

## Geography Teacher

### Inner London Scale – Teachers Main Pay Scale

#### Required for September 2018, a highly motivated and inspirational Geography Teacher

St Mark's C of E Academy is a vibrant and diverse 11-18 academy situated in Mitcham in the London Borough of Merton. The school was rated Good with outstanding feature in its most recent Ofsted inspection (November 2017) and has much to celebrate. We are the first secondary school in London to be awarded the prestigious International Values Quality Mark in recognition of the manner in which our values of love, hope and trust permeate all our work.

St. Mark's is part of CfBT Schools Trust (CST) – a multi-academy trust of 11 primary and five secondary academies and free schools. CST is supported by Education Development Trust, an international education company that transforms lives by improving education around the world.

Geography is a key subject in the academy, taught through all key stages including A-level. Through your drive, dynamic approach and vision, you will aim to make an inspirational contribution as a central member of our team. We want you to bring the highest standards of teaching and learning to the high quality learning environment we have in the Humanities Department.

If you believe you have the vision and passion to work in an exciting, innovative Academy which is committed to further raising attainment, expectations and standards, we want to hear from you.

If you would like an informal conversation, or would like to visit St Mark's prior to making an application for this key role, please contact The Head of Humanities, Scott Wallbank, at [swallbank@stmarksacademy.org.uk](mailto:swallbank@stmarksacademy.org.uk)

Please telephone or email for an application pack or see our website:
