

JOB INFORMATION PACK

TEACHER OF PE

Required for September 2018

MESSAGE FROM THE HEAD

Dear Applicant,

I am delighted that you are taking an interest in working at Isleworth & Syon School, an 11-18 Boys' School (with a mixed Sixth Form) in Isleworth, West London. The school is a high-performing school, where boys consistently out-perform their peers nationally and locally.

My colleagues and I are all proud of working in an excellent school. In a recent school review the visiting team commented that:

"the school succeeds in dispelling the myths and stereotypes that are sometimes associated with boys' schools. This a caring environment in which the emphasis on, "learning, achieving and succeeding together," permeates school life." [Challenge Partners 2017]

I want the people that join the staff team to share in maintaining this emphasis and our excellent standards as we continue to provide the very best education for local boys.

The school's history can be traced back to around 1630 and we are very proud of our long well-established traditions. We are, however, a very forward-looking school always focused on continual school improvement as we endeavour to prepare our boys to be considerate, mature and ambitious young men. We have many mantras in school, the most visible one being for all members of the community to be "outstanding in every respect".

Of course we are always focused on academic performance and our current progress measures place us as one of the top performing schools in the country. We have recently joined the Leading Edge group of schools, the only national partnership for high-performing schools.

Alongside the academic side of the school, we maintain an exceptional extra-curricular offer. We consider that this is a key factor in the success of the school and in ensuring that our students achieve their academic potential.

I do hope that you will review this application pack and I will look forward to receiving your application.

Euan Ferguson
Headteacher

THE POST

There is **one** post available, offering the successful candidate a fantastic opportunity to join our excellent, over-subscribed school, and to work within an inspirational and supportive team of staff.

This post is permanent and will suit a colleague wishing to progress their career. The position is required for September 2018; NQTs can start from 1 July.

DEPARTMENT ETHOS

The PE department sets exceptionally high expectations and offers a well-designed learning experience for all students.

The key aims are to provide an excellent education and offer enrichment opportunities across the age and ability profile. These aims are driven by a commitment to stretch the abilities, skills and talents of all and allow our students to work towards achieving their maximum potential.

CURRICULUM

The departmental plan prioritises an agenda that aims to provide meaningful physical activity, enjoyment, and intellectual stimulation through all taught and extra-curricular activities, effectively securing student success and achievement.

Isleworth & Syon School is well-known, locally and nationally, for its reputation for high quality PE and sport. The most recent subject inspection in PE graded the department as 'outstanding' and this has been supported through our partnership work with Challenge Partners, where the department has been deemed as an 'area of excellence'.

The department has a well-established team led by the

Curriculum Leader. There are five further full-time members of staff, with many other colleagues contributing to our outstanding extra-curricular provision.

The school also takes responsibility for 'Sport Impact', the nationally recognised partnership that continues the work of the School Sports Coordinator Scheme and drives excellence in PE and Sport in our local primary schools.

The partnership has expanded recently and now leads the developments in the London Borough of Richmond-upon-Thames and variously provides consultancy for a number of other areas.

SCHEMES OF WORK

At Key Stage 3, all students have two one-hour lessons each week. The curriculum is varied but with a key focus on the major games of rugby, football, cricket, athletics and fundamental motor skills.

At Key Stage 4, all students receive two hours of core PE, while students who take PE at GCSE or BTEC level receive additional lessons.

In the Sixth Form, PE is a popular choice at A level, and we have also extended the provision with a level 2 BTEC award and level 3 CTEC diploma in sport & physical activity.

EXTRA-CURRICULAR

The range of extra-curricular activities is vast at Isleworth & Syon and is described by Ofsted as 'exceptional' in this area. Activities are inclusive and of high quality. In the PE department, enrichment opportunities cater for a full range of interests from traditional games, to Sub Aqua, and our outstanding Badminton offer, in which our boys have been borough champions at KS3 and KS4 level for each of the last ten years. The Duke of Edinburgh's Award is coordinated through the PE department and we run the scheme at all three levels.

Our Gifted and Talented programme caters for our elite sportsmen and leadership opportunities are provided through our highly successful and popular Junior Athlete Education Programme.

We have just announced a partnership with London Scottish FC - a professional rugby team playing in the English Championship (the second tier of English rugby). This link will enhance our rugby provision through an educational link to the London Scottish rugby academy.

TEACHING GROUPS

Our teaching groups are generously staffed and our teachers work in a collaborative manner. Student behaviour throughout the school is deemed by Ofsted as 'outstanding' and in PE is often beyond outstanding.

FACILITIES

A classroom with an interactive smartboard is designated for GCSE, BTEC and A level lessons. All staff are encouraged to make use of ICT resources in their teaching. The school has a four-court Sports Hall and a gymnasium, both of which have been recently refurbished. The Sports Hall houses a weight-training facility. On-site, outdoor facilities include a 4G floodlit astroturf pitch, four cricket nets, and a large grass area.

