Subject Leader of Drama

Full Time, Permanent

We are looking to appoint an outstanding, motivated practitioner with a proven track record of achievement to lead a committed drama department, promoting interest in the subject across the full age range of the secondary phase of the school. You will have specific responsibility for the progress and attainment of students in Drama and will be responsible for ensuring schemes of work allow all learners to make progress.

We will expect you to work closely with the Music and Performance department and contribute towards performances throughout the school year. The subject leader will manage and continue to develop a broad, balanced, relevant and differentiated curriculum for the subject area. There is the opportunity for the successful candidate to further develop the existing standards of student attainment and achievement through your fresh ideas, motivational skills and keen focus on improvement. You will join a team of creative, supportive and reflective middle leaders who play a key role in driving school improvement.

We are seeking an excellent practitioner who is innovative and committed to raising the achievement and enjoyment of learners in Drama to lead a popular department into the next stage of their development. The successful applicant must be committed to the continuing development of Drama across all key stages as we further develop our post 16 provision.

If you feel that this position is of interest and you have the right experience, skills and are ready for fresh challenges, with the ambition to make a real impact then we'd like to hear from you.
