We enjoy strong partnerships and engagement with our parents and recognise the importance of developing and maintaining strong home/school links. At the end of every half term parents receive a progress report which indicates whether progress is in line with expectations. Parent Consultation Evenings provide an opportunity for parents to meet with all of their child's teachers.

Students also have access to a personalised Social and Communication curriculum, which will enable them to progress across the curriculum and in all areas of life.

Extra-Curricular Activities

Every day the Academy provides the opportunity for students to participate in one of the many clubs and societies held during lunchtime and after school. Utilising our first class facilities we aim to inspire students and to build on their talents with a huge range of extra-curricular opportunities, encouraging all members of the school community to be involved.

Our thriving Duke of Edinburgh Award Scheme has been very popular at the Academy. This has given students the opportunity to travel, develop a wide range of skills and be successful in all areas of this award.

Most Able Students

Most Able Students enjoy a range of additional challenges through our INSPIRE programme, where they are nurtured and stretched to achieve, while those needing extra support in their learning benefit from receiving additional specialist help.
