Warren Mead Junior School
Raundwood Way

Dear Sir and Madam,

I have written to you today because there is a fantastic opportunity at our amazing school. We are looking for a brand new music teacher who is fun energetic and ready to have a great time. This is the best place to go since you are surrounded by kind, supportive people who will welcome you into the Warren Mead family imeadiately. All the children will help you out, for example, they could help you decorate your classroom or carry the equipment (that we already have). You also may need to be patient, since children in year 3 may need to have it explained to them more than children in year 6.

I'm really hoping that you are considering our school and it's endless possibilities so if you're in that boat let me tell you a bit more about your fantastic role: We would like you to be a confident musician and to be able to play three or more instruments, you need to be kind and supportive and a bit patient.

We (the children of Warren Mead) are so proud of our school because we do so many fun things and we all just a huge family. We have already achieved loads of awards and we are going to get Artsmark next. We do school plays for every year group and hold so many sporting events for all years. We would love love a teacher who can be.

We would love a teacher who has great motivational abilities, good orgnisational skills and flexability. As teachers, you hold staff meetings every week to make this school better than it already is and don't worry, they're not boring since they change every week! That way, you make the school alot better for us.

I hope you decide Warren Mead is the job for you. If you want more information come visit us and I'd be more than happy to take you on a tour

Yours faithfully,
Thomas
