## About the school

The Bishop of Llandaff is an 11-18 Church in Wales High School with over 1300 students on roll including 280 in the sixth form. The school is located in picturesque Llandaff and provides a faith-based education to families across the city of Cardiff, as well as neighbouring areas, including The Vale of Glamorgan, Bridgend and Pontypridd.

Built in the 1960s, the school site reflects its age. However, while we recognise there are some areas of the site which require modernisation, the members of our community which make up the school, we feel, make it a great place to learn and achieve. We believe this is far more important than having 'shiny new buildings'. Furthermore, we have invested heavily in technology and made

best use of the site's restrictions. The school is heavily over-subscribed in all year groups and the excellent relationships between students and staff help to create a positive and productive working environment for all.

We believe in the power and value of a faith education to change lives and impact positively on the world in which we live. Everything we do is based on our mission to "serve and love" each student. We are an inclusive school and appoint members of staff who, whatever their own beliefs and backgrounds, will actively support our ethos and "put the children first" so that all who work and learn at The Bishop of Llandaff achieve their full potential.

## Mission and Core Purpose

**Our mission is to be a Christian school which welcomes students of all faiths and those with no faith background. We fully celebrate all forms of diversity as we firmly believe this enriches our school and strengthens the bonds between us. We believe that each member of our community is on a path of self-discovery, growing to know themselves "as they are fully known" in the image and likeness of God. We provide a forgiving and loving environment for all our students, where everyone is respected and treated equally.**

**Our core purpose is to enable all of our students to know themselves and to do good in our world by living out our gospel values of love, acceptance, responsibility and forgiveness. This environment encourages each student to reach their full potential and nurture God-given talents.**

## Welcome

Thank you for your interest in the Lead Practitioner: English post currently being advertised at our school. I thought it might be useful if I gave you a personal perspective of the school to help you to decide whether or not The Bishop of Llandaff is a place where you may be happy, thrive and make a valuable contribution to the students in our community.

We have one clear aim... to make The Bishop of Llandaff the best school in Wales! There is a strong tradition of academic achievement at the school. However, we are definitely not complacent and we want to be even better.

Having joined the school in September 2014, I genuinely believe the school has infinite potential. In a short space of time, a great deal has been achieved and, collectively, there is a commitment to improve further. In 2016, the school achieved record-breaking examination results at both GCSE and A Level. 99% of our Year 11 students gained 5 or more A\*-C grades at GCSE, with 89% including English and mathematics; 35% of students achieved at least 5 or more A\*-A; and nearly 40% of all grades were at A\*-A. At A level, students enjoyed similar success with 100% of students achieving the level 3 threshold and 86% gaining A\*-C and 64% of all grades at A\*-B.

The students, as you will see for yourself should you visit us, are happy, hard-working and very positive about the school. They genuinely are an asset to our community and are incredibly friendly. They want to receive a high quality education and to become successful learners. In addition, we have a talented and committed team of staff who are both enthusiastic and passionate about providing the students in our care with an exceptional education. We have fantastic parents and governors who are unstinting in their support in helping us ensure each student receives the very best start in life.

The school is a designated hub school within the regional consortia focusing on developing leadership across schools, as well as curriculum leadership of English. This fully reflects the strong reputation of the school, in terms of its provision, outcomes and quality of staff. I believe this post represents an exciting opportunity for someone to join a forward thinking group of staff and help support the school to go from strength to strength.

We are only looking for the finest staff to work with our students. This is what they deserve and, ultimately, it is my role to ensure we find, recruit and develop our staff fully. We do not accept poor performance in any area of our work and we do not aspire for anything short of "excellence". As a consequence of the great relationships between staff and students, incidents of poor behaviour are rare; as a community, we laugh a lot and we really enjoy coming to work/school.

If you are excited by the prospect of playing a significant role in helping us achieve our ambitions; have a core belief that all students, no matter what their background or ability, can achieve; and have a passion for and clear understanding of providing an outstanding education, then, we would love to hear from you! In return, we will guarantee you the very best level of support, focusing on providing you with the right environment to be the "best you can possibly be".

Feel free to make an appointment with my PA, Joanne Hudson to come and see us in action. We are open to visitors every day!