Off-site, there are three pitches at Busch Corner (a ten-minute walk from school). In addition, we have regular use of the newly installed six-lane club standard athletics track across the road, and use of tennis courts at Thistleworth Tennis Club and the water-based astroturf at Indian Gymkhana for hockey.

AN EXTENDED SCHOOL

Parents/carers are supportive and are kept informed of all aspects of their child's life at school through the school website, social media accounts (Facebook and Twitter), Parent Portal, an Annual Review and the Student Planner. The latter records all homework set and is also a means of communicating positive comments, commendations and important dates.

We are proud of our PE department and take great joy from seeing former students like Owais Shah and Mo Farah (below) competing on the international stage.

THE PERSON

Having the highest quality staff (teaching and support) is the key to being a successful school. It is our intention to only appoint staff who will enhance the school, thereby ensuring that our students have the best possible chance of achieving their potential.

We will only appoint teachers who have the potential to secure consistently “good”, or, preferably, “outstanding” outcomes for students.

This means that the appointed person will:

- Have DfE qualified teacher status
- Possess a good degree or a relevant professional qualification, **and** have strong GCSE and A level qualifications or equivalent qualifications
- Have successful experience within the 11-18 sector, including during teacher training
- Have strong communication skills, including written and spoken fluency and accuracy in English, as well as having a good understanding and competence in ICT
- Be able to develop highly productive working relationships with students, parents and carers and colleagues, governors and other professionals
- Possess good organisational skills
- Have an energy and enthusiasm for the education of young people, and a commitment to achieving high standards
- Be committed to inclusive education, to student learning, and to raising achievement for each and every student
- Be willing to participate in extra-curricular and enrichment activities in the chosen subject area
- Have a high degree of professionalism, which is modelled on a daily basis in the workplace and when representing the school.

“The strong commitment of staff to meet the needs of pupils is evident.”

- Ofsted 2017

STAFF BENEFITS

All staff at Isleworth & Syon School benefit from:

- Dynamic, innovative and supportive colleagues with “outstanding” student behaviour.
- A school ethos which encourages and insists on students being polite and courteous.
- A supportive PTA and parent body, and a high quality body of governors, several of whom work in education.
- A full and bespoke induction programme.
- An on-going professional development programme with an individual CPD allowance.
- A highly-subsidised MA in Education delivered by St. Mary's University College.
- Involvement in national staff development programmes.
- The opportunity to work with a range of leading external partnerships.
- Being part of a Leading Edge School
- Membership of the International Boys' Schools Coalition.
- A founding and partner school in the Challenge Partnership.
- A supportive consortium of local secondary schools which facilitates co-educational teaching and learning.
- Working within a highly effective Education Improvement Partnership.
- State of the art touchscreen classroom technology and a laptop.
- Free annual flu-jab.
- A pick-up and delivery dry-cleaning service.
- A subsidised 'Cycle to Work' scheme.
- A chef-led canteen service.
- Staff sports sessions and a staff badminton club.
- The Isleworthians Association (the former students' network).
- Excellent transport links to the West End and Heathrow.
- Working in a conservation area in Osterley, West London with both Osterley Park and Syon Park within walking distance.

HOW TO APPLY

You must submit either the 'Quick Apply' form from the TES site or our 'Teaching Staff' application form, ensuring that all sections are fully completed.

You must also complete a statement of application within the application form of no more than two sides of A4 (font 11 or 12), demonstrating how your qualifications and experience make you a good candidate for the post.

"[Pupils] say that school staff encourage them to be friendly and to show respect towards each other."

- Ofsted 2017

SENDING YOUR APPLICATION

Please address your application to the Headteacher, Mr Euan Ferguson. You may submit applications by e-mail to school@isleworthsyon.org (with a subject line of 'Job Application: PE Teacher') or by post to: Isleworth & Syon School, Ridgeway Road, Isleworth, Middlesex, TW7 5LJ.

Applications must be received by **09:00 on Wednesday 20 June**. Early application is encouraged, as we will undertake selection processes on receipt of completed forms. A selection process will be held shortly after the vacancy has closed.

Rehabilitation of Offenders Act 1974 (Exceptions)

Isleworth & Syon School is committed to safeguarding and promoting the welfare of children and young people, and expects all staff and volunteers to share this commitment. This Act requires applicants for employment concerned with the provision to persons under the age of 18 of schooling, supervision, training or recreational facilities which allows access to children and young people, to disclose all their previous criminal convictions whether "spent" or "unspent", bind-over orders and cautions, as defined within the Act. The successful applicant will be subject to an Enhanced DBS check, references and other pre- and post-employment checks.

