) inspection, and as 'excellent' (the highest category) in its 2016 ISI inspection.

There is an exciting School Development Plan, which has the continued strengthening of the school's academic standing as the priority. Following the successful opening of two new junior boarding houses (ages 7-13) and a new Sixth Form Centre, in 2016-19 there will be significant investment in: digital technologies; sport; recreational facilities; 'Forest School' provision; staff accommodation; Chaplaincy; a new Pre-Prep Division building (opening in 2018); expansion of the Preparatory Division to 3-form entry; and planning for a new STEM Centre.

Students can board from ages 7-18 in one of six boarding houses. High academic expectations and achievements, together with outstanding pastoral care and exceptional drama, music and sports facilities and provision, together make New Hall a wonderful place to be educated.

At New Hall, the ethos is inspired by the founding Religious Community, the Canonesses of the Order of the Holy Sepulchre. The school welcomes all who support its ethos.

New Hall's Mission and Ethos

New Hall, a Catholic boarding and day school, provides **the best start in life**, enabling students to meet confidently the challenges of the wider world. Here **academic excellence** is achieved in surroundings where relationships are based on **care, trust and respect**.

We **welcome** students from many traditions, building a Christian **community** that has at its heart **prayer** and **service** to others.

Strategic Aims of the School

In all of these strategic aims, we seek to bear witness to our distinctive Catholic ethos, which is at the heart of everything we do:

1. To promote the Catholic life of the school and provide outstanding Religious Education
2. To be an outstanding and caring educator of all students
3. To recruit, support and develop outstanding staff
4. To provide outstanding learning opportunities through the co-curriculum
5. To promote New Hall's reputation as a distinctive school of choice
6. To share our ethos, grow and innovate
7. To ensure the on-going security of the school's financial future, and ensure affordability of fees, while continuing to invest in improving the quality of education

The Science Department

This is an exciting time for the Science Department, with the launch of the new STEM initiative in January 2016 (in accordance with our 3-year development plan) and the planning for the construction of a state of the art 12-laboratory Science Centre, within the next 5 years. The Science Department actively promotes STEM opportunities and works collaboratively with other departments in the school to enable students to explore these subjects beyond the confines of the syllabi. Given that New Hall is an all-through 3-18 school on a single campus, this provides opportunities to make valuable subject links between the primary and secondary phases. The Science Department is dynamic, forward-thinking and focused on pupil achievement and enjoyment.

The Science Department occupies 8 well-equipped laboratories. There are 2 dedicated laboratories for each discipline; Biology, Chemistry and Physics, along with two general science laboratories.

Science is taught as three separate subjects from Year 7 and GCSE work commences in Year 9. At Key Stage 4 students take AQA GCSE Science and can study Combined or Triple Award Science. For students who have a particular aptitude for Science there is the opportunity to study the 3 separate Sciences as Biology, Chemistry and Physics, on the recommendation of the Head of Science. All three Sciences are also popular options at AS and A2 Level.

The structure of staffing within the department is an overall Head of Science, a Head of Physics, a Head of Chemistry and a Head of Biology who work alongside the 11 other science teachers, assisted by six laboratory technicians.

The department are very committed to offering educational trips to a wide range of students. Nine keen Biology students recently enjoyed an Operation Wallacea expedition to South Africa. All members of the department teach across the age range including GCSE and A Level and contribute actively to the wider life of the school. The department offers a weekly Science Club and celebrates National Science and Engineering Week and Biology Week annually.

Teaching at New Hall School

As a teacher at New Hall School, you will enjoy working in a vibrant community with a strong sense of team work. Students are taught Monday to Friday, with the exception of EAL classes which take place on a Saturday.

All teachers at New Hall School are expected to contribute outside the classroom, either by participating in games or supporting another area within the co-curricular provision. There is also a requirement to contribute to the boarding provision by supporting a boarding event or outing during an evening or weekend (normally once per term). In addition, all teachers contribute to the outstanding pastoral care of students through the tutor system.

New Hall is a busy, fast-paced environment. The hours are long during the week but this is complemented by long school holidays, polite and enthusiastic students, tranquil surroundings, a generous salary scale, and complimentary restaurant-quality lunch each day!

What Staff Say

“Every child has a right to shine; it is our job to discover that talent and polish it”

“We advocate encouragement rather than pressure”

“At New Hall, children are encouraged to care; to treat others as they would like to be treated”

“We don’t have ‘colleagues’ - at New Hall you’re part of a family!”

“At New Hall we work together, sharing the same passion”

“The sense of community is built up through staff clubs such as staff choir, book club and dance classes, as well as staff vs Sixth Form sports fixtures”

“I love working in a place where I can be creative and make a real difference”