## Examination Performance

The Bishop of Llandaff consistently performs above local and national averages at all key stages. We are very proud of the efforts of our students and staff. However, we are not complacent and are constantly seeking ways to improve in the very few areas which are less effective. We work tirelessly to build on our successes and raise performance where needed to help make the school the best in Wales. Performance against most indicators places the school in the top 25% of similar schools (based on free school meals entitlement).

### GCSE Results

In 2016, 99% of students achieved 5 or more A\*-C grades at GCSE, with 89% including English and mathematics. These results, which include our autistic resource base, place the school well above the average performance within the city of Cardiff and nationally. We are very proud that our performance at GCSE places the school as the 2<sup>nd</sup> highest performing comprehensive school in Wales and the top performing faith school in Wales.

### % 5 or more A\*-C including English and mathematics

#### At AS/A Level

In the sixth form, examination results are very strong. The school consistently performs better than the national average and when compared to similar schools for the indicators against level 3 threshold and average wider points score. Each year, a high proportion of our students gain places at Russell Group universities as well as Oxbridge. We have a strong track-record of students gaining places to read medicine and veterinary science. Our high quality support helps ensure all students are prepared to progress to university or work.

## School Curriculum

Our aim is to offer a broad and balanced curriculum accessible to all students that develops the knowledge, understanding, skills and attitudes which are necessary for each student to achieve their full potential. The curriculum prepares students for further study, employment and adult life.

We take every opportunity to ensure that all students, regardless of ability, make the best progress possible and achieve the highest possible standards in subjects and qualifications. We strive to narrow the gaps in achievement and enable those not achieving age-related expectations to catch up with their peers. Our Head of Inclusion/SENCo works closely with all departments, in order to support students so that they all have access to the curriculum. The school challenges more able and talented students so they achieve their full potential and their progress is sustained and enhanced. Teaching groups vary in nature but generally there are mixed ability classes on admission in Year 7. A process of setting, determined by the mathematics department, takes place in Year 7 with further extensions to setting in Years 8 - 11.

### Curriculum Organisation

We deliver the National Curriculum to all students at 11-16 to develop a broad and balanced diet of learning. At key stage 3 (Years 7 - 9) the school curriculum consists of core subjects: English, Welsh, mathematics, science and religious education; and non-core subjects: modern foreign languages, design technology, ICT, history, geography, art, music and physical education; PSE (including sex education) & careers and the world of work. At key stage 4 (Years 10 - 11) the school curriculum consists of compulsory subjects: English language and English literature, Welsh second language, mathematics: numeracy and mathematics, science, religious education and physical education, PSE (including sex education) and careers and the world of work; and a broad range of academic and vocational courses leading to external qualifications. At key stage 5 (Sixth Form) the school curriculum consists of a broad range of courses leading to external qualifications; and all students follow the Welsh Baccalaureate Qualification (WBQ).

