The Principals Welcome

You only get one chance in life and it is our responsibility to ensure that at Kearsley Academy, each student has the best possible education - whatever their starting point.

Thank you for your interest in joining Kearsley Academy. This is a truly unique opportunity to play a key role in shaping the provision of secondary education and lifelong learning opportunities within Kearsley.

In September 2012 we became part of the Northern Education Trust (NET), a multi-academy trust, which provides us with additional resource and expertise. Kearsley Academy has a close working relationship and federation with other NET institutions of which I support as Executive Principal.

You only get one chance in life and it is our responsibility to ensure that at Kearsley Academy, each student has the best possible education - whatever their starting point. We achieve this by having exceptionally high expectations of teaching staff and students as well as focusing on the importance of always striving to do better; to try harder.

At the same time, we are determined to deliver an all-round educational experience which sets us apart from other schools and makes us amongst the best nationally and internationally. We want students to wear their uniform with pride; to show an eagerness to learn and enjoy playing their part within the whole academy society. We expect our students to be polite and well behaved at all times, arriving punctually for every lesson and showing consideration for others.

I feel extremely privileged to be the Executive Principal, If you feel you have the skills, experience and drive to help support our aims then please do read on.

Ms J M Nolan

Executive Principal - Northern Education Trust

Introduction to Kearsley Academy

Kearsley Academy is an 11-16 mixed comprehensive academy situated in Kearsley, approximately eight miles northwest of Manchester and five miles southwest of Bury. It serves the communities of Kearsley, Stoneclough, Prestolee, Farnworth and Hill Top which in the mid 19th century were busy coal mining areas. Kearsley town covers an area of about four-square miles, with a population of approx. 15,000.

There has been relatively little social movement or change in the areas and consequently there is a strong feeling of continuity and identity. Children are likely to have had parents and even grandparents who also attended Kearsley Academy.

Kearsley Academy has good rail and road links, and is within easy reach of Bolton, Bury and Manchester, located minutes from J2 of the M61 and J16 of the M60 motorways.

Staff and Students

The Academy is part of an Executive Arrangement with Ms J M Nolan, the Executive Principal, overseeing the work of other NET academies, including Kearsley Academy.

The leadership of Kearsley Academy is undertaken by the Acting Principal, Mrs K McKee who is supported by Mr R Whitfield (Associate Principal), Mrs M Flynn (Vice Principal), Mr R Singh (Acting Vice Principal) and four other members of the extended leadership team; these colleagues complete the Senior Leadership Team.

The staffing structure and curriculum are constantly being reviewed but departments are primarily suited in faculties, with TLR holders supporting the Faculty Directors and Heads of Department. Currently, non-teaching 'Learning Managers' help support the well-being and pastoral development of all students.

There are currently 558 students on roll. The admission number for each year group is 140. The vast majority of our students live in the local villages, come from a wide range of backgrounds and cover the full range of ability – a truly comprehensive intake. The students are biddable and attendance is good.

Kearsley converted to an Academy in September 2012. The sponsor is Northern Education Trust.

Northern Education Trust is a not-for-profit education charity who are the sponsors. They are developing into a nationally recognized and trusted academy sponsor with an excellent reputation. They have vast experience of school improvement and have in addition a wide range of expertise and specialised experience to call upon, having access to the FE, University, private and voluntary sectors as well as schools and local authorities. Northern Education Trust will provide direct expertise and support on curriculum development, teaching and learning, leadership and organisational effectiveness and performance management.

- A commitment to the achievement, personal development and well-being of children and young people, where the welfare of others is seen to be the first concern of all no matter their starting point
- A commitment to one academy rule: “All students and adults are expected to behave in a responsible manner, both to themselves and others, showing consideration, courtesy and respect at all times.”

- Outstanding learning and teaching which engages students and is active, collaborative and encourages independence
- A commitment to student voice intended to empower and involve young people in the development and delivery of their own education and the life of their academy
- A modern curriculum which meets the needs of all learners, has clear progression routes internally and to both employment and further and higher education