Equal Opportunities

The School is totally committed to avoiding all forms of discrimination as set out in the UK Equality Act (2010), and values diversity amongst its staff and for applicants for posts.

The School, therefore, aims to ensure that all individuals are treated fairly and equally. Unless the job is covered by a statutory exception, we will not discriminate directly or indirectly on the grounds of: cultural background; ethnic or national origin; nationality; age; gender; sexual orientation; disability; religion; marital status; or membership of a trade union.

LOCATION AND POPULATION

The school is situated close to the centre of Hounslow, just off the Great West Road. Excellent transport links and the proximity to Osterley, Isleworth, Brentford, Chiswick and Hounslow result in a truly comprehensive and richly diverse intake of students. The school buildings date from the 1930s and are built in an Art Deco style. Isleworth Grammar School and Syon Secondary Modern School amalgamated to form the current school in 1979.

We are over-subscribed with first-choice applications for the 180 Year 7 places. This has been the case for many years. However, in the past few years this level of oversubscription has increased, much of which arises from neighbouring authorities. Our reputation for providing high-quality education for boys is becoming known well beyond our usual boundaries.

We are proud of the achievements of our students. Whilst league tables do not allow our boys to be fairly compared with boys in mixed settings, we know that our students continually out-perform their counterparts in mixed schools. Our most able students achieve as well as or better than students in any educational setting, and sixth formers regularly gain places at Oxbridge, and other top educational institutions.

Our GCSE results this summer improved to record levels, with a 100% pass rate and a Progress 8 score of +0.46, 0.70 above boys' national results. At Advanced level, our results for value-added were in the top 10% of schools nationally, and have been so for the last nine years. Whatever one's views about single-sex education, we know that our school allows our boys to flourish and develop in an environment that supports them. Girls are welcome in our sixth form, and they too perform extremely well, and enjoy their time with us.

HISTORY AND TRADITION

The school's history can be traced back to 1630 and it has experienced many stages of development in that time. We take pride in our history and continue with many of the established traditions.

School uniform is a strong feature, with hairstyles conventional, school rules well-known and implemented, and poor behaviour not tolerated. Staff are also expected to dress in a manner that befits their professional status. Courtesy and respect are attributes that are encouraged and valued.

The awards that students can access include 'colours flashes' and 'colours ties', which are awarded for academic, artistic and sporting achievement, as well as for progress and contributions to the school or community. It is our view that the insistence on traditional values and the blending with innovative practice are the key reasons for our popularity. Looking to the future, our drive is to be 'outstanding in every respect', and this mantra is used on a daily basis in school.

Currently we are planning to expand the school to take an additional two forms of entry from September 2019 due to the fact that, since 1979, the school has never been stronger than it is today.

ACADEMY

In March 2012, we successfully converted to being an Academy, and we have ensured that we maintain our foundation of governors and our philosophy of working in partnership with others. In 2003, we gained specialist school status as a Sports College.

Ofsted and the Youth Sport Trust know of no other state school in the south of England that maintains a full Saturday morning programme of sport. We continue to run the School Sport Co-ordinator Programme, under the 'Sport Impact' banner, the most successful partnership in the country. Double Olympic Champion Mo Farah (pictured right) attended our Sixth Form prior to taking up a place at St. Mary's University College, and he maintains a close link with the school as patron of 'Sport Impact'.

In December 2005, we were the inaugural winners of the 'Sports College of the Year' Award. Whilst we maintain a strength for PE and sport, we match this success with outstanding provision throughout many other areas of the school. There are particular strengths in an increasing number of curriculum areas, across the pastoral system and in our extra-curricular provision. In March 2012, we were awarded Leadership Academy status, in recognition of our exceptional work in this area.

THE STAFF

The teaching staff and support staff at Isleworth & Syon are thoroughly professional, with their hard work and expertise ensuring the success of our students. An enormous amount of work has gone into developing a comprehensive induction process for new staff, as well as professional development opportunities for all staff. We are committed to an extensive CPD programme through our involvement in national programmes, our own inset programme, and through our links with Initial Teacher Training establishments (SWELTEC, The Institute of Education and King's College). We also work with trainee teachers who join us from Teach First, School Direct and the new Researchers in Schools programme.

We have a partnership with St Mary's University College to offer a very heavily subsidised MA in Education. Leadership is strong throughout the school, and staff are positively encouraged to develop further their own expertise.

Our expectation is that teaching across the school is outstanding. This results from all staff working hard at their own teaching and striving for excellent outcomes for every student. It is also important that our teaching staff commit to being self-reflective, to the sharing of good practice, and to working well in a subject or faculty team.

"TOGETHER WE LEARN, ACHIEVE AND SUCCEED."