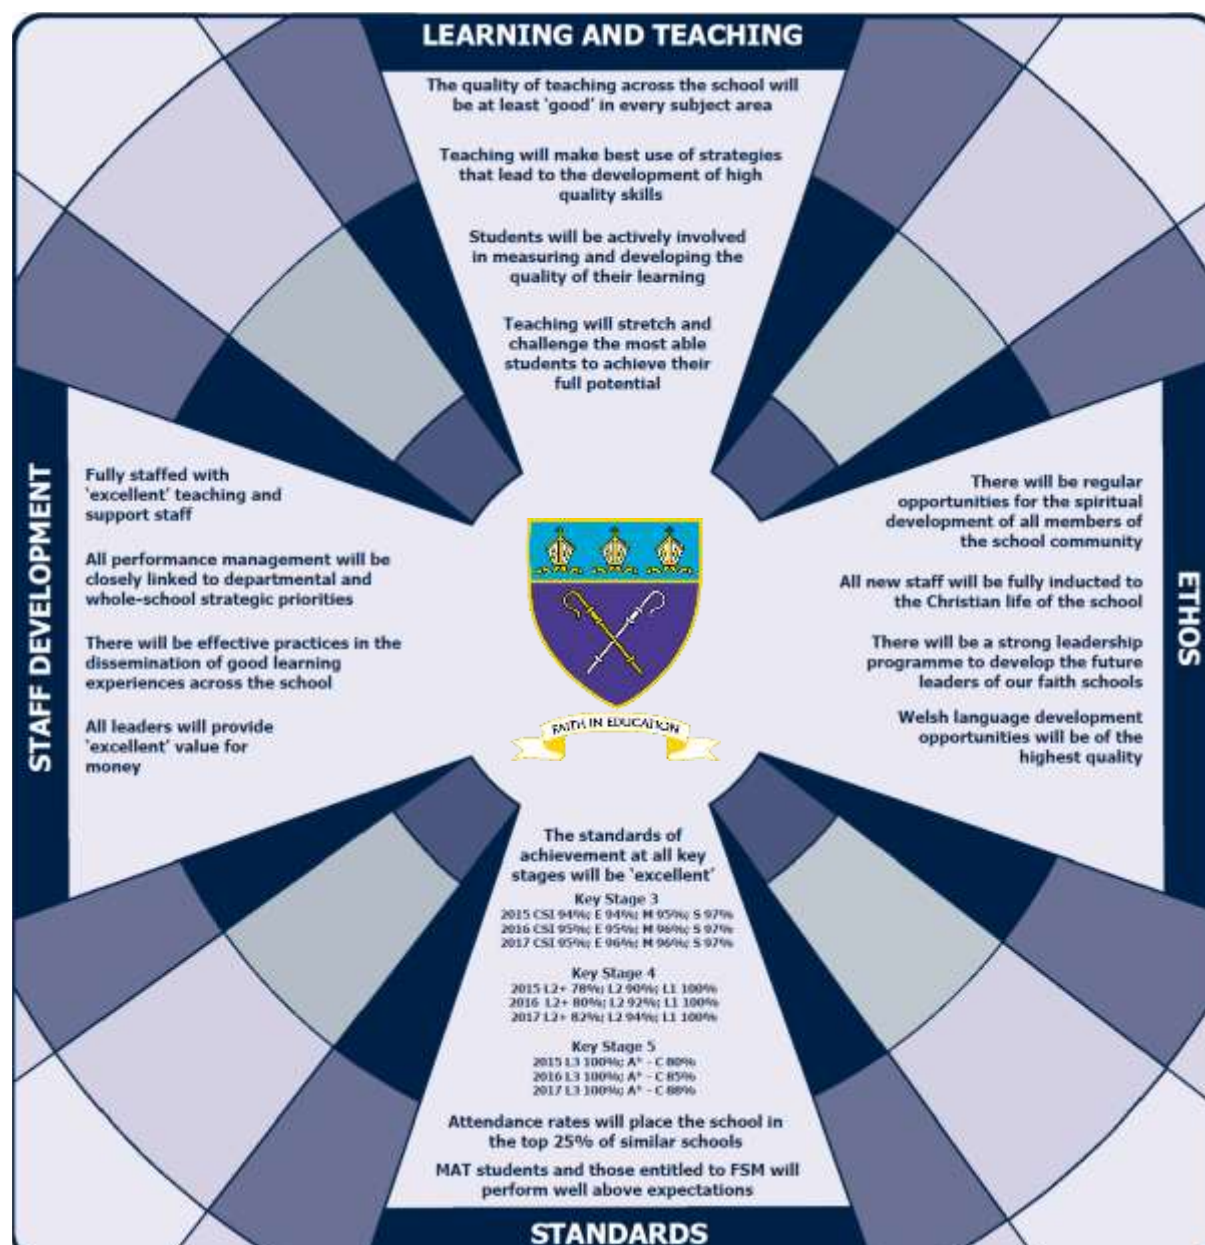

## School Improvement Priorities

The school improvement plan is our strategic approach to help to raise standards and improve quality at The Bishop of Llandaff. It is a three year plan of improvement, which will be modified periodically and reviewed to measure the impact of our actions. The main priorities and how we will measure the success of these can be summarised by the graphic. Our aim is to focus on **LESS** so that, together, we can achieve more.

1. **LEARNING AND TEACHING;**
2. **ETHOS;**
3. **STANDARDS;**
4. **STAFF DEVELOPMENT**

At the heart of school improvement is the full commitment to delivering high quality learning experiences. This, coupled with our Christian ethos, will remain a constant priority. Our focus on supporting staff development will ensure that this priority is met and that we can help make The Bishop of Llandaff the best school in Wales.
