

The appointment of  
**Teacher of Psychology**

*Required for September 2017*

Thank you for requesting information regarding the post of **Teacher of Psychology** at Chelsea Academy. We hope that the enclosed application pack, along with the Academy's website, gives you all of the information that you need to help you apply for a post here. Chelsea Academy is a great place to work and visitors often comment on the excellent behaviour of our students, the friendliness of our staff and the fantastic Academy building. Our aim is simple; to provide the best quality education for all the students that attend the Academy, to produce happy and employable young people and to become one of the best schools in London. If you would like to join us on that journey, then we would love to hear from you.

We are currently graded outstanding by Ofsted and SIAMS, a World Class School and are a member of the Leading Edge network. In the summer we achieved our best ever GCSE results in terms of both progress (top 14% nationally) and attainment. However, we are much more than a successful, academically focused school. We believe in educating the whole child and our Christian values of joy, perseverance, servant leadership, charity and forgiveness underpin everything we stand for. It is important that all of our staff, whether they are teachers or not, work closely with our young people and ensure that they are successful in all that they do. We are looking for staff who will always go the extra mile for our young people and believe that education happens both in and out of the classroom.

Chelsea Academy is a great place to work (we are one of the few schools in the country with Investors in People Gold), our staff are friendly and supportive and we offer a whole range of professional development opportunities no matter what stage you are at in your career. We want all of our teachers to be outstanding and so offer unrivalled professional development and support. This includes a CPD session every week (including opportunities to regularly visit other schools for newly qualified teachers) and a thriving in house Lead Practitioner team that coach and support staff across the Academy. Through the Chelsea Academy Way for Learning we have a simple, flexible and consistent way of developing outstanding teaching. Most of our senior and middle leaders started as teachers with us and have developed into highly talented practitioners. We offer internal and external training through NPQML, NPQSL and Teaching Leaders - your professional development is important to us. Academy staff have access to a wide range of benefits these include a private healthcare package, 24 hour GP service, physiotherapy and a confidential well-being support line as well as a laptop and free lunch.

We are a diverse inner city, science specialist academy based just off the King's Road in Chelsea and are co-sponsored by both the London Diocesan Board for Schools and the Royal Borough of Kensington and Chelsea. Chelsea Academy combines traditional educational values and high academic and behaviour standards with an innovative approach to learning and teaching. The Academy's specialism is the sciences, and as such we have strong links with local organisations such as Imperial College, The Science Museum and Chelsea Physic Garden. As a Church of England sponsored academy we welcome staff, students and parents from all faiths but expect all employees to have regard for our Christian values that are demonstrated through the taught and non-taught curriculum.

The Academy is seeking to appoint a highly motivated, innovative and well-qualified Teacher of Psychology who has the ability to teach Psychology at Key stage 4 & 5, plus a related subject at KS3. The successful candidate will be committed to maintaining a consistently high standard of learning and teaching to help ensure that this continues to be a truly outstanding school.

In particular, candidates should have:

- An excellent track record teaching at GCSE and AS/A2 level, where possible, demonstrated through exemplary examination results
- The ability to teach Psychology up to A-level
- The capacity to contribute to the development of the Academy's Christian ethos

- The ability to inspire and motivate others
- High expectations of students in terms of learning, achievement and behaviour
- Enthusiasm for developing innovative approaches to learning, teaching and student participation
- A clear understanding of the latest curriculum and pedagogical developments in Psychology, Science and associated curriculum areas

**Applications from NQTs are welcome and will be considered.**

Please visit our website for an application form that needs to be completed and returned to the Academy. Sorry but we do not accept CV's. The deadline for applications is **Wednesday 21st June 2017 at 12.00 pm. Interviews will take place on Tuesday 27th June 2017.** It will assist the shortlisting process if applicants can address directly the criteria in the person specification in their supporting statements.

If you have any further questions about this post, then please feel free to contact Anisha Yatally (HR Officer) on [recruitment@chelsea-academy.org](mailto:recruitment@chelsea-academy.org) who will put you in contact with the relevant staff member. Visits to the Academy and / or requests for informal discussions with the Principal are welcome and can be arranged by Anisha. Please note that Chelsea Academy is committed to safeguarding and promoting the welfare of children and young people.

**Equal Opportunities and Safer Recruitment**

Chelsea Academy is an inclusive employer. We welcome applications from suitable candidates no matter their gender, race, religion, sexual orientation, or disability, however, we do expect all our staff to note and follow our Christian ethos which is outlined on our website. Please note that Chelsea Academy is committed to safeguarding and promoting the welfare of children and young people. The successful candidate must be able to satisfy successful references, an enhanced police / Security Disclosure and Barring Service (DBS) check and right to work in the UK prior to starting employment with the Academy.

If you want to work in a happy, purposeful inner city academy with a strong Christian ethos and commitment to helping every student go on to university or meaningful employment, then we would welcome your application.

Yours faithfully

**Matt Williams**  
**Principal**

## **CURRICULUM OVERVIEW**

Psychology sits within the Science Curriculum at Chelsea Academy. The Science Curriculum aims to harness the natural curiosity and investigative spirit of our students, and to support them in their development as independent, critical learners. Our students learn to interrogate the world around them, and to solve its problems through collaboration and innovative thinking.

We believe in order to prepare them for the challenges of the modern world, students will require the opportunity to develop a detailed understanding of scientific method, while undertaking challenging tasks in a broad range of scientific disciplines. We have 10 high quality laboratory teaching spaces, plus a science classroom and access to computer rooms. Students are taught Science in Years 7 & 8, with topics including A&E (human biology), Forensics (chemical reactions and separating techniques) and Catastrophe (rocks and weathering). From Year 9 onwards, students are taught separate Biology, Chemistry & Physics by subject specialist teachers, for 2 lessons per week in each subject. This allows us the time to delve deeper into the fundamental concepts of science, and has fostered a love of Science in our students. As a consequence, our GCSE Science results are outstanding with the progress made by students placing us inside the top 20% nationally. We have also received several awards from the Good Schools Guide acknowledging these achievements. Students also have the option to choose Psychology at GCSE, and is a popular choice with two classes running in each year group.

Sciences are also an extremely popular choice at A level, with several classes of Biology, Chemistry, Physics and Psychology all running in Year 12 and 13. We have strong links with Imperial College and our students benefit through this in a variety of ways, including weekly tutorials from Imperial undergraduate students visiting the Academy, and the opportunity to go and work in the Reach Out lab for our Year 13 students studying spectroscopy. A level Biology students all attend a field studies residential trip in Year 12, and A level Physics students all have the opportunity to attend a residential trip to Geneva to visit CERN. Last year the value-added was positive and we have achieved a consistently high ALPS score for A level Psychology. Many students achieve A\* grades, and large numbers go on to study psychology at university, with several successful Oxbridge applications.

## **Our Specialism – The Sciences**

The Science Curriculum Area intends to make a significant and lasting impact on the development of our students, by providing a twenty-first century education for twenty-first century learners. In developing the specialism of the sciences, the Academy intends to create a distinctive educational institution among the best in the UK. Students at the Academy will be able to develop a deep understanding of the issues raised by human interaction with the global environment, and particularly with how ethics and religion relate to the sciences. We have regular talks and workshops from visitors into the Academy, including Lord Robert Winston, Dr Adam Rutherford, medical students from St George's Hospital and organisations such as The

Centre of the Cell and The Science Museum. Members of the Science Curriculum Area play a key role in the development and implementation of our specialism.
