Dear Applicant

I am delighted that you have taken an interest in the exciting role of Teacher of Boys' PE at Clayton Hall Academy. Your application will be the first step in joining our ambitious and expanding team. Your interest in our school coincides with an exciting phase of our development as we progress our Academy and grow our MAT.

Our aims:

- To provide all students with a rounded education by supporting their learning.
- To improve their well-being.
- To contribute to the cohesion of the communities we serve, involving our students as active citizens within these communities.

Physical Education plays an important part in our curriculum, and PE is a popular choice as an option at GCSE. We offer a variety of extra-curricular sports clubs to all students and the school has an excellent record of sporting success. We are proud of our extensive facilities both indoors and out.

What we really want are teachers who have skills, passion and an unshakable belief that students can achieve. We have some of the brightest young minds in the country in Clayton and some keen sporting talents. If you join us, you will work hard, but will receive 100% support from our dedicated team and from me personally. Visits prior to application are more than welcome.

If you would like to join us and work at Clayton Hall, please let me know your experience and philosophy to date. Your letter should be no longer than 2 sides of A4 and I would like you to address the following points:

1. Why do you have a passion for Physical Education?
2. What does an outstanding Boys' PE lesson look and feel like?
3. How do you give your students responsibility for their learning?
4. How do you enthuse boys to enjoy PE?

I look forward to receiving your application.

Yours sincerely

Julian Morgan
