The Directors and Governors of this highly successful Catholic Academy, a member of the Carmel Education Trust (a Multi Academy Trust), wish to appoint a Teacher of RE with the ability to teach to KS3 and 4 and preferably KS5.

Carmel College is recognised by Ofsted as Outstanding in all areas and holds a number of nationally recognised awards including: Inclusive School Award, Arts Mark, Confucius Classroom and International School Award. Carmel College is proud to be a Teaching School, offering support and training for leaders across the region including Initial Teacher Training regionally, and the Science Learning Partnership and the Archimedes Maths Hub.

We are seeking to appoint a well-qualified and enthusiastic teacher who would relish the opportunity to teach RE in our 11-19 College. We welcome applications from newly qualified and experienced teachers.

We have high aspirations for our students and staff and we invest heavily in professional development to enable staff to flourish, continually learn and develop and access Trust-wide career opportunities.

We look forward to welcoming you to our College; please call us to arrange a visit.
