## Ormiston Six Villages Academy

*We have built a community who strive for excellence in all we do. We stretch, stimulate and grow a love of lifelong learning in our students...*

We believe in the limitless potential of every young person we serve. There is no impossible dream or limit on ambition. As we nurture every student to be leaders of tomorrow we instil in them today the mindset and skills along with the qualifications and experiences to open any door.

Students are taught to be self-reflective and active citizens who contribute to the life of the Academy. Each student models excellent behaviour at all times and wears the Ormiston Six Villages Academy uniform with pride. There are no excuses for poor behaviour. Issues are resolved through dialogue and opportunities to make amends and sanctions enable students to learn from their mistakes. Students follow a code of conduct and are taught how to behave out in the community and within the academy's communal spaces and classrooms. Every member of the community is valued and respected. Diversity is celebrated.

The extended school day allows for students to complete homework, engage in a range of extracurricular activities and attend personalised catch up classes for those who have fallen behind. To ensure intellectual growth, students are expected to spend additional time learning at home.

Community assemblies reflect the soul of the Academy. Led by students, staff, and members of the community they serve as platforms for celebration, recurring forgiveness and aspiration setting.

The school building and classrooms are an extension of our values, vision, ethos and aspirations for young people. Displays are vibrant, reinforce high expectations and promote university and career aspirations. Global figures, past and present, act as visual reminders of the power of education. Reading for pleasure is encouraged and forms part of the termly competitions. The Six Villages reading list for each key stage is advertised widely.

Staff work collaboratively to plan exciting, stretching and engaging lessons. Teachers greet every student at the door and have materials ready for each session. Lessons consist of review, new learning, independent practice and homework setting. There is an open door culture. Staff foster a love of learning and students have a number of learning spaces for independent study. Students continue to develop and learn through trips, residential stays and new experiences.

The Academy works in partnership with parents and expects full commitment in ensuring each student maintains excellence in attendance and punctuality, school uniform, attitude and homework completion. New students and parents take part in a summer induction to learn 'the Six Villages way'. Regular communication and attendance at progress review meetings is obligatory.

All members of the community are role models and have a leadership responsibility. Staff are highly visible at all times of the school day. Through empowerment, training and coaching, we develop a legacy of good practice for longevity of success at Ormiston Six Villages Academy.

**Nick Hudson, Interim Chief Executive  
at Ormiston Academies Trust (OAT)**

**Ormiston Academies Trust (OAT) is a not-for-profit academy trust, sponsoring primary and secondary academies since 2008.**

Our vision is for all young people to have the highest academic, social and practical skills to allow them to lead a fulfilling life. We are determined to become the Trust that makes the biggest difference. OAT academies share the Ormiston Academies Trust ethos of ensuring every child reaches their full potential; being aspirational and committed to academic excellence and being supportive yet courageous in our approach. The principles that lead to our academies’ success are not complicated:

- **Courage** – addressing the challenge where it’s not being addressed.
- **Aspiration** – no ‘can’t’ or ‘won’t’. There’s no place for excuses when a child’s future is at stake.
- **Culture** – insistence on the highest standards of performance and behaviour, without exception. That goes for teachers and students.
- Great leadership and finding the best teachers.

OAT is part of **Ormiston Trust**, which was set up by the Murray family in the name of Fiona Ormiston Murray—a young woman with her whole life ahead of her. She and her new husband were tragically killed in a car crash on their honeymoon in 1969.

Ormiston’s programmes now support thousands of children, young people and their families all over the UK, helping to improve their life-chances so they can fulfil their potential and lead happy and productive adult lives.

Ormiston’s programme of opening new academies continues with further expansion planned in the south of England, making future career opportunities with the Trust in this area within reach.

## *We would like to welcome you to Ormiston Six Villages Academy.*

Throughout our journey from Year 7 to Year 11 at the Academy, we have witnessed our teachers constantly strive to allow every individual to achieve their very best through their strong relationships with students and how they support them in every lesson. We can truly say that we have valued the many opportunities the staff have given us to allow us to grow and develop and become the best that we can be.

Our Academy is small enough to ensure that every student is known personally by members of the staff; this helps to inspire an active community that welcomes people from all different cultures to work together and create new experiences for one another.

Student leadership opportunities are strongly encouraged and are important to both the students and the teachers. As students, we are given a platform to play an active part in decisions, giving ideas and opinions to make the academy better for the benefit of our whole community. We have a variety of roles, including Heads of Community, Student Leadership Team, Peace Ambassadors and Sports Leaders. As a result we feel we empowered to make valuable contributions to events and changes at the academy.

Our Academy has high expectations for all students—as students, we are proud to set high expectations of ourselves and each other, believing there is “Excellence in All” that can be achieved with the right drive from the students and support from the teachers.

**Ormiston Six Villages Academy** is located in Westergate, between Chichester and Arundel, at the foot of the South Downs National Park.

On entering the Academy, students become a member of one of three communities, Wiston, Petworth or Goodwood—named after 3 prominent Sussex estates, reflecting our local heritage and our setting at the foot of the South Downs.

The Academy serves the predominantly rural communities between Chichester to the west, Arundel to the east and Bognor Regis to the south. Many of our students come from the surrounding area known as the 'Six Villages' - Aldingbourne, Westergate, Eastergate, Barnham, Walberton and Yapton - in the district of Arun.

Together, the villages provide a range of shops and services, and good road links together with Barnham's mainline railway station ensure good connections to London and the major South Coast hubs of Worthing, Brighton, Portsmouth and Southampton. There are enviable leisure facilities within easy reach—such as the internationally-renowned Chichester Festival Theatre, the spectacular draw of the Goodwood Estate and its world-class motoring events such as the Festival of Speed and the Revival meeting, as well as its racecourse. The surrounding countryside of the South Downs National Park and plentiful beaches, harbours and marinas provide ample opportunity for outdoor pursuits.

There is good availability of quality housing both in Arun and its neighbouring district, Chichester.