CURRICULUM

We offer a Key Stage 3 curriculum that places an emphasis on ensuring that students make rapid progress, especially if extra literacy and numeracy is required. The curriculum is traditional we have an accelerated Key Stage 3 curriculum which has been in place since September 2015, to ensure the best possible progress at Key Stage 4. At Key Stage 4, we operate a pathways model.

There are three distinct pathways, which include a highly traditional academic pathway, and well as pathways with varying degrees of vocational options, to meet the personalised learning requirements of our students. This includes a pathway that allows students to study off-site for one day in the week. We are constantly reviewing the curriculum offer at Key Stage 4.

Our Sixth Form has grown over the last few years and is strengthened by the close links with local schools, with whom we work in a very productive and supportive partnership. We are able to offer a very broad range of subjects in the Sixth Form and, although our curriculum is mainly traditional, we have developed vocational options to meet the demands of our students. Girls join us in the Sixth Form, either from consortium schools or as new students to the school. The Sixth Form is an excellent area of the school and many students continue their education at university or college.

"Pupils, parents and staff are supportive of the school's mission in the community. The school is a popular choice for families."

- Ofsted 2017

EXTRA-CURRICULAR ACTIVITIES

Opportunities for students, both within the curriculum and as extra-curricular activities, are a major feature of life at school and intrinsic to our values.

Ofsted have consistently noted how the extensive range of additional opportunities afforded to the students has a significant impact on the school's ethos, the learning of our students, and relationships throughout the school. Staff take the initiative with such activities, to the benefit of many students.

We enjoy a strong and growing tradition of music and drama in the school. The annual school production has included performances as diverse as 'Fantastic Mr Fox', 'Romeo and Juliet', 'The Government Inspector', 'Great Expectations', 'It's a Wonderful Life!', 'Macbeth' and 'Private

Peaceful' (pictured left below).

The quality of artwork around the school is outstanding, and some of our students' work has appeared on permanent display in Kew Gardens.

The school is a Centre of Excellence for Badminton and we run the Duke of Edinburgh's Award Scheme at all three levels, including being the only local school running our own Gold expeditions.

The House System is a source of great strength and provides a range of competitive and charitable activities.

PASTORAL CARE

The pastoral system is a strength of the school and is led by the Senior Deputy Headteacher and supported by two Assistant Headteachers.

Systems are designed to ensure that students are fully aware of the expectations on them, of the support available to them, and of the range of sanctions and rewards used, as we endeavour to ensure that all our students become mature, considerate and confident young men (and young women in the Sixth Form).

Three Pastoral Leaders take responsibility for Years 7 & 8, Years 9 & 10 and Year 11, and each is supported by year teams of tutors. In addition, there is a House System, with three House Leaders working vertically across the school to provide pastoral support and a wide range of additional opportunities for students.

Behaviour management systems are supportive of students and have a strong emphasis on ensuring that our students become 'the best that they can be'.

Relationships within the school are excellent and this ensures that the school is a very pleasant place in which to work.

"The school is a safe and ordered environment. Pupils continue to behave very well in lessons and during unstructured times."

- Ofsted 2017

THE FUTURE

We are committed to an ongoing and intensive programme of school improvement in order to ensure that our students, and those in our partner schools, have access to outstanding educational provision, from our Gifted and Talented students, who have their own enrichment and mentoring programmes, to the students who require additional support at school.

We are one of the original members of the 'Challenge Partnership', a group of schools working nationally to improve education across the country. We are also a Leading Edge school and a member of the International Boys Schools' Coalition, both groups of high-performing boys' schools nationally and around the world. This affiliation allows us to share experiences and learn from UK and international colleagues to improve the educational successes of boys.

"Pupils enjoy learning and feel suitably challenged by their teachers; staff are proud of the work they do."

- Ofsted 2017

Our improvements are focused on ambitious outcomes for students, a rigorous focus on high-quality teaching, ensuring leadership and management throughout the school is outstanding, and underpinning this with a 'no excuses' culture when it comes to student behaviour.

We are a technology-rich environment, within which all members of the community have the opportunity to develop high levels of capability, confidence and competence in the integrated use and application of ICT. Every classroom is networked and all have interactive facilities in place. Self-evaluation is the key to fulfilling our improvement agenda.

School reviews consistently note how well we were aware of our own strengths and weaknesses. At our most recent visit (February 2017), Ofsted reported that "leaders are ambitious and have set robust targets to drive improvements."

Over the next five years, we intend to maintain and build on our existing strengths and to be outstanding in all areas, setting ever more aspirational targets to ensure that our staff enjoy their work and our students achieve academic excellence, whilst developing into mature, considerate and confident young men.

"TOGETHER WE LEARN, ACHIEVE AND SUCCEED."
