Dear Applicant,

We are delighted to outline what is a really exciting opportunity and hope that this briefing pack will both motivate and inspire you to apply for this key leadership role at Wymondham College.

This position is a result of the promotion of a current member of the Senior Leadership Team (SLT) within Sapiaientia Education Trust (SET) which was established by the College in 2016 – Wymondham College is the largest state boarding school in the UK and the highest achieving non selective state secondary school in East Anglia in both 2015 and 2016. Wymondham College is rated “outstanding” by Ofsted for both education and boarding.

Wymondham College was appointed as a National Teaching School in October 2016 and is a World Class School and we have fantastic students and staff.

Wymondham College offers:

- A strong commitment to developing the whole child
- Achievement that is viewed in its broadest sense
- A belief that all can and will achieve
- Learning outside the classroom is highly valued and actively promoted
- Character education is integral to our work - developing resilience, self-esteem and a can-do approach
- CPD and Staff development is central to our improvement strategy
- A diverse student community and a broad international outlook (e.g. partner schools in China, Argentina, France, Spain and Czech Republic)
- We never settle for less than outstanding as our latest Ofsted report indicates.

Sapiaientia Education Trust provides:

- Opportunities for CPD and Career Development in a rapidly growing, successful Multi-Academy Trust
- Mentoring programmes to support senior leaders
- A National Teaching School Alliance and associated opportunities
- Links with a range of partner schools, both in Secondary and Primary

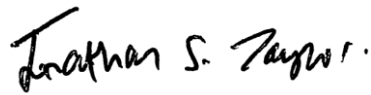

This is a tremendous opportunity to join us as we move in to an exciting phase of College development. You will have the opportunity to lead and support the teams to shape the future of one of the great state schools. We view the position as a fantastic professional opportunity that will provide an ideal platform for the successful candidate to potentially move on to Headship or leadership in a MAT in the future.

The successful candidate will be ambitious, student focused and resilient, they will believe in the power and moral purpose of education and insist on the highest standards for all of our students. Ultimately they will want and have the capacity to make a difference. Informal visits to the College are welcomed; please contact Dan Browning, Headteacher in the first instance (via his Secretary, Mary Lawson [lawsonma.ad@wymondhamcollege.org](mailto:lawsonma.ad@wymondhamcollege.org)). If this excites you, please apply!

The closing deadline for applications is: Friday 27<sup>th</sup> April 2018

Best wishes,

Jonathan Taylor

Dan Browning, Headteacher

## BACKGROUND INFORMATION

### The College

Wymondham College is the largest state boarding school in the UK, with around 650 boarding students and 700 day students. We are a mainstream 11 – 18 non selective state school, serving a very broad and diverse student community. We have a large Sixth form, with just under 500 students. The College is proud to be one of the great, distinctive state schools. Over the past few years the College has secured numerous accolades – these include: 'Outstanding' Ofsted inspections in education and boarding, World Class Schools Award, International Schools Award, Top 50 Schools Sunday Times parent power Award, Good School Guide endorsement and even selection to the Tatler Guide to the best state schools.

We have a proud record of strong academic performance. At GCSE in 2015/16 the College was in the top 100 schools nationally for Value-Added, EBACC and 5+A-C including English and maths. In 2017 84% of our Year 11 students achieved A\*-C in English and Maths and our progress 8 was +.33. A Level performance was also 'significantly above' average in progress terms, with over 29% of all grades A\*/A.

As a boarding school extra-curricular life and character development is core to our work. We run an extensive range of extra-curricular activities and our students excel in a wide range of areas – Arts, Sport and International opportunities are all exceptionally strong. We also have our own Combined Cadet Force (CCF) with Army and RAF sections.

We are an approved academy sponsor and in October 2016 became a National Teaching School.

## Student Admissions

The College has always been co-educational and has been organised in co-educational, combined day and boarding houses since the 1970s. The College is non-selective other than for a small number of places allocated for students with sporting or musical aptitude in Year 7 and the operation of a Minimum Qualifying Standard for entry into the Sixth Form. We are heavily oversubscribed for day places, with typically over 250 applications for our 82 Year 7 day places.

## School Funding

As a state funded boarding school all education at Wymondham College is free but parents (or sometimes charitable trusts or local authorities) pay a fee to cover the costs of the boarding provision at the College. The fee is much less than that which is charged by independent boarding schools and this, along with the fact that half of the College comprises of local day students whose parents pay nothing for them to attend, gives Wymondham College a very inclusive and down to earth ethos.

## Boarding

Boarding remains central to the Wymondham College ethos and experience. Some 650 of the College's students board on a full or weekly basis. Most boarders come from East Anglia, but there are a significant number of students from further afield in the UK, from continental Europe, the Gulf and Hong Kong. Service Children are well represented among the student body. All students attending the College must have UK or other EU/EEA or Swiss citizenship. The Ofsted Boarding Inspections in 2008 and 2012 judged boarding at the College to be "Outstanding". The College is delighted to have secured Outstanding in all areas of our latest Ofsted boarding inspection (January 2017).

## Sixth Form

The large Sixth Form of nearly 500 students is an important feature of the College. The Lincoln Sixth Form Centre was extended in 2008 and provides over 200 boarding spaces (of which 115 are in single ensuite rooms) and a focus for the life of the whole Sixth Form. Sixth Formers benefit from outstanding support and an extensive programme of enrichment opportunities, including work experience and visiting speakers tailored to their needs. The annual Lincoln Lecture is an opportunity for students to attend a lecture given by a speaker of national or international renown and there is a parallel lecture on scientific subjects, the Sam Peel Lecture. Student leadership is a major feature of Sixth Form life. Members of the Principal's Council are elected by their peers and undertake a wide range of representative, ambassadorial and organisational responsibilities on behalf of the student body as a whole. Student Subject Leaders are appointed by each academic department to act as advocates for the subject and to run activities and provide support for younger students. The Lincoln Junior Common Room runs a successful programme of social events for the Sixth Form.

## Governance

Wymondham College has a strong and active Local Governing Body (LGB), sitting underneath the SET Trust board. The LGB play a vital role in the wider leadership and accountability of the College.

There is an active Old Wymondhamians Association and a Parent Staff Association (PSA) which raises significant amounts of money to support a wide range of College projects.

## Brief History

Wymondham College was established in the aftermath of World War Two on the site of one of the largest American Army Hospitals in the European theatre. Its foundation was driven by the vision of Dr (later Sir) Lincoln Ralphs, then Director of Education for Norfolk. The Ralphs family remain closely connected to the College. Lincoln Ralphs's vision was to create a boarding school which would be a centre of excellence which children from all backgrounds could attend and which would bear comparison with boarding schools in the independent sector.

## Recent Developments and the creation of the Trust

Jonathan Taylor was appointed as Principal in 2014. During his tenure there was a sharp focus on teaching and learning, staff development and improved quality assurance across the teaching and boarding dimensions of the College.

The College formed a Multi-Academy Trust in early 2016, establishing the Sapientia Education Trust (SET). In September 2016 we sponsored a local primary school and by September 2018 it is likely that SET will have grown to a membership of 8 primary schools and 4 secondary schools.

This growth of the Trust necessitated the appointment of a new Head of School; Dan Browning in September 2017. Dan joined the College having been Executive Principal of King Richard and St John's School in the UK Ministry of Defence. Dan's role will change to Headteacher in July 2018 and Jonathan Taylor will assume the full time position of CEO of SET.
