

Teacher of girls
Physical Education
Application Pack
November 2017

Dear Applicant

Teacher of Girls PE - 0.5 - 0.7

Thank you for expressing an interest in the post of girls PE teacher at Lavington School. This is a part time temporary post, from January 2017. This is an ideal opportunity for an ambitious newly qualified PE teacher to gain their first post, or for an experienced teacher.

We are seeking to appoint an enthusiastic and committed teacher to join our dedicated and mutually supportive team of PE teachers, to teach 'core' PE to girls and some mixed groups, and GCSE and/or BTEC at KS4. The ability to teach Health and Social Care would be an advantage but not essential. Physical Education is a subject enjoyed by students of all abilities by offering a range of different activities within PE lessons. In addition, we run a number of clubs and enter teams for a variety of fixtures and competitions. We are proud of how well our students do in these extra-curricular events.

This is a high achieving school that is imaginative and creative in its approach to teaching and learning and is keen to look for continued and sustained improvement. We benefit from a wonderful rural setting, surrounded by beautiful and historic countryside. The majority of our students live in nearby villages, and thrive in our supportive, positive, nurturing environment, achieving academic excellence for all.

We are fully committed to providing high quality education for children whatever their age. We are at an exciting phase in our development where we are forming the Sarsen multi academy trust with local rural primary schools and applying to extend our age range to 18 to provide an all through education system.

The closing date for applications is **4pm Wednesday 22 November** and interviews will be held week commencing 27 November 2017.

Further information about the school can be found on the school website.

I look forward to receiving your application.

The school enjoys a very good reputation within the community and throughout the county and continues to demonstrate the highest standards of achievement. Much of this success is due to the active partnership of home, school and community, which allows a happy working atmosphere to prevail, where hard work is the expectation. Students are expected to give and receive recognition and respect whatever their individual skills and talents. Our students are recognised as happy and well-motivated, benefiting from excellent care, guidance and support which helps them to thrive. Students embrace opportunities to contribute to the school and develop leadership skills. Our successes in inter-school sport, music and drama and other activities also serve to demonstrate the enthusiasm and commitment of both staff and students at Lavington.

Typically, over 80% of students gain 5 or more A* - C at GCSE, and over 70% when including English and Maths. In 2016 the figures were 88% and 77% respectively with a P8 score of +0.4, placing us in the top 5% of schools nationally. We provide appropriate challenge and support for all abilities and so we are often recommended for those with Special Educational Needs. Many of our high achieving students are very much sought by sixth forms in the area. In 2016 31% of the cohort achieved 5 A*/A grades. We were inspected in July 2014 and judged as outstanding for behaviour and for leadership, and good for achievement and teaching. Our latest results show that we are well placed to soon be outstanding in all judgements.

We have high commitment to professional development and training. Our staff benefit from high quality CPD, both within Lavington and across the West Wilts Alliance, of which we are one of eight schools, with a comprehensive package of training opportunities. Our staff are encouraged and supported to develop their own knowledge and skills to ensure all students, in all classes and in all subjects make the best possible progress.
