Thank you for your interest in working at Churchfields.

Churchfields is a popular, growing and oversubscribed school. Churchfields has many strengths and was judged to be Good with outstanding Personal Development, Behaviour and Welfare in our most recent inspection (May 2016). Pupil progress is at the heart of what we do. We are seeking an outstanding teacher to join our strong and highly motivated staff team.

We have a bright modern building located in extensive grounds. Our pupils are lovely and well behaved and our staff team is strong and supportive. To get a real feel of the school, please come and visit. You can arrange a visit by contacting the school office on 020 8650 5247.

This is an exciting time for the school. Churchfields Primary School has recently joined Quality First Education (Q1E), a primary multi academy trust. As part of the Trust, we are able to offer excellent opportunities for outstanding teachers. The Trust provides outstanding professional development through Belleville Teaching School, as acknowledged by Ofsted, HMI and the National College for Teaching and Leadership. We invest heavily in supporting our staff to reach their full potential. We focus first and foremost on the quality of teaching and learning in our schools, and we pride ourselves on having a relentless drive for excellence and equality.

Please read the accompanying job description and person specification for this position. Please note that if your application is successful, you will be required to plan and teach a lesson to a class of children as part of the selection process.

We look forward to hearing from you.

Yours sincerely
